INTERESTING MEETING OF DIRECTORS OF THE CHAMBER LAST NIGHT

Number of Important Matters Were Taken Up For Discussion at Session. FINE REPORTS Effort Will Be Made To Get Dr. Daniels To Speak At the Annual Meeting.

The annual meeting of the Board of Directors of the Chamber of Commerce, held last night at the Gaston Hotel, an interesting report of activities during the past month was made and plans were discussed for holding the annual meeting of the Chamber which probably will take place on January 16, or thereabouts.

Several interesting talks were made at last night's meeting, among them being the address by Harry M. Jacobs, who told of a continuing work which had been carried on during the past month. He called attention to the subscription of \$250,000 Building and Loan stock which had taken place recently, and added that applications for loans covering the construction of twenty new homes in New Bern had been received.

Plan for Annual Meeting One of the principal matters brought up by the directors was a discussion of the annual meeting of the Chamber, which as usual, will be in the form of a banquet. It is understood that an effort will be made to have Dr. Daniels, of Clemson College, speak here again. Dr. Daniels was the principal speaker at last year's meeting and was most enthusiastically received. Few speeches have ever been heard in New Bern better than that which was delivered by Dr. Daniels. The people here unquestionably will be very glad to hear him again.

A committee, composed of W. W. Griffin, O. W. Lane and C. C. Kirkpatrick was appointed to make arrangements for the annual meeting. The question of a state-owned boat line also came before the meeting and it was voted that the Chamber do everything within its power to assist Governor Morrison in securing this project. The directors again instructed the secretary to get as many letters of endorsement from local business men as possible to send to the Governor in this connection.

To Hold Annual Bazaar The annual bazaar of the Ladies' Guild of Christ Church Parish will be held Tuesday, December 5, starting at 1 o'clock at the Parish House. Many Christmas gift suggestions will be on sale and the ladies hope to make this the most successful bazaar which ever has been held by them.

COUZINS HAS BEEN CHOSEN FOR SENATOR

Was Appointed Today by Governor of Michigan To Succeed Truman H. Newberry

(By Associated Press) LANSING, Mich., Nov. 29.—Mayor James A. Couzins, of Detroit, was appointed by Governor Aleck J. Grosbeck as U. S. Senator from Michigan to fill the unexpired term of former Senator Truman H. Newberry, who resigned recently. Mayor Couzins has accepted the appointment, the Governor announced.

Mr. Couzins becomes senator, with net of six string attached, the Governor said. He made no promises. Lapsed from the Detroit mayor to the senator in political circles as a "flying" senator, he is generally accepted as a candidate for the full term.

All the members and the public generally are invited to be present. The annual Thanksgiving offering for the orphanage will be taken. Our custom is to give one day's work or profits to the orphanage. Any member who cannot be present will please send their offering or bring it next Sunday with relatives.

SUN-JOURNAL WILL TAKE A HOLIDAY No issue of the Sun-Journal will be published tomorrow afternoon. In order that members of the newspaper's forces may be able to enjoy the Thanksgiving holiday together with the rest of New Bern's business institutions. The Sun-Journal wishes for its readers a most enjoyable Thanksgiving Day. The next issue of the paper will appear on Friday afternoon and will carry the news of New Bern's victory over Sanford.

RADIO MESSAGE FROM NEW BERN HEARD ABROAD

Operator at Manchester, England, Caught Signals From Albert Parker's Station LOCAL RADIO MAN IS BEING CONGRATULATED Officials of American Radio Relay League Commend Him For His Splendid Work

During the course of a preliminary test on the night of November 19, an English amateur radio station, located at Manchester, England, heard a message from Albert Parker, of New Bern, according to word received here by Mr. Parker this morning from the American Radio Relay League. The test was made by amateur stations all over the United States as preliminary to the trans-Atlantic contest to be held next month. All stations whose signals were heard for a distance of 1200 miles, are eligible to take part in this contest. The British station had no part to play in the preliminary trials; it merely listened in to see whether it could hear anything from America. Of the hundreds of stations which participated in the trials, the Englishman caught the signals from twenty-four Americans and Mr. Parker's was among the list.

Mr. Parker is the pioneer of radio in New Bern and he now has one of the best equipped amateur stations in the country. During the last few months he has made material improvements and changes in his sending and receiving apparatus. He reported today telegrams of congratulations over his feat from W. T. Grively, manager of the Roanoke Division of the American Radio Relay League, and also from other officials of the league. His achievement will be a record which will be duplicated in the country which will be able to duplicate.
