VETERANS' REUNION AT ROCKY MOUNT

Annual Event Takes Place In Railroad City August 5th to 7th.—Will Be Largely Attended By "Vets."

General James I. Metts, commander in chief of the North Carolina division of the United Confederate Veterans, has just issued orders for the annual encampment of the heroes of '61-65 to be held this year at Rocky Mount, August 5-7.

"Par. 1. It is very gratifying to announce that the city of Rocky Mount backed by the U. D. C. chapter and the various commercial bodies of that city extend to the North Carolina division, United Confederate Veterans, a most cordial invitation to hold their 1919 reunion in Rocky Mount, August 5-7.

"Par. 2. The citizens generally of Rocky Mount are exerting themselves to give the veterans a glorious time and it is earnestly desired that a full representation of veterans will avail themselves of the pleasure which usually attend these reunions.

"Par. 3. According to the laws of the U. C. V. no camp can have representation unless their annual dues have been paid to General W. E. Mickie, 824 Commerce Street, New Orleans.

"Par. 4. Provisions will be made for those unable to pay board and lodging. Cots will be furnished but the 'Vets' must bring their blankets.

"Par. 5. The railroad administration has authorized rate of 3 cents per mile in each direction for state reunion of the U. C. V., the rate to be available only to members of the U. C. V. and members of their families...

TOBACCO CROP IN NASH SUFFER BADLY

Heavy Rains, Hot Sultry Weather And Labor Conditions Make Situation Very Serious For Growers.

It is impossible to estimate the damage tobacco farmers have sustained within the past week on account of the excessive rains followed by hot sultry weather, which caused tobacco to flop in the fields and burn up before many farmers could make any appreciable showing in gathering the crop.

The labor situation has been another factor that has contributed largely to their losses. Besides being scarce, in some sections of the county field laborers have organized and adopted a scale of wages ranging from \$2.50 per day for children up to \$5.00, \$6.00 and \$7.00 per day.

WORK WELL UNDER WAY

Names of The Various Township Field Workers Will Be Announced Next Week By Supervisor Cornwell.

County Auditor John L. Cornwell, who is supervisor of the work involving a re-valuation of all the real and personal property under the legislation enacted by the last General Assembly, set to work this week mailing questionnaires to property owners.

The first questions have been mailed to the property owners residing in Coopers Township and each person receiving the questionnaire is expected to promptly fill out same and have in readiness for the field workers, who will call within the next few days, take up the questionnaires and secure such other data as will enable them to handle this important question with justice and fairness to all concerned.

It is expected the field workers will complete their personal canvass by Friday, July 25th. Then the questionnaires will be sent to land owners in another township until every township in the county has been covered.

Blank for Listing Land Acreage.

The purpose of this blank is to disclose the fair, actual cash value of the tract of land listed. It carries the guarantee of the state that the purpose is not to increase the total amount of taxes paid, but to find the value of each separate piece of property equally, and by the same standard rule, so that equal justice may be done to each taxpayer.

If so, what is the estimated value of such timber?

GRAPPLING WITH THE BRIDGE SITUATION

County Board of Commissioners Meet To Discuss Situation Devise Plans For Bridge-Building Campaign

The Board of County Commissioners met in special session on Monday the prime object of the meeting being for the purpose of considering the bridge question which, on account of the heavy rains and terribly swollen streams throughout the county has entailed quite a bit of destruction to county property which will aggregate approximately fifty thousand dollars or more.

Reports from all sections of the county show that many bridges, some large and some small, have been either swept away entirely or have been badly damaged, and it will require some time before they may be permanently re-built, while many of them are being temporarily repaired in order that travel may be resumed.

The scarcity of experienced bridge builders and labor also contribute to the annoyance of the situation, however the Board has taken steps to try to meet the situation, as early as possible. It is quite likely that on next Monday, their regular meeting day, they will take up the proposition of letting contracts for several steel, or re-inforced concrete bridges in some sections of the county where the bridge problem has been a somewhat perplexing as well as expensive proposition to the county.

At a recent meeting of the Board the contract was closed for the erection of a re-inforced concrete bridge across Stony Creek, on the Nashville to Castalia road and the Board also considered the proposal of the bridge people to erect a similar bridge over the same creek on the Red Oak road. While the Board closed a contract for only one of these bridges, it is quite likely they will give the order for the erection of two or more such bridges, to be completed as early as practicable.
