No Heartburn From This New Aspirin

Many folks terrorized with headaches fear to seek relief in aspirin because of flatulence or heartburn afterward.

TINGLE'S LAXO ASPIRIN is the only aspirin which contains the finest quality of aspirin plus new qualities which counteract the discomfort that often follows the taking of pure aspirin alone.

A mild digestant has been added as well as a gentle laxative. These two combine to effectively remedy the cause of the pain. The laxative aids in removing body poisons which when pent up in the system, cause discomfort and oftentimes severe pain.

TINGLE'S LAXO ASPIRIN is the scientific product of eminent chemists whose work is endorsed by leading physicians. Be sure to ask for TINGLE'S LAXO ASPIRIN, the aspirin with the three points:

- It is absorbed easily
- It relieves pain quickly
- It is a gentle laxative

Warm Time Is Predicted In Race For Senate In State

RALEIGH, Nov. 28.—Political developments of the past week, which were reviewed when the Democracy of the State assembled around a Yarrowborough banquet table, have as much if not more to do with the selection of a couple of United States Senators than they do with nominating the democratic candidate for governor in 1924. So goes current gossip.

All of which, of course, presupposes that the Democratic party will remain the dominant party at least for four years, to be elected in 1924 at the same time the next governor is crowned by the ballot; another comes before the people in 1926.

Angus Wilton McLean, of Lumberport and Josiah William Bailey, of Raleigh, are not the only two people directly interested in the primaries of June, 1924. Josephus Daniels, Cameron Morrison, Furnifold McLendon Simmons and Clyde Roark Hoey, of Shelby, have an interest in the pri-

IF SICK TODAY! TAKE NO CALOMEL

"Dodson's Liver Tone" Straightens You Up Better Than Salivating, Dangerous Calomel and Doesn't Upset You—Don't Lose a Day's Work—Read Guarantee

I discovered a vegetable compound that does the work of dangerous, sickening calomel and I want every reader of this paper to buy a bottle for a few cents and if it doesn't straighten you up better and quicker than salivating calomel just go back to the store and get your money back. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your thirty feet of bowels of the sour bile and constipation poison which is clogging your system and making you feel miserable. I guarantee that one spoonful of this harmless liquid liver medicine will relieve the headache, biliousness,

MOTHER! MOVE CHILD'S BOWELS

"California Fig Syrup" is Child's Best Laxative

Hurry mother! Even a cross, sick child loves the "fruity" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful today may prevent a sick child tomorrow. If constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath

point or at the fall of the people. Mr. Daniels would succeed Senator Simmons by appointment or, if the call is strong enough, would take it by the preponderance of the ballots cast in the primary of 1924.

Daniels Hardly a Candidate
But things right now haven't shaped themselves so that Mr. Daniels can be counted a candidate against Senator Simmons for the nomination. It is most unlikely that he will be, but by the same token it is unlikely that Mr. Simmons will take any hand in the Bailey-McLean fight.

If "the Senator" were to say that he intended to vote for Mr. McLean, as he said in 1920 he intended to vote for Mr. Morrison, that would be the signal for the Bailey, Hoey and they would turn first to Josephus Daniels.

In the Western district, where the Senatorship is not an issue until the primary of 1926, provided Senator Overman remains in good health, the situation is different.

Morrison Backing McLean
There is the possibility that Senator Overman's health will not permit him remaining in the Senate and this statement lends weight to the view of putting the junior Senator in the hospital either. It is a political contingency to which practically every man who is discussing politics now looks. Should Senator Overman retire before the primary of 1926, and should Mr. McLean be elected in 1924, Mr. Morrison would, undoubtedly, be the Senator from the West.

The blessing of Mr. Watts has been conferred on this arrangement. Presently, Mr. Watts is supporting Mr. Mc-
