# EXPECT MARKET VALUE OF LIB-ERTY BONDS TO INCREASE

increase in the market value of Liberty bonds and the maintenance of an interest rate not greater than 4% per cent on future issues of government certificates are expected in treasury circles to result from the excellent conditions of the government's fiscal program. With the rate on new government securities being reduced Liberty bonds, paying a higher return, began to mountain price, the advance being helped by Secretary Glass' recent statement that the turn in war financing has come. Since Liberty bonds in many cases can be bought so as to pay 5 per cent on the investment, purchases have increased materially, leading to the belief that they have reached their lowest levels and will enhance in price from now

# REPRESENTATIVES OF ALL PAR-TIES URGE RATIFICATION

Two hundred and fifty Republicans. Democrats and Socialists of national prominence, representing forty States, have signed an address to the United tates Senate urging ratificatio nof the peace treaty "without placards n out the St was made public by the league to privy law: enforce peace, after a copy had been sent to every Senator. The signers includ former President Taft, George W. Wickersham, Dr. A. Lawrence Lowell, president of Harvard; Samuel Gompers, president of the American Federation of Labor; Mrs. Carrie Chapman Catt, president of the American Woman Suffrage Association; Heber J. Grant, president of the Mormon Church, and John Spargo, leader of the group of Socialists who supported the war.

### UNCLE SAM WILL HOLD MEXICO RESPONSIBLE

Advised that the Mexican govern-ment has instructed its consuls to refuse to vise passports of American citizens going to certain districts of State board of alth. Mexico unless these Americans waive the responsibility of the Mexican government for any physical injury which might result, the state department telegraphed to the American consul at Tampico that any such waiver would not operate to interfere in the slightest with the obligation of the United States to protect CHRISTI GROWS STEADILY its citizens under international law. Acting Secretary Phillips made plain in the message that Americans complying with the waiver requirements of the storm at Corpus Christi, Tex. would in no way lose for them the protection fo this government.

TOURNAMENT SCENE, FIRST CALDWELL COUNTY FAIR

EFFECT OCT. 1 The following is a sample of the placards now being posted throughout the State regarding the sanitary

"Chapter 71, Sec. 2, Public Laws of 1919, reads as follows:

"No person shall maintain or use a residence within three hundred yards of another residence that is not provided with sewerage, with septic tanks approved by the North Cardent Wilson and ex-President Taft olina State board of health, or with a were backing the league of nations, sanitary privy which complies in construction and maintenance with the rements of this act."

vou live within three hundred yard. ' anyone else you must have a sani my privy by Oct. 1919. This beating swords into plowshares. The forced with energy. Be notice will be preparei privies s. . . . special privy be" furnished 1000

"We have 'ward ! ple will take the vaccine and · we can practihave sanitary prime we can practi-cally abolish the dreaded filth disease typhoid fever, as well as other diseases, such as dysentery.'

Recovery of additional bodies along the north shore of Nueces bay brought the known dead as a result to over 400, and caused fears that the total death roll might reach double that number. The property damage will exceed \$20,000,000, according to estimates. News filtering More than 1,300 German sailors in- in from the surrounding country,

to Hoboken and were to sail from there yesterday. Of the 1,384 Germans at Fort McPherson about 200 have applied for citizenship papers. The applications have been forward-the applications have been forward-the within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of former within two weeks will receive a demand for the extradition of the extradition within two weeks will receive a demand for the extradition of the extradition of the extradition within two weeks will be a demand for the extradition of the extrad mand for the extradition of former tives Wednesday afternoon specifical ed to Washington, but as far as can Emperor William on behalf of the ly rejected the Susan B. Anthony sufbe learned no action has been taken allies, according to a dispatch from there.

### NEW STATE SANITARY LAW IN LEAGUE OF NATIONS USED AS SWINDLING SCHEME

unique stock swindling scheme has just been unearthed. Stock is being sold in the league of nations. A prominent woman reported to the poice in Birmingham, Ala., that she had bought two shares of stock in the league of nations "without reserva-tions." A woman came to her home saying her name was Sarah Benson a company organized for the purpose of buying all material used in war by different nations and would make it over into farm implements.

prominer, lady agreed to take two

The saleslady took her name, ing that stock with reservations was \$60 a share; that without reservations was \$64.50. When the purchaser's husband came home he was first amazed and then burst into a laugh. He explained the league of nations and then reported the matter to the police.

### EX-KAISER'S KITCHEN GOES TO

SMITHSONIAN INSTITUTE To the collection of war trophies which the Smithsonian Institution is now gathering will be added shortly the field kitchen of William Hohenzollern, late kaiser of Germany. German prisoners of war last week loaded the kitchen-which is said to be a ington with a large collection of war materials of different kinds. kitchen followed the kaiser all over Europe while the war was on, to all of the fighting fronts which he visited, but shows no signs of damage, which is taken to indicate that it kept The Dutch minister in Paris has as far to the rear as did its imperial
