The attention of our readers is directed to the advertisement of Messrs. Brooks Son & Co., which appears on this page. Don't forget Brooks, Son & Co.

Mr. Jimmie Woodward, an aged and respected citizen of the Brewer's Villa neighborhood, died Sunday afternoon. Mr. Woodward had been in bad health for several weeks. Sunday morning he was taken suddenly ill, and fell while walking across his yard. He was taken to his room, where he never regained consciousness before passing into the eternal beyond. He leaves an aged sister and a few distant relatives.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy, and find it to be a great medicine," says Mr. E. S. Phipps, of Poteau, Ark. "It cured me of bloody flux. I cannot speak too highly of it." This remedy always wins the good opinion, if not praise, of those who use it. The quick cure which it effects even in the most severe cases makes it a favorite everywhere. For sale by M. C. Yarboro & Co.

Negro Killed at Springhope.

Last Saturday at Springhope a colored man named Ashley Woodard attempted to board a moving train. Woodard missed his hold and fell under the cars, the wheels passing over his legs and hand, terribly mauling him. Medical aid was soon given him, and while the doctors were amputating his legs Woodard died. It was first reported that Woodard was a railroad employe, but we learn that he was in no way connected with the road, and was only attempting to get a ride.

A CUTTING AFFAIR.

On last Saturday morning Mr. H. Price, a clerk at Arrington & Bissette's, while busy waiting on some customers, was approached by his cousin, Mr. L. Price, and after a heated debate about the great reduction in the price of goods at Arrington & Bissette's Mr. Low Price knocked out his cousin, Mr. High Price, and Low Prices have reigned since at that store.

SPIKE ON THE TRACK.

Passenger Train Wrecked on Atlantic Coast Line.

The North bound passenger train on the Atlantic Coast Line was wrecked Saturday afternoon a few miles south of Fayetteville, beyond Hope Hill, caused by a spike tied on the rail with a handkerchief. The engine jumped the track and ran into a sand bank, turned entirely around and baggage and mail cars piled on top. Capt. McGowan received painful injuries, also the colored fireman. Postal Agent Craft and a lady passenger were hurt, but none fatally except McGowan, who will probably die. Passengers were taken to Fayetteville by a train from this side. The track was blocked and travel delayed several hours. Diligent search with blood-hounds was at once instituted for the perpetrators of the deed, but no arrests have as yet been made.

Finch Items.

The election passed off quietly here. Carr carried this township by sixty-three majority.

Mr. W. R. Robertson has recently had his residence plastered and made other improvements, all of which add to its comfort and beauty. Mr. N. L. Strickland will soon move his saw mill to Mr. S. H. Brantley's gin, after which it will be known as Brantley & Strickland's mill.

The members of Flood's Chapel Church are to be congratulated on their large new bell for the church, and on the other improvements being made for the comfort and convenience of the congregation.

We are sorry to note that Mr. W. H. Brantley is confined to his room with typhoid fever. His condition is good, however, and his many friends hope to see him out again soon.

Last Wednesday evening at the residence of the bride's father, G. B. Winstead, Mr. Alpheus Finch and Miss Mandy Winstead were united in marriage, J. F. Brantley, Esq., officiating. We extend our heartiest congratulations and best wishes for long and continued happiness.

Stanhope High School now numbers about one hundred pupils, and the number is constantly increasing. A music department has been added under the efficient management of Mrs. C. O. B. Finch.

PARALYZED BY KINDNESS.

On Monday afternoon an old gentleman, wishing to make a few purchases, walked into Brooks, Son & Co.'s store, and after receiving the usual attention accorded to customers by clerks in that establishment, he remarked: "Gentlemen, I am paralyzed by kindness."

"Theodore," asked the Sunday-school superintendent of an eight-year-old Bible student, "what was the name of Moses' mother?" "Jochebed," answered Theodore. "Very good. Now, will you tell me the name of Moses' father?" Theodore wrinkled his brows a moment. "I don't know," he began, doubtfully; then he went on brightly: "Bible don't say, I guess she must o' been a widow." - Judge.

A Village Blacksmith Saved His Little Son's Life.

Mr. H. H. Black, the well-known village blacksmith at Grahamsville, Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to croup, and so bad have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucous and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by M. C. Yarboro & Co.

Now that the Dewey Arch is being used to advertise patent medicines, it is high time it was coming down.

Spreads Like Wildfire.

When things are "the best" they become "the best selling." Abraham Hare, a leading druggist, of Belleville, O., writes: "Electric Bitters are the best selling bitters I have handled in 20 years." You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudes of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly run-down man or woman. Price 50 cents. Sold by M. C. Yarboro & Co. druggists.

A good many of the young people who are contemplating matrimony would do well to keep right on contemplating it for at least three or four years longer.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by Druggists and Dealers.
