HURRAH FOR U. S. C.

Virginia Defeated by a Score of Six to Two.

Football yesterday was glorious for North Carolina. The Davidson boys cleaned up South Carolina at Chapel Hill, wiped out Virginia, Hurra! for our boys.

CAROLINA 9, VIRGINIA 2.

Richmond, Va., November 24.—The Orange and Purple went down before the Blue and White on the gridiron here today. In the presence of some 3,000 spectators the University of North Carolina eleven defeated the University of Virginia by a score of 6 to 2. The Virginians had the weight and, naturally, the sympathy of the crowd. Richmond being a great University city, but the Carolinians had the skill, and buckled down to their work with a determination and steadiness and discipline that elicited the warmest admiration. The contest was warm throughout. The feature of the game was Howell's splendid 40 yard dash for a touchdown, skirting Virginia's right end.

Just as game was called, Virginia made a safety on which she was given 2 points, making the score: Carolina 9, Virginia 2.

The brilliant interference of Gregory, of North Carolina, was also one of the features of the contest, and but for his star work Howell's successful dash to the touch line would have been impossible.

North Carolina played a heady game throughout and ascertaining in the struggle that it was next to impossible for them to force Virginia's heavy line, they attacked the guards and ends and resorted to kicks and punts, all of which kept Virginia from making any dangerous advances.

Captain Rogers, of Carolina, lost his head in the last play of the game, and in a risky attempt to make a touchdown was downed beyond the touch line thereby giving Virginia her safety. The coach and captain of the Virginia team say that Carolina won strictly on the merit of their play.

DAVIDSON'S, SOUTH CAROLINA 0.

Charlotte, N. C., November 24.—Davidson College, of North Carolina, defeated South Carolina College in a football game here today by a score of 5 to 0.

GUILFORD GOES DOWN.

Raleigh, November 24.—Five hundred people gathered at the fair grounds yesterday afternoon and witnessed the triumph of the football eleven from Davidson College over the eleven from Guilford College.

The quakers were no match for the farmers. The score of 11 to 0 tells the story of the game. The Guilford boys played pluckily and made a good fight but the Agricultural and Mechanical boys have a superior team and it did good work.

BINGHAM DEFEATS HORNER.

Oxford, N. C., November 24.—The Bingham School defeated Horner School today at Oxford by a score of 35 to 0. Superior skill, together with a heavier and better team count for the sweeping victory of the Orange county boys.

OTHER GAMES.

MINNEAPOLIS, Ind., Nov. 24.—With the temperature several degrees below zero and on a field of snow blanketed and covered in by deep drifts, Minneapolis and Illinois University football teams played today. The visitors winning, 11 to 10.

ATLANTA, November 24.—Auburn, Atlanta University, 18; University of Georgia, 17.

ROANOKE, Va., November 24.—The game here resulted: St. Albans 18, Washington and Lee 5.

NEWPORT NEWS, Va., Nov 24.—Newport News defeated Richmond College by the score of 11 to 0.

NAVAL CADETS 21, Virginia Military Institute 5.

Chicago A. A., 18; Dartmouth, 5.
Lafayette, 11; Lehigh 5.

PHILADELPHIA, Nov 24.—Pennsylvania defeated Cornell this afternoon by a score of 12 to 0.

M. F. Conference.

The M. F. annual conference convened at Liberty, North Carolina, Nov. 23rd. President Birch read his annual report at the opening of the afternoon session. It was a strong paper. Rev. W F Kennett was elected president, and Rev. T M Johnson, secretary. At night, M F Hatcher delivered the address of welcome which was responded to by Rev. W E Swain.

The conference sermon was preached Thursday at 11 a. m., by Rev. J E Hartwell.

Oak Ridge Items.

This place was the scene of gayety and pleasure on Thanksgiving Day. The Institute gave a half holiday and at 8 o'clock in the afternoon a large crowd of students and visitors gathered at the athletic field to witness a game of football between the Commercial and Literary class teams. Professor Wright umpired the game which was

an exciting one. The Commercial team won by a score of 18 to 0, making one touchdown and good in the first half and two touchdowns and goals in the second half. The Commercial had the advantage in weight and practice, and Floyd's punt was the star play of the game.

There was a dramatic Commercial display at the victory by a grand display of fireworks in the athletic field.

Misses Mamie and Hettie Lyon, of Greensboro, are visiting Miss Lottie Whitaker.

Miss Jessie Roberts, of Kernersville, is visiting friends and relatives on the Ridge.

Miss Lillie McCrary, of Winston, is visiting Miss Emma Williams, at this place.

Miss Myrtle Holt, who is attending the present session of the Salem Academy, spent Thanksgiving here with her parents, Professor and Mrs. M. H. Holt.

Messes Lambie and Druin, of the Winston-Johns, spent Thanksgiving at this place.

The students of the Institute will have a minstrel show in the chapel Saturday night.

Master Archie and Miss Mary Lee Jayner, of Winston, are visiting the family of Prof. J. A. Holt, at Oak Ridge, Nov. 25.

All Next Week at Armory Hall.

Winston will have it all its own way next week in the theatrical line. Peniche-Baldet Co with their repertoire of thirty plays will have a chance to select six of them to amuse each night our theatre loving citizens. Probably if a regular opera house existed here we might get more attractions, at any rate the management are lucky in securing this attraction which is to benefit the graded school library of Winston. Already the walls and billboards gaily announce this attractions. Already anxious enquiries for reserved seats are being made at O'Hendon's drug store. The smallest prices are to prevail, enabling every family to see this attraction. The prices are to be 10, 20 and 30 cents. Thirty cents buying the best seat in the house and a further inducement of ladies free Monday night if accompanied by the holder of one paid 10 cent ticket. It is anticipated crowded houses must naturally follow.

