

THE THERMAL BELTS

(Charlotte Observer) The destruction of fruit in the western counties by the recent freeze will serve to bring into prominence the almost forgotten circumstance of the existence of thermal belts in the mountain sections of North Carolina.

THE COST OF ELECTRICITY ON THE FARM

(The A. B. C. of Electricity for the Farm) Electric light and power on the farm are very cheap. The average farm home uses only five cents' or ten cents' worth of electricity in a day.

Jump from Bed in Morning and Drink Hot Water

Tells why everyone should drink hot water each morning before breakfast. Why is man and woman, half the time, feeling nervous, despondent, worried; some days headachy, dull and unstrung; some days really incapacitated by illness.

LENOIR PROOF

Should Convince Every Lenoir Reader. The frank statement of a neighbor, telling the merits of a remedy, bids you pause and believe. The same endorsement by some stranger far away commands no belief at all. Here is a Lenoir case. A Lenoir citizen testifies. Read and be convinced. J. W. Suddreth, brickmason, says: "About a year ago my back was in pretty bad shape and I think the trouble was due to my work at which I have to bend over a great deal. I think Doan's Kidney Pills are the only remedy for kidney trouble as they cured me of the backache and strengthened my kidneys."

GRANDMA USED SAGE TEA TO DARKEN HAIR

She mixed Sulphur with it to Restore Color, Gloss, Youthfulness.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease.

EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a glass of Salts before breakfast if your Back hurts or Bladder bothers you.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health. When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.
