THE CHURCH FOR ALL...  
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Memories in the Making

A picture . . . a frame . . . to treasure always. So she believes!

The fleeting baby smile, the outgrown pair of baby shoes—these she'll always treasure.

But in later years not every mother can point with pride to her son's baby picture. Memories sometimes become tarnished with remorse.

So much depends on us.

If we hope always to treasure our glimpse of yesterday . . . we must carve with spiritual tools our vision of tomorrow.
