RICHARD TURLINGTON

Insurance Man Leading Cancer Campaign Here

Richard Turlington will lead the American Cancer Society's 1963 Cancer Crusade in Zebulon and the surrounding communities.

In announcing the selection of the chairman, Bill Mahood, president of the Wake County unit of the ACS, said, "We can expect a very successful education and fund-raising crusade under his leadership."

The crusade will start April 22, Turlington said. Prior to the crusade here a coffee hour will be held at Zebulon Methodist Church. At this meeting several members of the Cancer Society will be present and make short talks.

The chairman said he had agreed to lead the crusade "because there is urgent need for everyone to do his share in combating a disease that will strike some 46,000,000 Americans now alive if the present rates continue."

Tom Scarborough, George Morgan and Hal Perry will lead the

crusade for the business district. Other solicitors have not been named, Turlington said.

Turlington appealed for a record number of volunteers to join the crusade so that the fight against cancer can be stepped up. He urged volunteers to call AN 9-9448.

"If we all work together," Turlington said, "I am sure we can make the 1963 Crusade a record one in lives saved and in the funds that are urgently needed for research."

Boy Ends 50-Mile Walk Stranded

He looked tired, homesick, hungry and stranded.

Night Policeman Windel Perry and Sheriff's Deputy Graham Bunn decided the teenager found recently at Zebulon Bus Station Grill needed help.

The officers heard this story from Jack Harris of Rocky Mount: He had decided to walk from his hometown to Knightdale. This is about a 50-mile hike. He said he was doing it to get his exercise.

At Knightdale, the youth hitchhiked a ride as far as Zebulon. He checked with transportation officials at the bus station and found he did not have the fare home. He had only a few cents.

Deputy Bunn and Policeman Perry found the Harris youth a clean-cut fellow who talked nice and possessing a pleasant disposition. Feeling sorry for him, Deputy Bunn reached into his wallet and gave the youth a dollar.

Harris, his face lighting up with gratefulness, purchased a ticket to Rocky Mount. The fare was \$1.05, but he could supply the extra nickel with his meager funds.

A few days later the local officers received a thank you letter from the boy's father, Sterling C. Harris. The letter had enclosed \$2, and Harris wrote, "the extra dollar is in the hope that you will be able to help someone else at some time."

Perry said he and Deputy Bunn felt "very good to be able to help the boy. We don't like to arrest anybody, and it always makes us feel better to help rather than to do anything else."

2,000th Patient

Wendell-Zebulon Hospital admitted its 2,000 patient on April 8. She was Mrs. Elizabeth F. Hardy of Route 1, Wendell. Mrs. Hardy was admitted for observation. The hospital was opened April 17, 1961.

Zebulon Baptist Revival Begins Next Sunday

The Rev. John Wesley Lambert, pastor of St. John's Baptist Church in Raleigh, will be the guest preacher during revival services at Zebulon Baptist Church next week, the Rev. David Daniel, pastor, has announced.

The Rev. Mr. Lambert is a native of Raleigh. He attended Campbell College, Wake Forest College, Southern Seminary in Louisville, Ky, and Crozer Theological Seminary in Chester, Pa. He has held pastorates in Mt. Olive, Chadbourne, and has been at St. John's since 1958. For the past several years he has given his free time to Dorothea Dix State Hospital as associate chaplain.

The Rev. Mr. Daniel said he will be available at any time to talk with persons interested in making a decision for Christ. The Rev. Mr. Lambert will also be available the week of the revival to talk with anyone who will make their needs known.

Each morning next week the Rev. Mr. Lambert can be heard over Radio Station WETC at 9:05 a.m. on the Morning Devotions program.

During the week several organizations in the community will be represented in the revival by sitting together in a body. Special music has been planned for each evening under the direction of Charles Horton, minister of music. The services will begin each evening at 8 o'clock.

Rotarians Hear Story of Tobacco Growers' Group

Walter Dean of Wendell, president of the Flue Cured Tobacco Growers Association, told Zebulon Rotarians Friday night that the new organization is fast growing and is proving its worth to all farmers who grow flue cured tobacco.

He described how the idea of an association of flue cured growers was originated during a discussion of problems facing flue cured tobacco.

Already the association is active in 26 counties, and trips to Washington to confer with Congressmen have paid dividends to tobacco growers, he said.

Members of Congress are taking heed of the new association. "Today," Mr. Dean said, "I talked on the telephone with five Congressmen. I called one of them and the other four called me."

Officers in the association must be farmers deriving the major portion of their income from flue cured tobacco. The term an officer can hold office continuously is limited to insure against any small group gaining control of the association to the detriment of its members.

Concert

The Atlantic Christian College choir will present a concert Tuesday, April 23, at 8 p.m. in the Wendell Christian Church. All friends of the church and the college are invited to attend this concert of an excellent choral group.

Street Improvement Work Completion to Be Next Week

Paving of north Arendell Avenue began Tuesday after the completion of widening and curbing and guttering.

Edwin Richardson, inspector, said all curbing and guttering and driveways have been completed on the portion from Gannon Avenue to Lee Street. He said there is a modicum of cleaning and filling in left to do, however.

The street was widened from 26 feet to the present 40 feet. A widening of seven feet on each side was done, Richardson said.

The old and new portions will get a one and half inch coat of asphalt paving, he said.

The intersection has also been widened and when completed will have three traffic lanes at each entrance to the intersection.

Richardson admitted difficulties were met during the construction. They ran into the town water lines, and the sidewalks had to be lowered in a couple of places. These difficulties were overcome, though.

Richardson said if there is good weather the job should be completed in about a week.

The project was begun February 1 and will cost approximately \$60,000. T. A. Loving Co. of Goldsboro is the contractor.

Wanted

The Historical and Records Committee of the Zebulon Methodist Church is seeking information on Earpsboro Methodist Church. This church and a Methodist Church established at Emit were the fore-runners of the present Methodist Church in Zebulon. Only factual information is needed by the group.

Jaycee Party Held For Miss Zebulon Contest Prospects

The Zebulon Junior Chamber of Commerce held its "Pepsi Party" Saturday morning as a kick-off for the Miss Zebulon Pageant of 1963. Guests of the Jaycees were numerous young ladies from this area who are interested in becoming contestants in the pageant.

Attending this event was Mrs. Betty Lane Bissette of Spring Hope, Miss North Carolina of 1959.

Following the party three young women signed applications which qualified them as the first official entrants for the pageant. Pictures with information about these contestants will be in the next issue of this paper.

Douglas Perry, pageant chairman, and Bruce Creekmore, entrants chairman, remind all young ladies between the ages of 18 and 28 who are interested in the contest to contact them.

Zebulon Youth Struck by Auto

A 15-year-old Zebulon boy suffered a broken leg and other minor injuries April 8 on Highway 64, Patrolman D. B. Wagstaff has reported.

Richard Clark, son of Mrs. Frances Clark of Gannon Ave., was hit about 10 p.m. by a car driven by Louis Todd of Wendell. Todd was driving a 1963 Ford.

Patrolman Wagstaff said the youth told him that he and three other youths had ridden to Wendell. (Continued on Page 2)

FIRST . . . The above scene shows workmen constructing the foundation of the first duplex apartment of the white low-cost housing development started here. Footings are being laid and work is proceeding on the project, which is located on the East end of Vance Street.
