**NEW**

These — without anything borrowed or blue — can give to her Wedding Day the sure promise of happiness.

Something old? A faith in God such as has been the foundation of life for millions of Christians before her. A simple conviction found in the religious instruction she received as a child, nurtured in regular worship at Church, ready to go with her through the years.

Something new? A love for the one she has consented to marry. A tender devotion that will grow richer and deeper as they share the sunshine and shadows of life.

With these two—the “something old” that lives in her soul, and the “something new” that thrills in her heart—she comes to her husband. And if he comes to her bearing the same treasures, their marriage cannot fail!

**THE CHURCH FOR ALL...  
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
