CAN IT BE TRUE?

A White Man Chained to a
Negro HERE.

We have been reliably informed that
Superintendent of Roads Spach and
two guards, whose names have not yet
been obtained, in carrying a squad of
jail hands to the county roads this
morning had Cleo Knott, a white
man, chained to a negro.

THE JOURNAL considers this matter
too serious and outrageous to be com-
mented on, until further investigation
establishes the fact without a doubt.

It has been impossible for us, since
the information was furnished us by a
white republican, to verify the report.

We do not wish to do any one injus-
tice, so will investigate the matter
fully before commenting and we sin-
cerely hope that the report is un-
founded.

BROAD STREET REVIVAL.

Rev. Thos. Needham Last Night
Closed a Successful Protracted
Meeting.

The series of revival services at
Broad street Baptist church closed last
night. The attendance was very good.
The series closed with a very impres-
sive sermon by Rev. Thos. Needham on
the "Great White Throne Judgment
for the Wicked."

Before entering upon his sermon Mr.
Needham took up the explanation of
the ages by his chart; with the close of
this the sixth age. He spoke of the
translation of the living saints and
resurrection of dead saints to meet our
Lord at his second coming at the close
of this age.

Mr. Needham entered upon the judg-
ment for the wicked with the text
found in Acts 17:31. At this judgment
we have the Son, not Father, for judge.
He shall be robed in a robe of justice
and justice will be given to all. God
says you shall be judged for rejecting
his son—John 12:48.

At this trial there will be two wit-
nesses against us—His word and our
deeds. Here is your sentence, "Depart
ye cursed into outer darkness where
there shall be weeping and wailing
and gnashing of teeth." It is a very
hell to be cast from His presence for-
ever.

The evangelist went to Greenville
today to attend the Baptist State Con-
vention.

Mr. Fluinders, the evangelist's singer,
will remain here a few days.

Neighborhood News.

Newborn Journal: Monday night
two white men were waylaid just out-
side the city by four negroes and
robbed. They were relieved of their
money and other effects, as well as
pistols with which they appear to have
been armed. Meadows was consider-
ably beaten in the struggle. Herbert
Lupton, the son of Captain Lupton,
who fell from the cross trees of the
schooner Henrietta Hill to the deck,
a distance of 65 feet, is reported as doing
well and on the road to recovery with
no serious internal injuries.

Durham Sun: Rabbits in some sec-
tions of this state seem to be as plenti-
ful as ants. A gentleman by the name
of Pearce, from the neighborhood of
the Chatham and Orange county lines,
was in town today with a wagon load
of about eighty. He says they are so
numerous in his neighborhood that
they run against each other and cripple
themselves, and you have nothing to
do but walk around and pick them up.

Lexington Special to the Charlotte
Observer: All of the new county officers
were sworn in and filed their bond
today: The aid officers walked out
leaving a four year record of which
they are not ashamed, except the treas-
urer, who has held the position only
two years, but whose shortage with
the county is over \$1,300. Mr. Kinney
has made every effort till today to
replace the money, but is unable to do
so. His sureties will satisfy the county
at once. Mr. Kinney, who is greatly
depressed, says he will turn all of his
property over to his sureties, and do
what he can to make them whole.

Wilkesboro Chronicle: North Wilkes-
boro will hold an election January 17,
today was taken up with the case be-
tween yesterday of Gordon vs The Rey-
nolds Tobacco Company, for \$5,000
damages for an accident whereby Gor-
don was injured in the factory. Messrs
Jones & Patterson represent Gordon,
and Watson, Burton & Watson, Glenn
& Manly, the Tobacco Co.

The whole afternoon was taken up
in speeches to the jury, and the case is
not yet disposed of.
Manly's Paper to Resume.
New York, December 8.—Alexan-
der L. Manly, the colored editor, who
was compelled to leave Wilmington,
N. C. has decided to publish his paper,
the Record, in New York hereafter,
instead of in Wilmington. The paper
will be published daily as it was in
Wilmington.

meeting at this place. Mrs. H. T.
Newland at Elkville, died Monday
of pneumonia after a week's illness. Our
heart goes out in deep sympathy for
Mr. Newland. His little child died
only a few days since and now the
mother and wife is gone. Two little
children are left motherless.

Others Thoughts.

Chatham Record: The next legisla-
ture can save several thousand dollars
to the tax payers of North Carolina by
reducing the number of its clerks and
other employees. The last legislature
was guilty of great extravagance in
this respect. The last senate had more
employees and paid them more than
any senate since 1898. The amount
paid the employees of the last senate
was almost as much as that paid to
the senators themselves. The amount
paid the senators as their per diem
and mileage was \$14,142.80, and the
amount paid the employees who waited
on them was \$11,592.28. Surely there
is great room for reform in this
expenditure and we hope our demo-
cratic legislature will make it. The
truth is that even our demo-
cratic legislature for several years
before 1896 had too many unnecessary
employees, but of course nothing like
so many as our "reform" legislatures.
Too many clerks and pages have been
employed by every legislature for many
years—in striking contrast to the small
number employed by the first demo-
cratic legislature elected (in 1870) after
reconstruction. The number has more
than doubled since then, not because
there was more work to do, but because
each employe has been doing less work
since 1870. We speak from personal
experience. Hon. W. L. Saunders was
chief clerk of the senate in the legisla-
ture of 1876-'72 and this writer was the
reading clerk, and these two did the
work then that, since then, has usually
been done by four or five clerks.

Maxton Blade, (Colored Paper):
Some of the exiles from Wilmington
have an eye to business. They are
hobbling up in different parts of the
north telling their tales of woe, and
they manage to pass around the hat so
that everybody can show his sym-
pathy in a substantial manner. We may
add that lots of these fellows never
saw Wilmington, but are using the
riot racket to get a stake.

