Send Name and Address Today  
—You Can Have It Free and Be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, falling memory and lame back, brought on by excess, unusual drains, or the failures of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men and I am convinced it is the surest acting, combination for the cure of deficient manhood and aged faintness ever put together.

I think I owe it to my fellow man to send him a copy in confidence so that any man anywhere who is weak and discouraged with irregular habits may stop dragging himself with harmful patent medicines, secure what I believe is the quickest acting restorative, and building, strengthening remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, 123 Luck Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain sealed envelope free of charge.

## The Conservation of Nature's Resources.

Applies as well to our physical state as to material things. C. J. Budlong, Washington, R. I., realized his condition, and took warning before it was too late. He says: "I suffered severely from kidney trouble, the disease being hereditary in our family. I have taken four bottles of Foley's Kidney Remedy, and now consider myself thoroughly cured. This should be a warning to all not to neglect taking Foley's Kidney Remedy until it is too late." Cabarrus Drug Co., Concord.

## NEIGHBORLY ADVICE.

Freely Given By a Concord Citizen.

When one has offered tortures form a bad back and found out how the aches and pains can be removed, advice is of untold value to friends and neighbors, particularly when they know the statement is absolutely correct. The following neighborly advice comes from a Concord resident.

Mrs. D. M. Thornburg, 45 Crowell street, Concord, N. C., says: "Several years ago I used Doan's Kidney Pills and from my experience feel justified in advising other kidney sufferers to use them. At that time my back was very lame and sore and often pains extended into my limbs. I also had dull, miserable headaches and dizzy spells and was annoyed by irregular passages of the kidney secretions. Thinking that my trouble arose from disordered kidneys, I began using Doan's Kidney Pills and was convinced that they were the remedy I needed. They soon disposed of my complaint and it has never returned."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## Deafness Cannot be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rambling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

## THE BROOKLYN TABERNACLE BIBLE STUDIES

"A CRUMB FROM THE CHILDREN'S TABLE"

Matthew 15:21-28—June 12.

"Great is thy faith; be it unto thee even as thou wilt."—V. 28.

GOD loves the faithful and delights to have them trust in him. His chiefest blessings are for such. By reason of various conditions connected with our birth, it is not alike easy to all to accept the Divine promises and to shape life according to these, trusting that the rewards and blessings of the future will more than offset the sacrifices of the present. However, while only the faithful will attain the exceeding great and precious things of God's promises in this present age, we are glad that the Creator has still in reservation an inferior blessing for those who cannot exercise faith now, but who must be dealt with during the Millennial Age more along the lines of sight. Our present study well illustrates the Lord's grace towards those who trust him.

The Canaanitish woman was a heathen woman—one not an Israelite—one with whom the Lord had not entered into covenant relationship—one of those who at that time were without God and without hope, because the Divine provision for the blessing of the Gentiles was not yet opened up to them. When our Lord sent forth his Apostles to preach the Gospel, healing all manner of diseases and casting out devils, he instructed them to pass by all who were not Jews—Gentiles and Samaritans. His words were, "Go not into the way of the Gentiles and into any city of the Samaritans enter ye not, for I am not sent save to the lost sheep of the house of Israel." With a few exceptions our Lord's miracles were confined to the Jews. They alone were God's covenant people. For this reason Jesus ignored the petition of the Canaanitish woman, crying "Have mercy on me, O Lord, Son of David! My daughter is grievously vexed with a devil." And later on he explained, "I am not sent but to the lost sheep of the house of Israel," and "It is not meet to take the children's bread and cast it to the dogs."

The term "dogs" was applied to the Gentiles by the Jews as signifying their inferiority. Our Lord merely made use of an expression common in his day, and still common in Palestine. But note the woman's faith: She replied, "Yea, Lord, yet the dogs eat of the crumbs which fall from the Master's table." What perseverance, what faith, was thus manifested! How evidently she believed the Lord to be the promised Messiah, the Heir of the throne of David! As Jesus intimated, she had more faith than a majority of the Jews. Her request was granted—"O woman, great is thy faith! Be it unto thee even as thou wilt." Her daughter was healed from that hour.

There are several lessons for us in this study. However degraded we may be by nature, by heredity, by environment; however outcast from God's favor, we may still know of the Divine compassion. The message is, "God is Love." If he chose first of all to manifest his favor towards Abraham's children, it did not signify that he had no love or care for the remainder of mankind; merely that the Divine purpose must flow out to mankind through Divinely-appointed channels and in God's due time. We may be sure that when we get to the standpoint of perfect knowledge in the hereafter we shall see wisdom in every feature of the Divine program. For instance, from the human standpoint it seems strange that God has permitted a reign of sin and death in the world for 6000 years, when he has the full power to speak the word and to overthrow the forces of evil and to inaugurate gracious influences of blessing for the deliverance of mankind from the power of sin and Satan, ignorance and superstition; to give light for darkness; knowledge of God for ignorance and blindness. Studying the Divine Plan of the Ages, we find the lesson to be that God will first select a Church class and subsequently use the elect Church as channels of blessing toward the world of mankind.

A little while, and the permission of sin and the trials and difficulties of the present life shall have served to "chisel and polish the 'very elect.'" A little while, and they shall be transformed to the glorious likeness of their Redeemer beyond the veil. And then a little while, and the blessings long promised to the world in general will be dispensed. The children of God will first be fed from this table, and then not merely crumbs will fall for the remainder of the race, but rich and bountiful provision, exceedingly and abundantly more than we could have asked or thought.

It is a great and important truth that many human beings are more or less completely obsessed by evil spirits—demons—not the spirits of human beings, but the fallen angels, as the Scriptures declare. Many battle for years against these influences of demons and, because not rightly informed of the Bible teaching on the subject, they come more and more under the occult influences with danger of entirely losing their reason. It was probably some such affliction as this which affected the daughter of the Canaanitish. She seemed to realize that there was only one quarter from which she could get help. Hence her importunity, when she recognized the Lord.

In another sense of the word all sin and sickness may be said to be afflictions of the devil, because all are either directly, or through heredity, Satan's work. Thus our Lord declared that Satan had murdered our race by his falsehood to mother Eve—"He was a murderer from the beginning and abode not in the Truth." Through his lie our race has gone down into sickness, mental, moral and physical, and is going down rapidly to the tomb. Thank God for the great Deliverer; thank God also, for his great day of deliverance, the Millennial Age, now nigh at hand!
