THINGS WE NEED.

There are many important things which bear on the general progress of Nash county that should not fail to come to the attention of her representatives in the next general assembly, and the people throughout the entire county should urge upon Representative Ricks, when that august body shall have assembled, the importance and need of such a law as will allow Nash county to work her own convicts on her own public roads, instead of their being assigned to neighboring counties. While it is true we have many miles of badly constructed roads and probably many years may be needed in which to better their condition, yet with the proper discretion there are many sections which could be greatly benefited by the use of convicts.

Let Nash fall into line after her sister counties and ere many years have passed the people will wonder at their negligence of this matter so many years.

Give Nash county a road law, first, then examine into her many other needs.

EMPTY COMPLIMENTS.

Several of the local merchants frequently enter THE GRAPHIC office and say "you have the nicest and most complete office in this section of the State," etc. While the management appreciate such remarks, still they convey nothing calculated to help swell an overdrawn bank account. Instead of trying to feed the editor and those dependent upon his efforts with flattery, it would be far more becoming in you, gentlemen, and surely one tending to better existing conditions, if each one of you appreciated THE GRAPHIC enough to accord it even a small share of the patronage you surely are able to give. In laboring for the interest of Nashville your interests have not been neglected, and you have directly or indirectly profited by our labors to that which is best for the interest of the town and all concerned.

If you appreciate the office, THE GRAPHIC and our mission, show the same by a loyal support and encouragement in such a manner as your business ability will permit. It is nothing more than your duty.

There's only one sensible way of keeping posted on the affairs of Nash county, and that is by subscribing for The Graphic.

AGAIN John C. Kilgore has "gotten his foot in it" by making serious charges against members and high officials of the various denominations. It is only a matter of a few more years when Methodism will have its "nuff" of Mr. Kilgo, "who stands twice convicted of slandering his brother members" as an exchange puts it.

Luck in Thirteen.

By sending 13 miles Wm. Spizey, of Walton Furnace, Va., got a box of Bucklen's Arnica Salve, that wholly cured a horrible Fever Sore on his leg. Nothing else could. Positively cures Bruises, Felons, Ulcers, Eruptions, Boils, Burns, Corns and Piles. Only 25c. Guaranteed by M. C. Yarboro & Co., druggists.

JAMES WILCOX is again arraigned for trial on the charge of having murdered Nellie Crosey. The motion for the removal of the case to another county is being argued before Judge Moore. It is seriously doubtful whether a fair trial could be secured in Elizabeth City. The case should be removed.

Startling, But True.

"If every one knew what a grand medicine Dr. King's New Life Pills is," writes D. H. Turner, Dempseytown, Pa., "you'd sell all you have in a day. Two weeks' use has made a new man of me." Infallible for constipation, stomach and liver troubles. 25c at M. C. Yarboro & Co.'s drug store.

WHATEVER improvement is contemplated for the court house square, the placing of rock curbing should be done, unless a neat iron fence is erected.

Asleep Amid Flames.

Breaking into a blazing home, some fireman lately dragged the sleeping inmates from death. Francis security, and death near. It's that way when you neglect coughs and colds. Don't do it. Dr. King's New Discovery for Consumption gives perfect protection against all Throat, Chest and Lung Troubles. Keep it near, and avoid suffering, death and doctor's bills. A teaspoonful stops a late cough, persistent use the most stubborn. Harmless and nice tasting, its guaranteed to satisfy by M. C. Yarboro & Co. Price 50cets and \$1.00. Trial bottles free.

THE GRAPHIC for the remainder of this year and all of 1903 for \$1. Can you afford to miss it?

Stepped Against a Hot Stove.

A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which scalded him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Kellar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by M. C. Yarboro & Co.

No intelligent man in Nash county can afford to miss receiving THE GRAPHIC each week.

Wanted.

We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower for the cure of Indigestion, Dyspepsia, and Liver Troubles that has not been cured—in fact, we also mean their results, such as sour stomach, fermentation of food, habitual constiveness, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact, any trouble connected with the stomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try one bottle first. We have never known of its failing. If so, something more serious is the matter with you. Ask your oldest druggist.

G. G. GANN, Woodbury, N. J.

A Startling Surprise.

Very few could believe in looking at A. T. Hoadley, a healthy, robust blacksmith of Tilden, Ind., that for ten years he suffered such tortures from Rheumatism as few could endure and live. But a wonderful change followed his taking Electric Bitters. "Two bottles wholly cured me," he writes, "and I have not felt a twinge in over a year." They regulate the Kidneys, purify the blood and cure Rheumatism, Neuralgia, Nervousness, improve digestion and give perfect health. Try them. Only 50cets, at M. C. Yarboro & Co.'s drug store.

THE FORD'S BLACK-DRAUGHT THE ORIGINAL LIVER MEDICINE

A sallow complexion, dizziness, biliousness and a coated tongue are common indications of liver and kidney diseases. Stomach and bowel troubles, severe as they are, give immediate warning by pain, but liver and kidney troubles, though less painful at the start, are much harder to cure. The Ford's Black-Draught never fails to benefit diseased liver and weakened kidneys. It stirs up the torpid liver to throw off the germs of fever and ague. It is a certain preventive of cholera and Bright's disease of the kidneys. With kidneys reinforced by The Ford's Black-Draught thousands of persons have dwelt immune in the midst of yellow fever. Many families live in perfect health and have no other doctor than The Ford's Black-Draught. It is always on hand for use in an emergency and saves many expensive calls of a doctor.

Fullin, S. C., March 10, 1891. I have used The Ford's Black-Draught for three years and have not had to call a doctor since I have been taking it. It is the best medicine for me that I have ever used. I have used it for liver and kidney troubles and dyspepsia and other ailments. Rev. A. G. LEWIS.