The Star Course.

The Young Men's Christian Association Star course tickets have arrived and are being delivered. The course is a strong one and is also very costly; however tickets are being sold at exact cost which is \$2 per seat for the entire course of five attractions. The course is as follows, the first number of which will be given next Thursday night: The New York Ladies' Trio, with Miss Lillian Carlucci. A W Hawks, Humorous Lecturer. Mozart Symphony Club. The Original Old Homestead Quartette.

The Scotch Concert Company.

The last named company cost \$300 for the single engagement which they have here and is one of the strongest companies to be heard anywhere in this country.

A Friend in Need is a Friend Indeed.

WINSTON, N. C., Nov 23, 1898.—To the officers of the Immediate Benefit Life Insurance Company, Baltimore, Md:

Gentlemen:—Allow me to return to you my sincere thanks for the prompt payment of \$23.33, being the amount of policy on the life of my beloved husband, Henry Bethel, who departed this life on Nov. 23, inst. He was insured in your worthy company on July 1, 1895, paying ten cents weekly the above amount was promptly paid to me at once. This prompts me to say to my friends and the public in general that when an agent of the Baltimore company comes to your home for the purpose of insuring you treat him with such consideration as you would your dearest friend. During the time I paid my weekly premiums I looked upon the company's representatives as mere business men, but today and during the hour of my distress they appear to me as "Angels" of mercy sent from the throne of heaven. Trusting that your company will always be a household word, as it is in Winston today, is the sincere wishes of your beneficiary,

LUCINDA BETHEL.

Witness: A B Sides.

Home Again.

Rev W A Lutz and Mrs Lutz returned yesterday from a two weeks' absence among relatives in the western portion of the state. He has a much divided household, as he visited seven counties before seeing all of them. He also attended the annual session of the Tennessee Lutheran Synod, which was in session for four days in Lincoln-ton. The synod was harmonious throughout and much important work done.

Their many friends in Winston are glad to see Mr and Mrs Lutz home again and to know that their trip was full of health and enjoyment.

MARRIAGE BELLS.

They Sweetly Ring at the Home of Mr and Mrs. H. A. Peady, cord. Near Bethlehem.

Marriage bells never rang more clearly and sweetly than they did through the halls and corridors of the palatial country home of Mr and Mrs H A Peady, near Bethlehem, on Wednesday evening. It was the bright and joyous occasion when two minds with but a single thought, two hearts that beat as one in the person of Miss Emma Gray Stauter and Mr William Brown Little stepped upon the holy altar of matrimony and in the presence of a gay company of admiring friends and relatives, united their vows in the holy estate of lawful wedlock. It was indeed a pretty and impressive marriage. The handsome couple with glowing hearts and bright faces stood beneath a huge bell beautifully decorated with flowers and ferns by artistic hands, which swung from a high arch of cedar and holly.

Miss Bessie Lehman and Mr Theo Little were the attendants for the bride and groom.

Rev E S Crossland officiated in his usual dignified and impressive manner. The bride was beautifully arrayed in a handsome gown of imported gray trimmed with crepe silk and cream chiffon. She carried a beautiful bouquet of chrysanthemums in her hand.

Immediately after the ceremony, which was performed exactly at seven o'clock, all were ushered into the elegant dining hall where a grand and glorious appetizing supper was prepared. This hall was a model of artistic beauty, it being handsomely decorated with pink and cream drapery, brightened with choice flowers.

The table fairly won the eye. It was heavily laden with large handsome cakes and other delicacies and was brightly lighted with colored candles. It was indeed a grand feast, elegantly served and we desire to say every participant enjoyed it beyond measure and even beyond their most sanguine expectations.

After supper followed a delightful hour of happy converse and gayest sociality. May the obstacles that present themselves along life's rugged way to this fair and promising couple be met and overcome with a heroic "Will" and may joy's triumphant "Emma" mating from the throne Divine attend them through a long, happy, prosperous and useful life. 8.

Virginia Conference.

Following is the text of the Publishing House resolutions reported by the majority of the committee and adopted:

"Whereas, There has been great agitation regarding what is known as the war claim of the publishing house of the M. E. Church, South and

"Whereas, Our bishops have assured the church in a publishing communication that if the United States Senate shall by affirmative action declare that they voted for the just claim, under a misapprehension, and because of misleading statements, they would take the proper steps to have the money returned to the United States government, and have already approved the Vice-President of the United States of their action; therefore, be it

"Resolved by the Virginia conference, That we have implicit confidence in the integrity and fidelity of our our pastors, and believe they will jealously guard and protect the good name of the church, and that so far as we have authority as an annual conference we relegate this matter to them for adjudication according to their Godly judgment.

"Resolved, That we deplore the misleading methods used by our agent to collect said claim."

Thos Needham, who is conducting a series of meetings at Broad street church and who will speak at the association Sunday on the subject of "Jewels." Ladies are invited to attend.

Eighth Grade Debate.

The Eighth grade held its regular weekly debate this afternoon at West End.

The question discussed was a very interesting one, viz: "Resolved, That Winston would be more prosperous without her tobacco interests." The speaking was the best ever heard in this grade. The negative side was given the decision and Walter Richardson adjudged the best speaker. The next debate in this grade is upon the question: Resolved, That inventions improve the condition of the working class.

Wants to Disfranchise Them.

Chairman Holton, of the state republican executive com, is the one man we have heard of that comes out for disfranchising the "negroes and poor whites." He stated in a democratic friend on the train last week that he "hoped to God, the democrats would pass some law eliminating the negro from politics." He also "gessed out Butler." Wilkesboro Chronicle.
