#### GRANITE FALLS

"College night" was observed by the Granite Falls Methodist church Sunday might, Sept. 5, when about 300 people enjoyed the following program:

Song by college students, "Awakening Chorus."

Prayer by the pastor.

Welcome address, Estelle Warlick. College songs, Trinity, University for Women, and Meredith.

College Spirit, D. S. Walker. The Y. W. C. A., Nina Hickman. Reading, Mattie Lou Russell. Reading, Mattie Lou Russell. Quartette, Allen, Walker, Russell

College Athletics, Ivey Cline.
Student Government, Ruth Tilly.
College songs, North Carolina for
Women, Vanderbilt, Davenport and Warlick

Working One's Way Through College, Prof. Andrews.

The purpose of the above program was to inspire the young people to go to college. The program was rendered in a most commendable and interesting way. Each student proved the effects of college training in the preparation and delivery of his and her speeches. Even their own par-

ents were surprised that they "could speak like that." The audience responded to a nuestionnaire with the following results: How many here have attended any

college? Answer, 43. How many would like to attend some college? Answer, 41.

What college is your preference?

Davenport, 5; Rutherford, 5; Greensboro College, 5; University of North Carolina, 7; Trinity, 10; North Carolina, 7; olina College for Women, 3; ten of the 41 indicated that they had not de-

# Silent ALAN

Selecting an electric light and power plant is a serious proposition. You should know how to do it wisely. You know, for instance, that the engine is the most vital part of any plant and that severe vibration which racks the engine to pieces is a menace always to be avoided.

#### No Vibration-No Noise

The Silent Alamo has a noiseless sleeve valve motor. It is the most efficient and quietest running type of motor ever built. In addition, there is no dangerous vibration in the Silent Alamo. Thus the efficiency of the motor is maintained, and steady, reliable service assured,
