The Conservation of Nature's Resources.

Applies as well to our physical state as to material things. C. J. Budlong, Washington, R. I. realized his condition, and took warning before it was too late. He says: "I suffered severely from kidney trouble, the disease being hereditary in our family. I have taken four bottles of Foley's Kidney Remedy, and now consider myself thoroughly cured. This should be a warning to all not to neglect taking Foley's Kidney Remedy until it is too late." Cabarrus Drug Co. Concord.
