MAY RAISE FUND AS MEMORIAL TO WILSON

The nation-wide tribute to Woodrow Wilson which has been proposed by a number of his admirers probably will take the form of a \$500,000 fund to be contributed in small amounts, the interest on which will be devoted to rewarding the one who during the year has done the greatest service to humanity, says a New York dispatch.

The nature of the service for which the award will be made, it was announced, is to be defined by Mr. Wilson, who has been informed of the project and who is said to have expressed himself as deeply appreciative of the honor paid him and of the purpose for which the money is to be used.

The idea originated with women admirers of Mr. Wilson, who worked in the last campaign to gain support for the league of nations. The proposed fund at 5 per cent would yield \$25,000 a year, and would be awarded by a jury. It would compare favorably with a Nobel peace prize, which amounts ordinarily to \$10,000 a year.

It is when a man makes out his income tax return that he wishes he had given more to charity.—Toledo Blade.

RHEUMATISM

Physician Believes a Real Remedy for the Disease Has Been Found

Rheuma, the wonderful rheumatism remedy sold by druggists everywhere, gives quicker and more lasting relief than other remedies costing many times as much.

Rheuma helps pass the deadly poisonous secretions into the bowels and kidneys, from which they are quickly thrown off in a natural, healthy way. Read what a reputable physician says about Rheuma: "I have made a most careful investigation of the formula employed in the manufacture of Rheuma, and I heartily recommend it as a remedy for all forms of rheumatism. I find Rheuma far in advance of the methods generally employed in the treatment of rheumatism, and altogether different in composition from the remedies usually prescribed."—Dr. M. C. Lyons.

This should give any sufferer from rheumatism confidence to try Rheuma. Ballew's Cash Pharmacy will supply you and guarantee money refunded if Rheuma does not give complete and lasting relief.

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a heavy head, bad breath and tongue is coated, if your head is dull or aching, if you eat sour and forms gas, if you have indigestion, or you are often constipated, nervous, sallow and out of spirits, drink just right, begin drinking hot water before breakfast. Buy a glass of hot water with a glass of phosphate of soda. This will wash the poisons and toxins from your stomach, kidneys and bowels, and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.

To feel like young folks feel: like you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is not unpleasant.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headachy or have a "stomach" disorder should begin the inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sulphur and Nobody Will know.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks swear by this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

GLASS OF SALTS IF YOUR KIDNEYS HURT

Eat less meat if you feel Backache or have Bladder trouble—Salts are for Kidneys.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.
