The Spanish Torpedo Boat Destroyer Terror and a Cruiser Made a Bold Dash for the St. Paul, But They Were Quickly Put to Flight by Our Vessel With Loss of Life on the Spanish Side and the Terror in a Sinking Condition.

THEY WERE NO MATCH FOR THE ST. PAUL

The Gunners on the American Cruiser Were Not Lacking in Getting Accurate Range and Landed Three Shots.

WASHINGTON, D. C., June 28.—The Washington navy department this morning posted the following bulletin: "Admiral Sampson reports that on Wednesday afternoon the St. Paul while off San Juan, Porto Rico, was attacked by an unprotected cruiser and the Spanish torpedo boat destroyer Terror. The Terror made a dash, which was avoided by our cruiser. The St. Paul hit the Terror three times, killing one officer and two men and wounding several others. The Terror got back under cover of the fortifications with great difficulty and was towed into the harbor in a sinking condition, where she is now being repaired. Later the cruiser and gunboat started out but remained under the protection of the forts." The Yale left Hampton Roads Wednesday with the 3rd Michigan and part of the 34th Michigan volunteer infantry which was recently at Camp Alger.

WASHINGTON, June 28.—An additional blockade was proclaimed by the president this morning which includes Southern Cuba from Cape Cruz to Cape Frances, which, with the existing blockade, practically covers the entire southern coast. San Juan, Porto Rico, is also included. Neutral vessels in the ports covered by today's proclamation are given thirty days to get out with their cargoes.

SALEM WILL VACCINATE

The Commissioners This Morning Enacted An Ordinance.

Resolved by the commissioners of Salem:

1st. That in view of the prevalence of smallpox in some of our neighboring towns and of the possible transfer of the disease to our community, it is urgently recommended that our citizens be vaccinated as speedily as possible.

2nd. That any physician practicing in the police jurisdiction of Salem shall keep a record of all persons vaccinated by him within the next 30 days and that the secretary shall prepare blanks for this purpose immediately and at the expiration of 30 days the physicians shall file said report with the secretary of the town.

3rd. That the secretary and treasurer is hereby authorized to pay all resident physicians who file such reports at the rate of 25 cents for all persons vaccinated by him at places to be named hereafter. The purpose is to grant free vaccination to all of our citizens.

4th. That the resident physicians of the town shall publish immediately, time and places where vaccination can take place and such publication shall be considered a part of this ordinance. Any physician failing to report within the next 30 days shall be fined \$5. Physicians will be prepared to vaccinate all applicants at their respective offices whenever present and give special attention thereto every evening.

At the regular meeting of Liberty Council No. 3, Jr. O. F. A. M. last night the following officers were elected for the ensuing official term: Cong. Elder, J. M. Harris; Vice-Cong. Elder, Rev. J. W. Frank; Recording Secretary, Rufus Shore; Assistant Recording Secretary, Charles Swain; Financial Secretary, W. A. Spear; Treasurer, R. D. Peggam; Conductor, Matthias Masten; Warden, W. M. Thomas; Inside Sentinel, Charles Harris; Outside Sentinel, J. M. Parrish; Trustee, W. G. Cranford.

W. E. Martin, the retiring counselor, will fill the chair of the Junior Post Counselor during the next term of six months.

To Select a Chairman. The state democratic executive committee meets today in Raleigh to choose a chairman. Clement Manly, of this city, the retiring officer, is in attendance. It is understood that he will decline a re-election and it is probable another will be selected to take his place. Mr. Manly remains a member of the committee, however.

Ended His Sufferings. Efforts to save Tom Glenn's dog which was poisoned last Friday proved futile and this morning Tom put an end to the animal's sufferings by administering chloroform. This was one

of the best known dogs in town, being an old landmark as it were for the past fifteen years. Tom was very indignant that the dog should be treated in such a cruel manner and he made to suffer in such agony. Many others who knew the dog as a favorite of theirs were equally indignant and do not countenance the low-down meanness of the person who poisoned the dog.

The Electric Storm. One of the severest storms of the season prevailed here for an hour late yesterday afternoon. The thunders rumbled and lightning flashed fearfully. Several loud claps of thunder made the shudders creep over many a timid one as well as over several who were not so timid. The lightning played on the electric wires in various portions of the city, burning out several phones. The electric current from the plant was cut off a considerable length of time. The lightning struck in several places doing more or less damage. One flash leaped along one of the front parapets of Laidfert, Seales & Co.'s factory and knocked about a hundred bricks from the building, but did no other damage except to badly startle the occupants of the factory.

Six coils in the generator at the power house on the Yadkin river were burnt out and also the transformer at the distributing station at the grist mill. This will cause a delay of two or three days, but outside of the inconvenience and the labor in repairing, the damage done is slight. The connections are now running by steam.

Hurt by Train. Will Penn, colored, was hurt by the train on the N. & W. road near Seventh street last night. He was evidently drunk and staggered against the train as the headlight of the engine showed a clear track. He had a base violin and it was smashed all to pieces. Capt. Johnson stopped the train and went to him. He was not cut any where but was hurt so he could not talk. He was covered with mud and was lying on the side of an embankment.

Good Time Among Clouds. Express Agent C. W. Burnside received a letter this morning from W. H. Huntzinger at Potsville, Pa., announcing the arrival of the carrier pigeons liberated here Saturday morning at 6 o'clock. The letter states that the first bird arrived at 2:30 of that day, the second at 2:45, the third at 3:20 and the next two at 6:30. The remainder had not arrived at the time of writing the letter. Mr. Huntzinger states that the first bird made 49 miles an hour, the distance by air line being 415 miles.

