 right start
to a bright future

Proud, exciting moment. Made even prouder because their first home is a Gold Medallion Home with clean, flameless electric heat.

This young lady will soon discover how comforting the convenience of total-electric living really is when she takes her first hesitant steps in managing a home. She'll gain confidence more quickly with the timesaving help of her electrical servants to lighten the tiresome, daily jobs around the house.

Interested in more details about total-electric living in a Gold Medallion Home? Just call or write a nearby CP&L Office . . . no obligation of course. Remember—only flameless electric heat provides matchless Medallion Living.
