HEATH RESTORED

"My horse was so run down and I thought he would die. After feeding him Dr. LeGear's Stock Powders he is now as good as new and is now as good looking a horse as there is in this section." J. C. Pate, Ragsdale, Wayne, Va.

Dr. LeGear's Stock Powders built up the body, a healthy muscular covering of skin, hair, and hoofs, insure more meat with less feed from your hogs, sheep and cattle, and help your cows produce more and richer milk.

Mr. Hester's small expenditure saved him the price of a horse. Dr. LeGear can also help you. For 28 years as a Veterinary Surgeon and Expert Coultry Breeder he has devoted himself to the compounding of remedies for ailments of stock and poultry. Whenever you have an ailment among your stock or poultry get the proper Dr. LeGear Remedy from your dealer. It must satisfy you or your money will be refunded. Advertisement.
