

McLEAN SWEEPS STATE BY LARGE MAJORITY

Lumberton Man Defeats Josiah William Bailey by One of Largest Votes Recorded in State

No Nominations For Four State Offices

Quite Likely a Second Primary Will be Ordered to Settle Unfiled Nominations

In all probability it will be several days before the exact figures will be obtainable giving an absolutely correct return of the election held and wherein A. W. McLean, of Lumberton, and Josiah William Bailey, of Raleigh, contested for the governorship of North Carolina.

While in the contest for the governorship greater interest was centered yet the fight for the nomination for Lieutenant Governor, State Auditor, Attorney General, Commissioner of Agriculture and Commissioner of Labor and Printing come in for their share of interest, and unless there is some agreement soon forthcoming from the candidates who ran behind for these offices, a second primary will likely be held to finally terminate things.

Latest returns from all sections of the state indicate that McLean's vote is 148,313, Bailey, 78,908 with twenty counties reporting unofficially.

For Lieutenant Governor, J. Elmer Long appears to have received 71,145; R. R. Reynolds, 60,711; T. C. Bowie, 64,621.

For Attorney General, D. G. Brummitt, 65,396; Charles Ross, 58,963; Frank Nash, 45,551.

For Commissioner of Labor and Printing, M. L. Shipman, 65,844; Frank Grist, 57,243; O. J. Peterson, 27,789; L. M. Nash, 18,290.

For Commissioner of Agriculture W. A. Graham, 79,743; Fred P. Latham, 62,756; T. B. Parker, 33,528.

For State Auditor Baxter Durham seems to have won over his opponent, Cook, while Judge Pell appears to have defeated Carpenter by an overwhelming majority.

Like-wise Stacey M. Wade, for Insurance Commissioner, received a vote of 131,250, his opponent, J. Frank Flowers, 35,697.

Nominations in Nash County.

In Nash County while much interest also centered in the race for governorship, Mr. Bailey having won over McLean by a narrow margin of 119, the greatest interest seemed to center in the contest between J. N. Taylor, for treasurer, who is also present incumbent, and F. B. Cooper, well known local business man, who was making his first entrance into the political arena for the position held by Taylor.

The full tabulated statement of the vote as cast in the various precincts and compiled from the official returns appears elsewhere in The Graphic. This statement will be read with interest by the citizens of the county.

Ellen-Boyd.

Roxboro, June 10.—On Tuesday afternoon at five o'clock, at the home of her parents, in the presence of members of the immediate families Miss Ines Boyd became the bride of Mr. Joseph Robert Ellen, of Battleboro, N. C.

As Mrs. Clarence Boyd, at the piano, began the strains of Lohengrin's Wedding March the bridal party, descending the stairs, entered the living room and took their places before an improvised altar of clematis and daisies, backed with ferns and lighted by candles.

to match, and carried a shower bouquet of bride's roses and lilies of the valley. She was met at the altar by the groom, and during the ceremony Mac Dawell's "To a Wild Rose" was softly rendered.

Immediately after the ceremony Mr. and Mrs. Ellen left for a motor trip through Western North Carolina, after which they will be at home to their friends near Battleboro, N. C.

Those from a distance who attended the wedding were: Mr. and Mrs. G. C. Reaves, of Greensboro, N. C.; Mr. and Mrs. J. C. Ellen, Mr. and Mrs. W. E. Ellen, Mr. Johnnie Ellen, of Battleboro, N. C.; Mr. Lucian Boyd, of Alton, Va.; Miss Sallie May Beal, Red Oak, N. C.; Mr. Arthur Loftin, Littleton, N. C.; Mr. Curtis Edwards and Mr. Alton Reid, of Whitakers.

Mrs. A. S. Vick Hostess To Nashville Womens' Club.

Nashville Womens' Club met with Mrs. A. S. Vick on Monday, June 9th, with Mrs. F. L. Greathouse, president, presiding at the meeting.

