The Best Cough Medicine.

When a druggist finds that his customers all speak well of a certain preparation, he forms a good opinion of it and when in need of such a medicine is almost certain to use it himself and in his family. This is why so many druggists use and recommend Chamberlain's Cough Remedy. J. B. Jones, a well known druggist of Auburn, Ky., says, "I have used Chamberlain's Cough Remedy in my family for the past several years, and have found it to be the best cough medicine I have ever used."
