"No More Ruined Shirtwaists for Me," said Mrs. Southlee

"I've discovered a most wonderful water softener" A group of young housewives were discussing water softeners. One said that her clothes had been fairly eaten to ribbons by patent washing fluids and chemicals.

"No more of that in my home," said Mrs. Southlee. "I've discovered a most wonderful water softener that does not harm the fabric. My maid says it makes the washing easier than anything she has ever used. She just dissolves a 1/2 teaspoonful of Red Seal Lye in each bucket of water. This softens the water, and makes the clothes snowy white. She uses less soap too."

Sumner preaching an especially inspiring sermon. In the meantime, Rev. J. A. Vache preached at the Presbyterian church at Croatan.
