St. Luke's Home Story Is Told To Rotary Club

Last Friday evening Zebulon Rotarians were told of the work of St. Luke's Home in Raleigh, which provides for 25 women from 65 to 89 years of age. Making the report was Mrs. W. B. Martin of Raleigh, first vice president of the North Carolina Branch of the International Order of King's Daughters and Sons.

Mrs. Martin was introduced by Mrs. Lucille Pippin, formerly of Zebulon, who is superintendent of St. Luke's.

St. Luke's Home is sponsored by the St. Luke's Circle of the International Order. The home receives only \$65 a month from each of the ladies residing there, and provides all necessities except clothing.

"We couldn't run St. Luke's without Mrs. Pippin," the speaker said in praise of the superintendent. Mrs. Martin commented on the outstanding meals prepared at St. Luke's under Mrs. Pippin's supervision, and spoke of the loving care which the ladies receive. "Mrs. Pippin gives them of herself," she said.

Relating some of the history of the International Order, Mrs. Martin explained that the King's Order was begun in 1886 in New York City, founded "to bring reality into religion." All denominations are included.

In 1891 men and boys were included in the organization and the present name was taken. "You need men to get things done," she explained.

Benvenue Wins Over Wakelon

By Wayne Davis

The outcome of the Wakelon Benvenue contest was decided in the first 10 seconds of the game when the big 200 pound fullback, Bill Robins of Benvenue, took the opening kickoff for 80 yards and a score. The extra point was made and Wakelon never recovered or gained the lead.

Thurston Debnam very nearly went all the way on the return kickoff, taking the kick on his 28 and running to the Benvenue 48. After a series of plays, it was Debnam for 2 yards, Creech for 1, Debnam for 7, Creech for 21 and Debnam for 7 yards and a score.

Lightning struck the second time when Kent Hardy went 33 yards from scrimmage and a 13-6 lead for Benvenue. Big Bill Roberts took a short flat pass from Richard Cobb and rumbled for 42 yards to set up the final score of the game, 20-6 Benvenue.

Wakelon actually had the better of play in the second half and showed that, except for the three long gainers, they were equal to the Benvenue team.

There are no breathers in the schedule this year and the Bulldogs will have to hustle to show a favorable won-loss record.

The Bulldogs have material for an explosive running attack, but need a passing game to keep the opponent's defense honest and give the running game a chance.
