Crowd Gathers to Watch Uproar As Patrolmen Book Local Man

Highway patrolmen and Wake County deputies were called to Zebulon Saturday as a precautionary measure after a crowd gathered following the arrest of Bobby Keith Driver, 29, of Route 4, Zebulon.

Patrolman B. K. Tucker told the Record he stopped Donald Wayne Jones, 33, of Wendell, Route 2, for following too closely on Arendell Avenue near Dr. B. D. Thomas' old clinic building.

While the patrolman was talking to Jones, Driver appeared on the scene. Patrolman Tucker said Driver cursed him and said, "You

ain't going to write him (Jones) a ticket."

Patrolman Tucker said he "more or less ignored Driver until he struck me in the chest with his fist."

Driver then was put under arrest by the patrolman on a charge of assaulting an officer.

A scuffle between the officer and Driver followed as the officer tried to get Driver in the patrol car. Patrolman Tucker said he then radioed for help.

Night Policeman Windel Perry heard the call from Patrolman Tucker, but he and Deputy Sheriff

Graham Bunn were making an arrest and could not go to the patrolman's aid. Another call for help by Patrolman Tucker brought them to his assistance.

Patrolman D. B. Wagstaff also came to help and assisted Patrolman Tucker in getting handcuffed Driver into the patrol car and to the Zebulon police station.

Driver was not jailed. His father was called and posted bond.

While Patrolman Tucker was writing the citation against Driver the corridor of the police station filled with curiosity seekers who pushed and shoved as two men, Johnny Hicks and Billy White, attempted to get them under control. As he went to assist Hicks and White, Patrolman Tucker said, Driver "kicked me in the thighs."

Patrolman Wagstaff said that "Driver showed himself when his dad came to the police station. He really broke bad."

Patrolman Tucker and Wagstaff said that O. D. Jenkins, a passenger in Jones' car, "tried to reason with Driver."

Night Policeman Windel Perry said the crowd at the police station following the incident was about "20 or 25." He admitted there was "a lot of cursing and loud talking" from the crowd.

Seven sheriff's deputies and six highway patrolmen answered the radio call and reported to the Zebulon police station.

Driver will be given a hearing April 24 in Zebulon Court.

Bettie Lou Perry, left, 1962 NFA queen, is pictured crowning Elsie Jones, Shepard NFA queen for 1963. Both young ladies will attend the Federation meeting with other chapter members on April 8 at DuBois High School in Wake Forest. The crowning took place during a chapel program conducted by the NFA chapter recently.

Burnett, of Sims, paid off a waiver for his action. Bryant was released under a \$50 bond.

We Only
Want What
We Own!

Nobody wanted to serve us with electricity when there appeared to be little chance of profit. So we borrowed REA money and built our own rural electric systems—the same money available to profit power companies to build rural lines.

Because service is what we wanted, we organized as nonprofit cooperatives. When we pay our electric bill, we pay all expenses of the operation—plus enough to repay our debt to REA.

At the end of 1961, members of our 33 systems operating in North Carolina had paid nearly \$40 million on principal and nearly \$17 million in interest on our debt to REA. And we had nearly \$30 million of our own invested in these systems.

This looks pretty good to some power companies . . . and they're trying to take over our best areas. It doesn't seem fair for us to build a system, suffer through the roughest years, and then have to give up the best parts because somebody else now sees a chance to make a profit on them.
