

# ATHENS TODAY

CARLYLE BLACKWELL and JUNE ELVIDGE in "THE CRIMSON DOVE." This picture shows how a minister who believes in the religion of the heart as well as of the soul, meets, loves, and marries an actress, who is the innocent cause of a young man's suicide. It is crammed to the limit with pep and punch.

**TOMORROW**  
STUART HOLMES in "THE BROADWAY SPORT," by Carl Harbaugh. This is a picture with all the humor of a comedy combined with a dramatic production.

**FRIDAY**  
CLARA KIMBALL YOUNG in "MARRIAGE A LA CARTE," from the play "MARRYING MONEY," by Washington Pezet. Charming, delightful, entrancing, lovely—one runs out of adjectives when trying to describe this film offering. You can't afford to miss it.

**SATURDAY**  
MOLLIE KING and CREIGHTON HALE in "THE SEVEN PEARLS," chapter one. Also two-reel L K O comedy and the UNIVERSAL WEEKLY of war news.

Cooler spot in town. Buy a \$1.50 book of admission tickets for \$1.25 and save money.  
Matinee Daily At 4:30. Night 8 and 9:15.

## THE CRIMSON DOVE AT ATHENS TODAY

Carlyle Blackwell Is To Be Seen There in Thrilling Movie.

In "The Crimson Dove," the newest World-Picture Brady-Made which comes to the Athens today, Carlyle Blackwell is seen in the role of a desperate game warden in a mountain fastness where the hand of man is set against him. Playing opposite Mr. Blackwell is that popular and beautiful star, June Elvidge, who is seen first as a famous actress and second as an energetic and successful school teacher. Dion Titheradge is also seen in the cast and he has a very interesting and unusual part. The story tells of the infatuation for

a woman of the theatre of a young man. The young man is repulsed by the woman and after being thrown out of his home commits suicide in desperation. Later the young man's minister meets the woman, who has not knowing the woman is the one for whom his young parishioner had such an insane infatuation and in time the minister and the woman come to love each other. When the other parishioners discover this there is consternation and a determined and successful effort is made to oust the young clergyman. He secures a charge in the mountains where he makes good and the young woman becomes a school teacher and she also makes good. Finally they are united under the most strange and startling circumstances. Altogether this is an extraordinary drama—extraordinary in its treatment, extraordinary in the lavishness with which it is staged and in its ability to interest and entertain. You will make no mistake in seeing "The Crimson Dove".

## Catarrhal Cough

Mr. W. S. Brown, R. F. D. No. 4, Box 82, Rogersville, Tennessee, writes:  
"I feel it my duty to recommend Peruna to all sufferers of catarrh or cough. In the year 1909, I took a severe case of the latter. I then took a bad cough. I had taken all kinds of cough remedies but got no relief. I then decided to try Peruna. I used five bottles. After taking five bottles my cough stopped and my catarrh was cured. My average weight was 115 and now I weigh 145. Any one suffering with catarrh in any form I will advise them to take Peruna."

Any one Suffering with Catarrh in Any form I will Advise them To take Peruna

Those who object to liquid medicines can procure Peruna Tablets.

You know me Folks, I'm the Trained Nurse.

I'll tell you where to buy Drugs and Drug Store Things.

## LOCAL

Chas. Bagby of Kinston, is spending the day here attending the Shrine meeting.

The local lodge of Red Men will hold a meeting tonight at which time they will begin practicing for the degree work to be put on at the district meeting to be held in this city at an early date.

Today being a Jewish holiday, all of the places of business in this city that are conducted by Jews have been closed. Services were conducted at the synagogue this morning at 10:30 o'clock by Rev. S. Fineberg, U. S. M. C.

### OYSTERS, BARBECUE

Norfolk oysters tonight. Served in any style. Three fine pigs being barbecued for tonight. Come down. KING.

### RED MEN PLEASE NOTE.

There will be a special meeting at your wigwam tonight at 8 o'clock. Degree work and drill practice, preparatory to exemplifying warriors degree on the night of October 10th for the benefit of the district meeting, which will meet with us on that date.

Every member is requested to be present tonight.

By order of Sachem and Degree Team Captain. W. H. SIMONDS, Sachem.

## BREAK A CHILD'S COLD BY GIVING SYRUP OF FIGS

Cleanses the little liver and bowels and they get well quick.

When your child suffers from a cold don't wait; give the little stomach, liver and bowels a gentle, thorough cleansing at once. When cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

If your child coughs, snuffles and has caught cold or is feverish or has a sore throat give a good dose of "California Syrup of Figs" to evacuate the bowels no difference what other treatment is given.

Sick children need to be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company."

## BUT FEW PUPILS OUT OF SCHOOL

An Increase Instead of a Decrease In the Enrollment in Local Institution.

Contrary to expectations, according to a statement made by Prof. H. B. Smith, superintendent of the New Bern public schools, there has been an increase in the enrollment in the higher grades at the local schools instead of a decrease.