They Want E. B. Jones. A young man by the name of Gwaltney, of Alexander county, is a candidate for the democratic nomination for solicitor of this district. The people of Alleghany, Surry and Wilkes counties are said to be for E. B. Jones, of this city, or Herbert Green, of Wilkes county.

MERRITT IS WORRIED

Has Issued Hurry Orders to Our Fleet Bound For Manila.

IT WILL MERELY TOUCH HONOLULU

The Cadiz Fleet Will be Tended a Warm Time by Dewey.

SAN FRANCISCO, June 28.—General Merritt is worried over the Camara fleet and has ordered the Manila fleet not to stop at Honolulu a moment longer than is absolutely necessary but to make haste to Manila with all possible speed. However, with the addition of the Charleston and other vessels which have already been sent Admiral Dewey's fleet now in Manila harbor will be able to prove more than a match for Camara. With the addition of 25,000 American land forces in the Philippines it will certainly prove a very unsatisfactory place for the Cadiz fleet. The city of Manila will have been taken before Camara's fleet arrives and he will never be able to enter the harbor with his fleet.

He Thinks It All a Bluff. LOSANOS, June 28.—The Washington correspondent of the Daily Chronicle says: "Spain is to be frightened into making peace. That is the meaning of the theatrical announcement of the Americans that a squadron is going to Spain, announcement for which the navy department, contrary to its custom, has sought the widest publicity. President McKinley sincerely hopes the fleet will never sail."

Water Supply Cut Off. CAMPAVANILLA, Cuba, June 28.—Monday, the Santiago water supply was cut off at 9 o'clock at night with no resistance. The Spaniards have nothing but cistern water. The Yale and Harvard arrived at Alhambra today from Hampton Roads after a pleasant voyage without an incident. Garcia, Wheeler and Shafter met Castillo and had a conference as to a decided move on Santiago Tuesday morning.

Will Not Leave This Week. CHATTANOOGA, June 28.—It is not believed that the troops from Camp Thomas will leave this week. One of two regiments may leave, but this is very doubtful. The chaplain at Camp Thomas held a meeting and adopted resolutions condemning the army cantons.

They Wanted Peace. LOSANOS, June 28.—It is stated on the highest authority that France and Austria recently made unofficial overtures to Spain urging her to enter upon negotiations for peace, but without any result.

Sanctioned by France. PARIS, June 28.—The cabinet formed yesterday by M. Brisson was formally sanctioned today by President Faure.

A Patriotic Concert. A patriotic concert will be given by the Salem Concert Band on the evening of July 4th in the Salem Academy grounds. Refreshments will be served by the ladies of the alumnae association. The proceeds are for the benefit of the memorial chapel. Admission to concert 25 cents. All cordially invited to attend.

The Dance Tomorrow Night. The young ladies have decided to have their dance at the Twin City Club tomorrow night. The couples have already been arranged and all are expecting the usual good time. Such recreation, this hot weather, is rather vigorous, we opine.

BELIEVE THE GERMANS WILL INTERFERE

The Spanish Governor of Pampangas Killed in a Battle With the Insurgents and One Thousand Prisoners Taken.

HONG KONG, June 28.—A vessel which left Manila Friday last reports that the Spaniards have given up the idea of surrendering owing to the belief that the German warships will interfere to prevent Dewey from bombarding the city. The Spaniards have strengthened their defenses and are preparing to resist Dewey. Prince Henry of Prussia is expected shortly on the German warship-Deutschland. Aguinaldo has moved headquarters from Cavite to Imus while the Americans occupy Cavite. In a battle with the insurgents last week the Spanish governor of Pampangas province was killed and the insurgents took a thousand Spanish prisoners. Captain General Augustin and family captured by the insurgents were sent to Cavite under the protection of Aguinaldo. It is believed that another big battle with the combined land and sea forces will be fought in a few days.

WASHINGTON, June 28.—It was stated this morning that the president declined to grant Miles' request to go to Santiago, except on a tour of inspection. The president believes that General Shafter is entitled to whatever glory or credit that may accrue from the Santiago campaign. It is reported that Miles will go on a tour shortly and eventually fetch up at Porto Rico.

The Concert Tonight. The concert tonight at the Y. M. C. A. rooms, under the auspices of the Delphine Home ladies, will have considerable local musical talent. Mrs. Durrett, of Richmond, whose beautiful contralto voice charms everyone, will sing and those assisting her will be Misses Daisy Hanes, Ida Miller and Pearl Ogden, of Monroe, and Messrs. Fred Watson and Kenneth Pford. Mrs. Van Vleet will be the accompanist. The price of admission is 35 cents and tickets are on sale at the drug stores. Go and have a musical treat.

Colored Camp Meeting. A camp meeting will be held in the grove at South Side park, Salem, N. C., beginning Sunday, July 3, 11 a. m. The meeting will be conducted by Rev. R. L. Atkinson, pastor of St. James A. M. E. church. Rev. A. McLeese, (black Sam Jones) pastor of A. M. E. Zion church; Presiding Elder, C. H. King; Rev. P. J. Jordan, Greensboro; Rev. V. M. Worth, Reidsville; Rev. C. C. Alexander, Roxboro, and others.

Mr. John Hudson, of Salem, who died yesterday, was carried to Elkton this morning for burial. He was 72 years old on his last birthday. Dr. Thomas, attending physician, says he had eaten nothing for 40 days and don't understand how he lived so long.

De Los Thomas left on the morning train for Jopokoke, from there he will go to Atlanta.
