CALVARY MORAVIAN CHURCH. and Years of Experience The pastor, Rev A D Thaeler, preached a most excellent and helpful sermon yesterday on the "Recognition of God," based on the words, "It is the Lord," as found in I Sam. 8:18 and also in John 21-7. The preacher showed that if we transgress God's laws, or if we withhold from Him that which is His, then we will be compelled to acknowledge the justness of the judgmen sent upon us just as Eli recognized God's justness in the judgment sent upon his family. But if we do that which is right in God's sight than our recognition will be based on love and like His beloved disciple John our hearts will thrill with joy as we recognize that His hand is leading us in all our affairs. AT THE FIRST BAPTIST CHURCH.

The regular quarterly communion services were held at the First Baptist church yesterday morning. The pastor, Dr. H. A. Brown, read several passages of scripture bearing on the Lord's supper and made an interesting talk on the relative duties of Christians and the brotherly love of the members The service was well attended and a part in the communion.
