The Biggest Paper in the State for the Money.

THE JOURNAL is now printing thirty per cent more reading matter than any daily paper published in North Carolina that is sold for twenty-five cents per month subscription, and it has been doing it all along.

Blunders in Songs and Programmes.

I suppose all composers have had a laugh over the extraordinary mistakes which sometimes occur in the first proofs of their songs. Remember, years ago, writing a very sentimental love song in which the line occurred:

I've never once regretted the row I made that day.

My feelings may be imagined when I found they had printed I've never once regretted the row I made that day.

And once the following amusing mistake occurred in the programme of one of my own concerts. A well known singer and very good friend of mine was down to sing my two songs, "The Mary" and "Cradled Age and Youth."

But the newspaper announced something very different. Not content with drawing up a programme of my concert, it drew up a programme of my future, for I read as follows:

Mr. Blank To marry Missie Valerie White. Cradled Age and Youth. —Cornhill Magazine.

Remedy Found a "Gaiusius."

The late Edmund Remony appears to have been the "discoverer" of Johannes Brahms, who was a boy of 19 when the Hungarian violinist found him in Hamburg in 1853. They went on a concert tour, so the story goes, and fetched up at Weimar, almost penniless. Last invited Remony to stay at the Altenburg.

"I have plenty of room for you," he said. "You have perhaps a servant with you?"

"Oh, no! I have a gaiusius" (genius), "A what?"

"Master, I have here with me the greatest composer since Beethoven, and I have come to solicit your protection for him."

"Very well. Bring along your gaiusius, and we will see."

Lasel saw, and after him others also found their vision cleared.

The Eagle and the Stars and Stripes.

I should like to call attention to one of our London churches. Little Trinity, in the Minories, though very interesting both to English and Americans, is not, I think, so generally known as it deserves. The church in question has been the burial place of the Darbingtons, before the Washingtons left England these two families were united by marriage. On the wall of Little Trinity church may be seen the stars and stripes as the coat of arms or banner of the Darbingtons, and the eagle as the coat of arms of the Washingtons, afterward to become the flag and the emblem of the great nation across the Atlantic.—Spectator.

His Mistake.

Gallyer—What mistakes men do make! I was just reading that Columbus thought he had discovered the Indies!

Aspley—There are worse mistakes than that. When I married first, I thought I had discovered paradise!—Brooklyn Life.

Method science has made little progress in Turkey.

Methonians have frequently found people ill from small-pox neglected in order that the Divine will should have its own way.

An injury to the tongue is repaired by nature with more rapidity than is the case with any other part of the eye.

The Surprise of All.

Mr. James Jones, of the drug firm of Jones & Son, Cowden Hill, in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Cowden and Panama could do nothing for her. It seemed to develop into Hasty Consumption. Having Dr. King's New Discovery in store and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from that dose, and a half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at V. O. Thompson's Drug Store.

Thousands of persons have been cured of piles, by using DeWitt's Witch Hazel Salve. It heals promptly and cures eczema and all skin diseases. It gives immediate relief. E. W. O'Hanlon.

Free of Charge to Sufferers.

Cut this out and take it to your druggist and get a sample bottle free of Dr. King's New Discovery, for Consumption, Coughs and Colds. They do not ask you to buy before trying. This will show you the great merits of this truly wonderful remedy, and show you what can be accomplished by the regular use of the bottle. This is no experiment and would be disastrous to the proprietors did they know it would invariably cure. Many of the best physicians are now using it in their practice with great results and are relying on it in most severe cases. It is guaranteed. Trial bottles free at V. O. Thompson's Drug Store. Regular 75c 50 and \$1.

More than twenty million fresh samples of DeWitt's Witch Hazel Salve have been distributed by the manufacturers. What better proof of their confidence in its merits do you want? It cures piles, burns, scalds, sores, in the shortest space of time. E. W. O'Hanlon, Druggist.