Mrs. Downey, chairman of the ways and means committee, reported an addition of \$17.10 to the treasury.

At this meeting special stress was laid on work planned by the civic department, as it was felt to be Nashville's crying need just at this time. A committee was named to meet and confer with the town commissioners as to some means by which traffic laws may be more strictly enforced, especially by children under age, as this is considered a direct menace to public safety.

At this meeting plans were again laid for the annual flower show in the Fall, also for the awarding of prizes for shrubs, vines and trees as were given last year.

Plans are being made for the formation of a Junior Civic League, it being felt that in no other way can the Juniors be so effectively taught civic pride.

It was unanimously voted that the Womens' Club present Nashville Base Ball Club with a score board as a token of appreciation of their work in putting Nashville on the map as a base ball town.

TOBACCO GROWERS ENJOY MORE PAY.

Eastern Co-ops Have Their Innings—Divide \$1,200,000 Payment By Association

Tobacco farmers of Eastern North Carolina who are members of the cooperative marketing association, last Tuesday, June 10, began dividing the million two hundred thousand dollars of the second cash payment made by the tobacco association on all 1923 deliveries from the Eastern belt.

Payments by the Tobacco Growers Cooperative Association have now become so much a matter of course that the item of dividing more than a million dollars, caused little excitement among the Eastern co-ops.

Real satisfaction was evident, however, among the organized farmers who reached the association's 32 markets in the East and inquiry at various cooperative centers developed the fact that eighty out of every hundred farmers were taking home clear money and that only approximately 20 per cent of the checks awaiting the farmers of the association were encumbered by reason of debts or loans.

Even most of those farmers who meet old mortgages with this week's payment are out of debt and have greatly improved their credit according to the statements of local mer-

Dorsey Rideout, Alleged Slayer of Mr. Alex A. Hedgepeth.

Dorsey Rideout, the alleged slayer of A. A. Hedgepeth at a blind tiger still in Griffin Township on Saturday night, May 31st, an account of which appeared in The Graphic, was brought back from the State prison at Raleigh last week and on Monday of this week was given a preliminary hearing before County Recorder M. V. Barnhill, as a result of which Rideout has been remanded to jail without bail and will be called upon to answer at the higher court upon the charge of murder in the first degree.

At the hearing Monday the defendant was represented by Ex-Senator T. T. Thorne, of Rocky Mount, only two witnesses going on the stand, these being Allen Nelms, the young man who was with Mr. Hedgepeth on the night of the killing, and Robert Hedgepeth, brother of the dead man, who made a full breast of the affair and recited his connection therewith, admitting that he was at the still the night of the killing; was assisting Rideout in "making a run," and was present at

REVIVAL MEETING NOW UNDER WAY.

Increasing Crowds Gather Nightly in Big Cooperative Warehouse.

While it was scheduled that the revival meetings got under way in the big Cooperative Warehouse on Sunday evening, the real activities began on Tuesday evening following the arrival of Pastor John W. Ham, that afternoon and who appeared on the firing line at the evening service, and who by reason of the powerful discourse delivered served notice that before the meetings shall have come to a close the ramparts of sin and vice and those influences which tend to pull down the standard of human life will be shelled and that out from the fray will come results incalculable in their worth to the entire town and community.

Rev. Eugene C. Few, pastor of the Nashville Methodist Church occupied the pulpit in the warehouse on Sunday evening, a union service of the churches of the town being the order of things. At this service a good crowd listened with interest to a very able and effective discourse which came as a preliminary skirmish to the real battle that is now getting under way with Preacher Ham and his co-workers taking the leadership.

A feature of the services is the splendid singing by the choir, mem-

Engineer to Survey And Make Report

Improved Gravel Roads Connect With Main Arteries of Traffic.

At a joint meeting of the Nash County Highway Commission and the Board of Commissioners of Nash County, held in Nashville on Monday last, and after a full discussion of the road building activities in the county within the next few months, the matter of approving of the building of the proposed roads in Ferrells and Dry Wells townships, beginning at a point near the old B. G. Sanders place on the hard-surface road between Spring Hope and Pilot and from thence thru Ferrells township portions of Dry Wells to Middlesex and the Johnston county line. The

others have clear cash in hand for the first time in years, with which to push the work on their 1924 crops.

