

# Eastern High School Teams Get Busy

## Moran Makes Good In His Guidance of Cincinnati

Pat Moran became manager of the Phillies in 1915, succeeding Charley Doolin, who had piloted the club to sixth place in 1914.

Moran won the National league pennant with the Phillies in '15, after they had finished in 1916 and 1917, fell to sixth place in 1918 and was fired.

When he moved to Cincinnati, replacing Christy Mathewson, who had brought the Reds into third place in 1918.

Again he signaled his first year as manager of a team by winning the flag from Cincinnati in 1919. And again his team started slipping after winning a championship, falling to third place in 1920 and sixth in 1921. In 1922 he moved back to second place.

"Moran is one-year manager," many close followers of baseball then said of him. "He won the flag for Philadelphia with a team Doolin had built and he did the same for Cincinnati with a club of Mathewson's construction."

"He wrecked two pennant-winning machines that he had little hand in making."

Despite his failure in 1920 and 1921 the Cincinnati club retained Moran as manager for this year and this season has seen him stage a really spectacular comeback. Pat has just about lived down the opinion that he was a one-year manager and a team wrecker rather than a team builder.

This year he has almost completed the work of building a new championship team and he has done it largely with minor league players.

Of the men who worked for him when Cincinnati led the league in 1919 just seven remain. These are Eddy Roush and Pat Duncan, outfield regulars; Rube Bressler and Greasy Neale, outfield subs; Ivy Wingo, regular catcher; Jake Daubert, first baseman and Adolfo Luque pitcher.

The silver lining to all domestic clouds is pay day.

Personality consists in having a good opinion of yourself and keeping it hidden.

## MAY HAVE TWO TRINITY TEAMS

Second Outfit to Play Stronger Prep and High Schools Eleven in State.

DUPHAM, Oct. 6.—A second team playing scheduled games on its own hook is the next possibility in gridiron activities at Trinity college. Trinity does not have the one-year rule and hence no freshmen team. Coaches Steiner and Burbage have taken the question of reserve material for their varsity into serious consideration and a second team with a complete organization seems to be the best solution.

There is a likelihood that a schedule will be arranged with the stronger high and prep school outfits in this section. Already negotiations are under way for a game on Saturday, October 13. This game would immediately follow the varsity clash with Carolina in Chapel Hill on Thursday of next week.

The second eleven would present a fairly strong line-up and should make it interesting for anything in this neck of the woods. The probable line-up as given out by Coach Burbage, who is running the second string men, would be: Newell, last year's scrub center; Porter and Ray, freshmen guards; Weaver, freshman, and Pickens last season's scrub, tackles; Troy, freshman, and Dintz Moore, last year's sub ends. The backfield will probably be: Winters, freshman, quarter; H. Johnson and Everett, freshmen, halfbacks; H. Weaver, freshman, full back.

## DETERMINATION WILL HELP WIN

Manager of St. Louis Team Calls Attention to Important Facts in Series

By Branch Rickey

There are other elements in a world series besides arms and legs and brains.

No baseball player deliberately quits, but I've seen men fall to run out their hits and I've seen clubs give up when they were behind.

The most trivial and insignificant thing mentally upsets some players. Failure of new bats to arrive, when expected, due to the fault of some official of the club, will make droopers. Quarters in an upper berth is food for discourse for a week. Bad pitching in batting practice, an inconvenient jump for an exhibition game, feeling of managerial favoritism, a slight domestic difficulty—all may cause trouble.

Discovery of some opponents' signals, or inside knowledge of the opposing club gives a club additional confidence and tones it up for the next game.

The temporary loss of a player frequently causes a club to fight harder. The promise of prize money, held out as Napoleon held out the promises of booty to his soldiers on the eve of battle, has a good effect on the fighting spirit of a lot of players.

The Giants won the pennant on September 25.

The Yankees were not mathematical winners until several days later. That may be a good break for the Yankees. It surely is if the Giants were to let up in their play. I thought there were unmistakable signs on the part of one or two of the Giants to take things easy in the last game played against the St. Louis Club. (Continued on page three).

## RAISING FUNDS FOR DAVIDSON

President of State University Endorses Campaign for Presbyterian College.

CHAPEL HILL, N. C., Oct. 6.—Expressing the wish that the Davidson College campaign for a \$600,000 endowment and expansion fund might be "a hundred percent over subscribed," Dr. H. M. Chase, president of the University of North Carolina, today gave the movement for "A Greater Davidson for a Greater Southern Church" his enthusiastic endorsement.

Dr. Chase highly praised the work and standard of Davidson College, whose chief characteristics throughout its century of history has been the highest form of Christian education and training of Christian character and manhood. Dr. Chase is one among the best known and beloved of educators in the South, and has hosts of friends in every county of North Carolina.

"I am only too glad," said Dr. Chase, "to take advantage of this campaign to give expression to my respect and friendship for Davidson, and to express the earnest hope that it may be given the funds it needs to pursue the work which it is doing so admirably. I always think of Davidson as a wonderfully fine college, doing splendid work, and I conceive it to have a very definite claim on the friends of higher education everywhere in North Carolina."

The Davidson campaign is being conducted among several counties of North Carolina at the present time, and will be conducted in all of them within the next two months. Funds raised by the campaign will be used for the rebuilding of ruined Chambers Hall, and for increasing the college endowment for the efficient expansion of the institution.

## Miller Huggins Satisfied With His Pitching Staff

(By Associated Press).

