Fans Are Urged To Turn Out For Games

The New Bern Y. M. C. A. basketball team is making a fine record this season. Defeated in their first game, they have come back strong and are beating everything they have gone up against since.

Saturday night they met Morehead City on the local court and took the game by a 41-28 score. The team showed up in splendid form and the outcome of the game was never in doubt.

Secretary Beemer Harrell has received letters from a number of towns in this section, asking for games. He is ready to arrange the contests but feels that unless the fans take a great

of interest in the sport, a financial loss will be entailed. The attendance thus far has been very poor and comparatively little interest has been shown in the results of the game. The admission fund has been insufficient to even pay the expenses of the visiting teams.

It is hoped that local fans will come out in larger numbers to see the pastime. They'll find plenty of fun and excitement and they'll enjoy the games thoroughly.

Games are now pending with Wilmington, Washington and other towns in this section. It is expected that another contest will take place here on Saturday night.

High School Team Has Begun Regular Practice

With the final championship game to be played Saturday afternoon at Chapel Hill against Asheville, New Bern High School team today will get down to hard practice in anticipation of the struggle.

For the past ten days the team has been idle. The attention of both players and coaches has been devoted to fire relief work. Today, however, having done everything that it was possible for them to do in the way of assisting the homeless, they are going to get down to work and do some hard training for the balance of the week.

The game was to have been played last week, but due to the fire here, Asheville consented to a postponement of the date. Director Rankin fixed Saturday as the day on which the game should be played.

Asheville has a splendid team. Their line is said to be particularly good. However, the locals aren't worrying. They believe that they are going to win Saturday and they are determined to give their every effort to bring the state championship to New Bern.

Satisfactory Progress Made For The Olympic

NEW YORK, Dec. 11.—Satisfactory progress in the preparations for holding the Olympic games at Paris in 1924 is reported in a review received by the American Olympic committee here today. Albert Geiger, Jr., chairman of the Boston A. A. athletic committee, who went abroad some weeks ago to investigate conditions from an American team standpoint, said that work on both the stadium and tracks was well advanced.

In his preliminary communication to Frederick W. Reubien, secretary of the A. O. A., Mr. Geiger stated that main running track in the Columbus stadium had been completed and promised to be exceptionally fast by the summer of 1924. Another 18 months of rolling and top dressing with later setting and hardening will, in his opinion, provide the fastest track ever prepared for Olympic competitors and far superior to the track at Antwerp in 1920 which was not finished until after the team arrived.

No preliminary practice will be permitted upon the Columbus track. A special soft dirt track is being constructed inside the Olympic track and all the training work will be confined to this course in order to leave the main track in good shape for the actual competitions.

Reporting on the probable housing situation for the American team Geiger expressed the opinion that the proposed system of small houses to be constructed for the visiting teams would not prove satisfactory from an American point of view. He advised the hiring of a quiet, select family hotel within 15 or 20 minutes ride of the stadium to be given over entirely to the United States competitors. He cited several desirable sites both in Paris and the suburbs, especially Neuilly.

Citing French athletic activities preparations he mentioned that the French figure and speed skaters, as well as hockey players might be expected to make an excellent showing. The ice skating event which will open the eight Olympiad at Chamonic, Switzerland, in January, 1924, swimming is also making rapid progress in France and the new natatorium, at the sporting club of France is stated to be one of the best in the world, comparing favorably with any in the United States.

RECEIVE DEATH SENTENCE FOR THE SLAYING OF MAN

(By Associated Press.)

LONDON, Dec. 11.—Frederick Bywaters and Mrs. Edith Thompson were found guilty of the murder of Mrs. Thompson's husband, Percy Thompson, by a jury in Old Bailey today and both were immediately afterwards sentenced to death.

RULES CHANGE IN BASKETBALL

Quite A Number of Important Changes in Rules Have Been Made This Year

CHOICE.
How is the choice of baskets determined?
It is always customary for the visiting team to have the choice of baskets in the first half. In the second half the team changes baskets, so there is really no advantage.

SUBSTITUTE.
When a substitute goes into the game what formality must be gone through?
He must report to the scorers and be recognized by the referee. He cannot communicate with any player until play has been resumed.

DEAD BALL.
If in making a throw for the basket the ball becomes lodged in the supports, how must the ball be put in play, under the basket or in the center circle?
The ball shall be put in play in the center circle.

BLOCKING.
What is blocking?
Blocking is impeding the progress of an opponent who has not the ball.

FOLLS.
What is the difference between a technical and a personal foul?
A technical foul does not involve personal contact, while a personal foul, blocks, trips, pushes or in any other form of unnecessary roughness.

Sally, Irene and Molly.
Mr. Lloyd Johnston under whose direction the production of "Sally, Irene and Molly," was made, is the Miracle Man in this case. He is revealed in an entirely new light, as an impresario with new artistic ideals and ability to realize them. Those ideals concern the public, the taste of the day, and the spirit of the times.

He has given one of the most beautiful settings ever seen in a musical show, the most significant costuming and pictorial effects. He has given one of the best singing and acting casts ever provided, a cast in which every individual member shines.

The right to use the slogan "The most beautiful woman in the world" in referring to the "Sally, Irene and Molly" chorus is undisputed by the able group. A more kissable, agile and charming body of girls has never been brought together in any production.

"Sally, Irene and Molly" is announced as the attraction at the Show Shop next Friday night. The local management announce that no more than six seats will be sold to any one person.

Our idea of a good time is sitting around wondering how tired we would get if we were not too lazy.