Numbers of association members have already received more money from two payments through their own organization than their tenants received altogether for their entire deliveries to the auction floors, according to well substantiated statements made by associated farmers at delivery points of the association this week. This week's payment brings the present receipts of the Eastern Carolina co-ops to 75 per cent of the bankers' valuation on their 1923 deliveries, according to Raleigh headquarters of the tobacco association.

Payments received by individuals this week, range from \$4,400 down to small amounts in accordance with the amount and quality of tobacco delivered by the members at the co-op. Among the members of the tobacco cooperative receiving points last fall, association whose payments show good profits this week, are George E. Ham and O. S. Tew of Goldsboro who received a check for \$328.47 this week which brings their present receipts on four acres of tobacco to exactly \$985.41 with the certainty of enjoying another substantial payment made when the tobacco cooperative has completed its sales of the 1923 crop.

P. H. Barnes of the association who delivered at La Grange, received \$915 from four acres in the first two payments by the association and E. E. Hill of Seven Springs has already received \$1,050 in two payments on his five acre crop, according to the association checks which show many similar records throughout the East.

Strawberry Acid and How To Make It.

In order to make some real good Strawberry Acid, go by the following directions: With six quarts of berries, washed and hulled, 2-1/2 ounces of tartaric acid—sprinkled over berries and add 1 quart of cold water—let stand 48 hours uncovered. Strain through colander, then thru jelly bag, to one quart of juice add 2 pounds of sugar. Stir until dissolved, fill bottles to within 1 inch of top, let stand uncovered until acid finishes working—then cork.

Tom Tarheel says that it is still too early to sell but he believes the crops he planted on the wrong time of the moon are doing just as well as those planted when the moon was right.

Every Farmer Should Support Fred Latham

In the event there is a second primary to settle the matter of who is to be Commissioner of Agriculture, if the farming element of Nash County and all other business interests desire a real "dirt farmer"; a man who knows the practical as well as the theoretical side of farming to fill this responsible position, they should give their undivided and loyal support to Fred P. Latham, the man who knows the responsibilities and requirements of the position and what measure of proficiency and close attention to the farmers' needs would be devolved upon him by reason of the position to which he aspires.

No other testimony was introduced by the State, and whatever Rideout knows about the affair will be brought out at the hearing before the higher court, it being intimated that he will tell a story much at variance with that of both Nelms and Hedgepeth. With the evidence before him Recorder Barnhill ordered that the defendant be remanded to the county jail, bond being denied.

What About This Method?

Slowly but surely courts are finding out that a punishment which is administered merely as a punishment without any relation to the idea of correcting the culprit is not of much avail.

Never punish a child when you are in anger. Think it over. No matter how a parent punishes, he should chastise or penalize only when in complete control of his temper.

More effective than any beating is to say to a boy: "If you do so-and-so, you cannot go to the movies for a month. Now, it's up to you. If you want to punish yourself, go ahead and be bad."

And the same writer goes on to tell of a shrewd mother who wrote: "The best way to punish children is to make them punish themselves. My little boy, in a rage, grabbed a dish

Former Governor Craig Dies In Asheville

Asheville, June 9.—Former Governor Locke Craig died at his home here at 2:38 o'clock this afternoon.

He had been in failing health for more than a year, and for the past several days all hope for his recovery had been abandoned. He began to sink slowly the latter part of last week, and members of his family were summoned to his bedside, and were with him when he died.

For 20 years before he took the governor's chair of North Carolina Locke Craig, practiced law and held various public offices. He took a prominent part in state affairs and was said to have been one of the state's foremost orators. The former governor was born in Bertie county, North Carolina, August 16, 1860, the son of Mr. and Mrs. Andrew Murdock Craig.
