nation With the Garment Workers

BOSTON, May 14 .- The Commit tee on Resolutions of the Amalgamated Clothing Workers of Amer convention here, considered a pro-possi that their organization units with the Amalgamated Textile Work-ers of America. It was made by A J. Muste, General Secretary of the Textile workers, who urged a considera-idation to be followed by a gradual expansion of the organization to in-clude workers of every textile and clothing trade in "one big union." The Resolutions Committee reported proposals for a forty-hour week in the garment-making industry, for recognition of the Russian Soviet Republic and release of all political prisoners in this country, Action will be taken later.

Many Who Aspired to Honor to Be Disappointed-Extremes in Gowns Barred

LONDON, May 14.—Ambassador Davis will have the privilege of pre-senting eight American women at the Royal Courts to be held in June; There were more than four time that number of applicants for this honor, and so there will be some heartburnings when the list of the successful ones becomes known, for some of the aspirants have crossed the Atlantic in the hope they would be among those to be introduced. The Royal Courts will have much

of the pre-war brilliancy this year, but extreme styles for the women will not be tolerated. This puts a taboo on "jazz" or short-skirted frocks. The men as usual will wear satin knee breeches, and those who
