Victory For Their Candidates

(By Max Abernethy)

RALEIGH, June 1 .- As the gubernatorial contest nears the end political prophets are placing their bets and doing their forecasting. The first forecast reaching Raleigh's political ear comes without the proper signature to make it carry weight and is said to represent the opinions of several prognosticators in a city about the central part of the State. The forecast is by congressional districts and the vote of 117,000 is distributed as follows: Gardner, 44,000; Morrison, 42,

Managers Not Satisfied Neither of the campaign managers are satisfied with the forecast since it upsets their predictions, each having claimed that their candidate was leading the field. Crawford Biggs, manager of Gardner, previously stated that there would be no second viewpoint for the obligations of the manager of Gardner, previously Mr. Palmer was testifying before primary because his candidate would win out in the first; Charles Ross, manager for Page, thinks differently, and sees his candidate in the second
