The Price of Pork

If you are raising meat to sell, it will probably turn you out more to sell the hogs whole in pork from the gallows. This is more important if the hogs are small as the loss by shrinkage is considerable in small meat.

Good For The Drummer.

A fifteen-year-old girl in a neighboring town, who was in the habit of meeting the train and flirting with train men, succeeded recently in landing a beau. She gaily consented when he asked to walk home with her.

Little Helps

Before putting the dishes in the pan, or pouring water in the cooking vessels, wipe off all grease and smear from the plates with soft old paper and burn the paper; use paper to clean the grease from the skillet and frying kettle.

Escaped With His Life.

"Twenty-one years ago I faced an awful death," writes H. B. Martin, Post-Harmon, S. C. "Doctors said I had consumption and the dreadful cure I had looked like it, sure. I felt everything I could hear of, but I was not to be deterred. I had a friend in Georgia who could give me a cure, and I went to him.

The Columbia State spoke a parable when it said some days ago: 'If the Carolinas and Georgia would carry their own insurance risks for ten years, there would be at the end of that time banks in them will able to finance a twenty or forty million dollar railroad project.' - News and Observer.

Instead of worrying over things you fear may happen, try rejoicing over things you hope will happen.

What has become of the dear old ladies who used to tie their spectacles on with a string?

Kill More Than Wild Beast.

The number of people killed yearly by wild beasts don't approach the vast number killed by disease germ. No life is safe from their attack. They're in air, water, dust, even food. But grand protection is afforded by Electric Bitters, which expel and destroy these deadly disease germs from the system. That's why chills, fever and ague, all malarial and many blood diseases yield to this wonderful blood purifier. Try them and enjoy the glorious health and new strength they'll give you. Money back if not satisfied. Only 50c at Nashville Drug Co.