Before school opened for the 1917-18 term, Prof. Smith feared that many of the boys and girls would remain out of their class rooms for the term in order that they could retain positions which they had secured during the summer.

The parents of these pupils, however, decided that an education would be of more real worth than the money they would receive for their labor and have seen to it that they returned to their studies.

## NOTICE!

The Mosley Creek Drainage District Assessment No. 4 is past due and must be paid at once.

R. B. LANE, Sheriff.

## SOCIAL

Miss Mamie Briggs left yesterday for several days visit in Kinston.

## COAL HARD TO GET SAY DEALERS HERE

Mine Operators Seem to Want To Make Southern People The "Goat."

Local coal dealers state that not only are they being forced to pay high prices for the coal which they are buying from the mine operators but it is a hard matter for them to get coal at any price and at the present time the combined amount of hard and soft coal on local yards is probably less than two hundred tons.

One dealer stated today that he had been waiting for five weeks for a cargo of hard coal which he ordered in June and that there was every indication that it would be another month before the shipment would arrive.

The mine operators, say the dealers, are miffed over the action that the government has taken against them and are trying to make the consumers play the part of the "goat."

### FREE OF CHARGE.

Why suffer with indigestion, dyspepsia, torpid liver, constipation, sour stomach, coming-up-of-food-after-eating, etc., when you can get a sample bottle of Green's August Flower free at F. S. Duffy's. This medicine has remarkable curative properties, and has demonstrated its efficiency 50 years of success. Headaches are often caused by a disordered stomach. August Flower is put up in 25 and 75 cent bottles. For sale in all civilized countries.

(SEAL.) My Commission expires 12-11-18.

## COTTON GROWERS ALSO TO GIVE AID

### They Will Donate a Part Of Their Crop To The Red Cross Society

Not only are the tobacco growers of Craven county donating a part of their crop to the local Red Cross Society but it is understood that many of the cotton growers are going to bring a few pounds of the fleecy staple to this city on each trip and turn it over to the society, this to later be baled and disposed of.

The officials of the society are impressing it upon the cotton and tobacco growers that it is up to them to do their part, that the soldiers are fighting their battles just as much as they are fighting the battles of the people in the towns and cities and the agriculturists are showing a willing spirit and are doing their part toward helping this worthy cause.

## BUY NATURAL IRON IF IN NEED OF TONIC

### Go To Drug Store, Get a Bottle of Concentrated Acid Iron Mineral.

### NON-ALCOHOLIC NATURAL IRON

Just plain, old-fashioned, natural iron, without a single drop of alcohol or laxative of any kind, has built weakened, run-down people up and brought the rich, red blood back for millions of people, and doctors over the world have prescribed it. Just iron—it is iron that builds you up and puts the rose in the cheeks of women and makes heartier, stronger, more energetic men—just plain, medicinal iron, as nature herself compounded it, then highly concentrated and bottled under the name of Acid Iron Mineral.

Acid Iron Mineral is of course more economical than other prepared iron tonics, yet it is stronger, goes farther and contains no alcohol or laxative to derange or affect the system.

### Iron Has Many Uses.

Iron has many uses when highly concentrated as Acid Iron Mineral. A teaspoonful in a glass of drinking water makes a delightful, unusually invigorating tonic blood medicine, all-purifier and remedy for indigestion. It will not injure teeth, cause constipation or harm the most delicate stomach.

Used externally, it stops bleeding, acts as a healing agent, preventing soreness and festering. Is an antiseptic and a germicide too, and old sores, pimples, sores on the scalp, etc., are quickly relieved without the use of anything else besides Acid Iron Mineral. People with sore, bleeding gums, dilute a tablespoonful of Acid Iron Mineral in a glass of water and use it as a mouth wash exactly as dentists do to stop bleeding and prevent infection when extracting teeth.

A child with sore or wound: a cut in camp, at the shore, at home or abroad needs nothing else. Just pour enough on the cut to completely cover it and Acid Iron Mineral does the rest.

Acid Iron Mineral comes from the only medicinal iron mineral deposit of its kind in the world. Analysis proves it contains in addition to iron calcium, sodium, potassium, phosphorus and free sulphuric acid. Ask your doctor if a combination of these elements hasn't wonderful medicinal value. No chemist has so far been able to duplicate Acid Iron Mineral, which like radium, is another of nature's phenomena.

Most druggists have it in 50c and \$1 bottles. The lessors of the deposit, the Ferronine Chemical Corp., of Roanoke, Va., will send a large bottle anywhere prepaid upon receipt of \$1.

Note: The iron having an astringent, healing effect, to some seems to contain alum, but such is not the case. Whole families use it. No home should be without it. If being used for stomach, kidney, digestion or blood troubles, and the bowels are not regular, we recommend that you procure a 25c box of A. I. M. Liver pills also.

## REPAIRING

Our facilities for making repairs on all kind of machinery place us in a position to tackle the hardest kind of jobs. We have the men, tools and parts which enable us to do all work at lowest cost.