POLO GROUNDS, N. Y., Oct. 6.—The midget manager, Miller Huggins, shuffled the deck of the Yankees' pitching staff this afternoon and then led with his third ace, Waite Hoyt in hopes of winning a first victory in the world series from the Giants, who are already in proud possession of one game. Manager McGraw looked with critical eye over the Giant hurlers but gave no intimation of his choice for hurling duty until game time.

"I have McQuillan and Scott both ready to start," said McGraw, "and don't forget that 'Roney' Ryan looked pretty good in there in the first game. I am perfectly satisfied with the way my team is going and our pitching has been good."

Huggins probably will continue his fixed program of starting his five-star pitching staff in order unless the Giants upset his plans by knocking some hurler unexpectedly into the discards. Huggins' plan contemplated Hoyt today, Carl Mays tomorrow, and Sam Jones on Sunday, Bush, with a 5-day rest, will then be fit for Monday.

"I'm not worrying over my pitching," said Huggins, "but the batting slump the club is in. If we can come out of it we should win this series." Though the crowd has been big with every seat taken, the contests

have been marked with the absence of the early rushes to the park and today was no exception. Scarcely 1000 spectators were on hand when the gates to the unreserved section of the stands and the bleachers were opened today. After they had been seated the earlier arrivals trickled in slowly.

The day was warm and clear and a light breeze from the North waited the October haze that has been both-erning the batters as twilight came on during the late innings of play. It was cooler than yesterday and perfect baseball weather.

## Butcher Rejoices Over Wife's Recovery

"My wife suffered for five years and practically lived on toast and hot water. Doctor said she would have to be operated for gall stones. A lady advised her to try Mayr's Wonderful Remedy and after taking 4 bottles over two years ago, she has been entirely well ever since." It removes the catarrhal mucus from the intestinal tract, and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded at all with every seat taken, the contests

# LOST!

250 Pimples, 736 Blackheads and 3 Boils!

No reward is offered, because they are lost forever! No question will be asked, except one question. "How did you lose them?" There is but one answer—cut out new fad treatments and guesswork; I used one of the most powerful blood-cleansers, blood-purifiers and flesh-builders known, and that is S. S. S. Now my face is pinkish, my skin clear as a rose, my cheeks are filled out and my skin tight, too, is good. This will be your experience, too, if you try S. S. S. It is guaranteed to be purely vegetable in all its remarkably effective medicinal ingredients. S. S. S. means a new history for you from now on. S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

Found—that glorious feeling that comes with a clear, pure, rosy complexion.

## PRINCETON TO PLAY VIRGINIA

Virginia Team Has Been Undergoing Hard Practice During Course of Week

Charlottesville, Va., Oct. 4.—Virginia's football squads have been making good use of the bright afternoons this week in their preparations for the Saturday game against Princeton. Yesterday there was a stiff scrimmage against scrubs and another will probably be held this afternoon. Head Coach Campbell is working hard to get his varsity squad in condition to hold the Tiger to as small a score as possible.

Monday afternoon the varsity took the lower Lefevre Field for signal and dummy scrimmage practice while Coaches Hankins and Rinehart brought the freshmen on to the main field for the first scrimmage of the season. With over 30 first year men to be put into play it was hard to give a thorough test to the abilities of any one of them, but the coaches spotted a good many youngsters who showed promise of real ability. It is probable that a prep school eleven may come to Charlottesville Saturday for a practice game with the first year team.

## Several Schools Will Start The Season Today

New Bern Highs will get their first real try-out of the season at Ghent Park this afternoon when they go up against the strong football team from Wake County.

The Rocky Mount aggregation arrived here this morning and are a rather aggressive looking set of youngsters, with one or two real huskies in the bunch.

Quite a large number of supporters were out at the park at 3 o'clock, shortly before the game was called. Both teams went through a snappy practice and showed that they had undergone some hard coaching.

Other high school games today are as follows:

Greenville vs. Washington, Goldsboro vs. Kinston.

The games that are now being played will not have any effect on the state championship series, which probably will start some time during the latter part of this month. In the meantime, most of the schools have arranged several games in order to get into shape for the forthcoming elimination series.

Don't become despondent—try Dr. Leonhardt's HEM-ROID—no greasy salves—no cutting—a harmless remedy that is guaranteed to quickly banish all misery or costs nothing. Joe Anderson's Drug Store. —Adv.

## The Pain of Neuritis Is Relieved

A most helpful asset in fighting the persistent pains of neuritis is the new TINGLE'S LAXO ASPIRIN.

Neither a habit-forming nor a narcotic drug, it does hold great pain-defeating powers. The salicylic acid it contains quickly dissolves the many tiny blood vessels, relieving congestion and the consequent pain. The tired, irritated nerve centers are soothed and free, natural perspiration usually takes place.

The digestant contained in TINGLE'S LAXO ASPIRIN prevents the disturbance of digestion which so frequently follows the use of ordinary aspirin. The laxative qualities bring about a more effective remedy. These cleanse the body of the waste poisons that are at the root of the whole matter—the real cause of the intense pain.

Each of the ingredients in TINGLE'S LAXO ASPIRIN performs a definite, helpful work toward bringing about absolute relief. That is why you should ask for TINGLE'S LAXO ASPIRIN, the improved aspirin with the three points:

- It's absorbed easily.
- It relieves pain quickly.
- It's a gentle laxative.
