

LOUISVILLE MAN GAINS TWENTY-THREE POUNDS AND NEVER FELT BETTER

Five Years of Dyspepsia and Catarrh Had Weakened Him so He Could Work But Little.

COULD HARDLY GET BREATH LYING DOWN

McCrone Says Tanlac Soon Overcame His Troubles and He Now Feels Like a Brand New Man.

"If there was ever a time in my life when I felt better than I do now I don't remember it," said Michael McCrone, a well-known resident of 54 South Clay street, Louisville, Ky.

"I have not only gotten rid of a case of stomach trouble and catarrh of the head that made my life miserable for five years, but I actually weigh twenty-three pounds more than I did the day I began taking Tanlac. I could not eat anything except very light food but what gas would form and keep me feeling sick at the stomach for hours. I had the worst sort of pains in my left side, and at night especially the catarrh in my head caused me so much trouble I could get but little rest. I could scarcely breathe lying down and it was often almost day before I got any sleep at all. I lost thirty pounds in weight and had very little strength, and was in such a bad fix that I had to stay home from work for days at a time."

"While looking over the paper one evening I ran across a testimonial for Tanlac that described my case so well that I made up my mind to try it. After I had finished my third bottle I was feeling like a brand-new man. My catarrh was gone, my head felt clear, my stomach stopped troubling me and I could lie down at night and sleep like a child. I can now eat such things as meats and cabbage, in fact just anything I want and never feel a touch of indigestion. I have never felt better in my life than I do now, and when I recommend Tanlac to my friends it's easy for them to see the change that has taken place in my condition."

SNAPPY GAME OF BALL AT GHENT PARK FRIDAY

One of the snappiest games of baseball of the season took place out at Ghent park Friday evening when the S. S. club shut out the Shipbuilders to the tune of 8 to 0. The game started off in a rush and continued thus until the end. Both teams played well but the S. S. club simply outclassed their rivals.

THREE CANDIDATES CLAIMING VICTORY

Aspirants For Sheriff's Office Each See The Office in Their Grasp

Much interest is centered, locally, in the race for the office of sheriff of Craven county and close watch is being kept on this contest.

Each of the three candidates, sheriff R. B. Lane, J. D. Williams and T. W. Holton are claiming a victory. Sheriff Lane stated this afternoon that "things looked mighty good", while Messrs. Williams and Holton seem satisfied that they are going to win.

Just how the vote stands can, of course, not be stated and the many conflicting reports make it impossible to venture even an estimate of the result.

VICTIMS OF AUTOMOBILE ACCIDENT LEAVE CITY

Misses Bertha Gray and Ruby Rouse, of Kinston, injured in an automobile accident near the city last Sunday afternoon, have recovered from the effects of this and returned home Friday afternoon. Mrs. Mattie Turner, also of Kinston, and who was in the car at the time of the near tragedy, was taken home several days ago by her husband.

PRICE OF POTATOES HAS FALLEN TO LOW POINT

With the market being flooded with Irish potatoes the price of the spuds has dropped considerably and today they could be purchased on the local market for \$5 per barrel. While the wholesale price has hit the toboggan, the retailers have not cut their price and today were charging \$1.75 per peck for the spuds for \$17.50 per barrel.

BANKERS TO HOLD ANNUAL CONCLAVE

From All Parts of North Carolina They Are to Gather at Rocky Mount Next Week

T. A. Uzzell, president of the Peoples bank, leaves this evening for Rocky Mount, where he goes to attend the annual convention of the North Carolina banker's association which is to be held in that city on June 7 to 9, and which, it is predicted, will be one of the most auspicious events held by that body in recent years.

A most elaborate and interesting program has been prepared for this gathering of bankers and as scores of them from all parts of this and other states are to attend, there is no doubt but that the session will be one which will prove very beneficial to them.

CHANCE FOR BOYS TO EARN SUMMER MONEY

The civic department of the Woman's Club wants boys to volunteer their help toward keeping the grass cut this summer. They will be paid for their work and it will only take part of their time. Any boy from the age of thirteen to seventeen will be eligible, and Mrs. M. M. Marks, No. 69 Johnson street, will be glad to have their names immediately.

This Is The Secret of Hudson Supremacy

The Super-Six Motor is Exclusive

The Super-Six performs its duties with such reliance and ease, one is apt to overlook the causes for its supremacy.

Drivers and passengers of a Hudson are seldom conscious that there is anything mechanical in its smooth transportation. It never obtrudes its mechanism.

So, from time to time, it is necessary to call attention to the Super-Six motor and its exclusive patented principle, which accounts for this fact.

This Is What It Does

Judge how complete is its advantage. Merely to think of the way thousands of Hudsons, year after year, are giving uninterrupted and economical service inspires the confidence owners have in the Super-Six.

Such performance depends upon more than good workmanship and good materials. Other cars possess those qualities. But they differ in this.

Forces which cause early motor destruction are converted to the useful agency of propelling the car. Vibration is practically annulled. The smoothness that results is not only appreciated in riding ease, but it means absence of strain and friction that conserves years to the life of the car.

It means freedom from fatigue to passengers. It explains why the Hudson rides so pleasingly and endures so long against the hardest service.

That is Why no Car Has Ever Rivalled Hudson's Records

It will be years before we can know the final limit of Hudson endurance. But already it is evident that endurance is doubled through this exclusive principle. More than 100,000 cars in service and nearly five years' experience reveals the character of Super-Six endurance.

The proof is also shown in Hudson's unequalled records for speed, hill-climbing, and acceleration. They cover the field. Can there be any question of its supremacy in these respects?

Also a Leader in Beauty

If it had no other appeal than its distinctive beauty, the Super-Six would hold high position. That is recognized in the way Hudson has set motor car styles. Its exclusiveness in that respect is maintained by creation and advancement. Others can always be just behind its mode. But with its motor there can be no imitation. There it holds a monopoly.

Strive as they may to accomplish the same results, none has as yet by official proof shown that any motor equal or satisfactorily supplants the Super-Six in those qualities for which it is famed.