OPPOSED TO ANNEXATION.

Ex-President Cleveland Takes
a Strong Stand Against Ex-
pansion.
PRINCETON, December 8.—Former
President Grover Cleveland was inter-
viewed today on the new policy of the
United States and dictated the follow-
ing for the Associated Press:
"Without going at all into details, I
wish to say that I am utterly op-
posed to every feature of this annexa-
tion and expansion policy. The publi-
c ought to know pretty well what my
convictions are from my position on
the Hawaiian question during my ad-
ministration. I have not changed my
mind and remain opposed to all this
annexation from Hawaii to the Philip-
pines."

Elected But Didn't Qualify.

WADESBORO, N. C., Dec. 6.—The
white citizens of this county are de-
termined that they will have no fur-
ther exhibitions of negro rule in these
"diggings," and consequently the three
negroes elected as constables and jus-
tices of the peace for Guilford town-
ship did not qualify Monday.
They were quietly notified that it
would be unhealthy for them to do so,
and so instead of appearing for qualifi-
cation they sent a note to the Clerk
of the Court stating that they, "seeing
the pressure of the opposition party
think it best to delay their qualification
if the law permits;" that they "are col-
ored men but law-abiding citizens,"
etc.

Marriage Last Evening.

Mr. Robert J. Hill and Miss Eva
Johnson, two of Winston's popular
young people, were united in the holy
bonds of matrimony, at 8 o'clock last
evening in the presence of a few in-
vited guests at the paternal home of
the bride's grand parents, Mr. and Mrs.
W. H. White, on Liberty street. Rev.
H. A. Brown, pastor of the First Bapt-
ist church, performed the ceremony.

A BELOVED PASTOR.

Dr. H. A. Brown will observe
His 21st Anniversary Next
Sunday.

Next Sunday services will be held
in the First Baptist church, this city,
in honor of the 21st anniversary of Dr.
H. A. Brown's pastorate. The Sunday
school will have special exercises at
9:30 a. m., and at 11 o'clock Bishop
Roundtable, of the Home African
church, will preach the anniversary
sermon. Dr. Brown and Bishop Round-
table came to their respective charges
the same year and a warm personal
friendship as well as Christian love
and esteem has always existed between
these two divines. A special rally to
raise funds for the new church will be
an important feature. Public cordially
invited.

THE JOURNAL in advance' inaugu-
lates Dr. Brown upon the occasion, and
his long and successful pastorate, the
church and community in being
blessed by having such an exemplary,
zealous, God fearing and able minist-
er to guide, direct and exert influence
for good that will last till time shall
be changed for eternity, and last, but
by no means least, that health and
life may be spared him for many years
to dwell in labor among a people
whose love and esteem is for him such
and sincere.

THE HEALTH CONFERENCE
CLOSES.

Our People Receive Much In-
struction From Eminent Cit-
izens of the State.

The afternoon session yesterday of
the health conference was well at-
tended.

"Smallpox and Vaccination for Phil-
ippine People," a paper which was read by
Col. A. W. Shaffer, of Raleigh, at the
morning session, was discussed at
length, a number of persons in the
audience taking part in the discus-
sion.

Prof. J. L. Ludlow, of this city, ex-
member of the state board of health,
read a carefully prepared paper on
"Drinking Water in its Relation to
Health," which elicited considerable
discussion.

A large number of our citizens at-
tended the session last night and were
greatly benefited by the reading of
three valuable papers and discussion
on the same.

"Baths: A Plea for Their More Gen-
eral Use in the Household," by Dr. S.
Westray Battle, of Asheville, member
of the state board of health, was the
first paper read.

Passed Assistant Surgeon J. J. Kin-
g, of the United States Marine Ho-
spital Service, then read an interesting
paper on "Diphtheria: Its Prevention
and Treatment," and Dr. Richard H.
Lewis, of Raleigh, secretary of the
state board of health, made a strong
talk on the subject of "Pneumonia."

An Interesting Contest.

At the regular meeting of Century
Epworth League tomorrow evening in
the annex of the church, there will be
an interesting contest in the way of a
discipline bee. Two of the League
members will choose sides and Dr.
Crosby will act as moderator and
ask questions concerning the general
and annual conference of the Meth-
odist Episcopal church, South. Any
one on either side who misses a ques-
tion will have to be seated. The side
having the greatest number standing
at the end of the questions will win
the contest. There will also be other
features on the program. Public cor-
dially invited.

Misc Getting in Good Work.

There is quite a novel attraction in
E. W. O'Hanlon's show window. It

consists of a glass cage in which are
imprisoned two trained mice. These
mice pass their time principally in try-
ing to climb up an inclined
wheel which rests upon a pivot. The
mice can't get any further than does
the horse on the tread mill business.
The object of this attraction is to adver-
tise Brown Bros. & Co's tobaccoes and
upon the whole we don't know that
mice were ever put to a better use.

ANTI-TICKETSALPING BILL.

Passed in the House Yesterday
After a Ten-Years' Struggle.

WASHINGTON, December 8.—The
House passed the anti-ticketsalping bill
yesterday by a vote of 191 to 101. This
action is the culmination of a ten years'
struggle on the part of the outsiders to
put it on and to the business of ticket
salping.

The Interstate Commerce Com-
mission has called attention to the subject
in its report of 1888, and it has been
before congress ever since in one form
or another.

Atlanta, Ga., Dec. 7.—The latest
developments in the matter of the

who have now been "out" for three
weeks, are that from the officers of all
the mills in Augusta, a vote has been
taken against the operatives for the balance
of the season if they do not return to
work.

We would suggest that the Winston

chines are very heavy and this would
prove a saving both in time and in
horses.
