LETTER TO THE EDITOR

Dear Sir:
I wish to commend the *Zebulon Record* on two counts. The first concerns the editorial stand of your newspaper in the recent school consolidation battle. Far too many decided their stand on this issue emotionally. They rationalized their feelings to such a high degree that their minds were closed to reason. The time will come when these same individuals will say, "I didn't realize," "I didn't understand," "I didn't know"—but they will be without excuse because the facts were brought clearly into focus by your newspaper.

The second word of commendation relates to the weekly inclusion of an area church directory in the *Zebulon Record*. This fine service is one that has long been needed in our area. A revised schedule of the activities of this church each Sunday is given below. I would appreciate these changes being made in the directory at your earliest convenience.

Sincerely,
Roy H. McCormick
