Performing

Soprano Nelle Kemp of Zebulon will be one of several performers who will participate in the first presentation given of the North Carolina Music Society.

The society is a newly founded organization for music lovers. It was organized for the promotion and presentation of works of both classical and modern composers.

Mrs. Kemp will present four selections at the State House on Saturday afternoon, August 24. She will sing, "Das Unerkannte," "Ein Rundum," "Ein Anderes," and "An Sich."

All selections—both vocal and instrumental—are by Ernst Krenek. Krenek, a German by birth, now resides in California. He will be present for the three-day event in his honor.

Charles Horton, minister of music at Zebulon Baptist Church and a candidate for a doctorate of music degree from the University of North Carolina, will accompany Mrs. Kemp.

Mrs. Kemp was the soprano soloist when Shubert's oratorio, "Miriam's Song of Triumph," was presented at the close of University of North Carolina's first summer school session.

The production was directed by Horton. Accompanying the group was the North Carolina String Quartet.

Mrs. Ethel Casey is president of the society.
