GOOD SEED FOR GOOD GROUND.

Matthew 13:1-9; 18-23—June 19.

"Wherefore, putting away all filthiness and overflowing of wickedness receive with meekness the engrafted word, which is able to save your souls."—James 1:21.—R. V.

ASING a boat as a pulpit, our Lord taught a great lesson respecting the method used by the Almighty in the selection of the "little flock" whom he invites to be members with Christ Jesus in the administration of his Millennial Kingdom. The Kingdom message or invitation is the "seed" which is under consideration in the above parable, which, under favorable conditions, germinates and brings forth the required fruitage of character-development. Our Lord was the great Sower of this good seed of the Kingdom, and after him came the Apostles. Since then he has used all of his faithful people more or less in this seed sowing.

The fact that most of the "seed" of the Divine message seems wasted is no proof that the message is not good and desirable. This parable shows that the real fault lies in the soil—in the heart. If all hearts were right the message or seed would bring forth much fruit everywhere.

The parable states that not all of the soil is good or suitable; nevertheless, the intuition is that it is within the power of many to correct and offset the unfavorable conditions in themselves. We are not left to conjecture, for this is one of the few parables which our Lord himself interpreted—a fact which many seem not to have noticed.

The "seed" is the message of the Kingdom. Many do not understand it. On such ears the message is lost, for the Adversary is on the alert to take it away, as symbolized by the birds devouring the exposed "seed by the wayside." Such "wayside" hearers constitute the most numerous class in every congregation of the nominal church. They are merely formalists.

"Stony" ground represents another class of hearers of the Kingdom message. To them it sounds good; they are interested, but they lack depth of character. They make professions and for a time flourish extraordinarily, but they lack the depth necessary to a character development suitable for the Lord's use in the work of the Kingdom, and when the trials and testings come they stumble. They thought they might be carried to the Kingdom on "flowery beds of ease, while others fight to win the prize and sail through bloody seas." There is no easy road to the Kingdom. The Master declares to all who would be of the elect "Bride," "Through much tribulation shall ye enter the Kingdom."

The ground which will produce thorns is rich, and very suitable for the production of proper Christian character, but it is infested with thorn seed, and the soil cannot successfully produce both wheat and thorns; hence, as the parable shows, the thorns choke out the wheat, so that a sufficient crop is not produced. These thorns are not, as some have suggested, sensual vices and criminal appetites. Hearts in which sensuality dominates have no ear whatever for the Kingdom message, and are not mentioned in the parable, which refers only to those who are no longer willing sinners, but who are walking outwardly in the way of righteousness. The Master's word is, "He that receiveth the seed among thorns is he that heareth the word, and the cares of this world and the deceitfulness of riches choke the word and he becometh unfruitful." There are many noble people represented also by this portion of the parable. There are many who, if freed from the spirit of the world, from its ambitious and wealth and influence, its love of the good things of this life, would be very fruitful in righteousness. When we look about us and see the thrift and energy of many people of civilized lands, we say to ourselves, properly, if these lives were really turned into the way of the Lord and were rid of these earthly encumbrances, what grand, noble characters they would make. However, their strength, their energy, is absorbed by worldly affairs and cares, and they do not bring forth the fruitage demanded as the necessary qualification for the higher honors of a place with Christ in his Kingdom. The Master's message to such is, You cannot give your time and strength and influence to worldly matters and at the same time make your "calling and election sure" to a place with me in my Kingdom. Whoever would be my disciple, let him take up his cross and follow me. Where I am there shall my disciple be.

"Herein is my Father glorified that ye bear much fruit," said our Master. In this parable the good ground varies in its productivityness—thirty, sixty and an hundred fold. The larger the returns, the greater will be the Father's pleasure and the Savior's glory. Nor is the statement an extreme one, as some might suppose. The new "miracle wheat" some times produces more than two hundred grains from one. This parable seems to imply that the responsibility for the fruitfulness of the heart and life and character depends very greatly upon the individual and how he receives the message of the Kingdom. Those in whom the fruits will be the most abundant will be such as grasp the invitation most intelligently and earnestly. "He that heareth the word and understandeth it" and whose heart is in a condition of loyalty to God and who frees himself from hindrances and worldly ambitions and aspirations and, like the Apostle Paul, can say, "This one thing I do," will surely gain the Kingdom.

It is not sufficient that we hear the message of the Kingdom; it is not sufficient that we have good hearts or good intentions in respect to it; it is additionally necessary, as the Master says, that we should understand the Kingdom message; hence the need of Bible study. Intelligent people consider it very wise and proper that several years of study be devoted to preparation for the few years of earthly life. How much study, then, should be considered proper for our preparation for the eternal life and Kingdom blessings? The time and effort thus consumed in character development for the Kingdom are wisely spent, and the harvest of thirty, sixty or a hundred fold illustrates the degree and intensity of our earnestness. The rewards in the Kingdom will also be proportionate. "As star differeth from star in glory, so shall it be in the resurrection of the dead." Varying degrees of glory in the Kingdom will be manifested, yet none will be acceptable to the Father who shall not have brought forth fruitage in good measure.

### SO DECEPTIVE.

Many Concord People Fail to Realize the Seriousness.

Backache is so deceptive. It comes and goes—keeps you guessing. Learn the cause—then cure it. Nine times out of ten it comes from the kidneys. That's why Doan's Kidney Pills cure it.

Cure every kidney ailment from backache to diabetes. Here's a Concord case to prove it; H. M. Walters, 108 Kerr street, Concord, N. C., says: "I am recommending Doan's Kidney Pills so that other sufferers from kidney trouble may know what remedy to use to obtain relief. Several months ago I was annoyed a great deal by sharp, shooting pains across the small of my back. The suffering was not constant, but became on by attacks which seized me without warning. Hearing Doan's Kidney Pills highly recommended, I procured a supply at Gibson's Drug Store and they disposed of my trouble. I know that Doan's Kidney Pills can be depended upon to live up to the claims made for them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

### It Was Coming.

Lord Chief Justice Cockburn when at the bar defended a Scotchman for murder. A long and eloquent fight was in vain; sentence of death was passed. Then began the condemned Scotchman to abuse his counsel.

"I ha' nae got justice the day," he declared.

"Possibly not, but you'll get it in a fortnight," was the crushing reply.—London Outlook.

### Deafness Cannot be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rambling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O.

Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

### Would Do the Same.

A certain professor in a medical college had a most expasperating student. "You see, Mr. Smith," said the professor to this young man one day, "the subject of this diagram humps, because one of his legs is a trifle shorter than the other. Now, what should you do to such a case?"

"I should hump, too, I think, sir," replied the student, with an expression of perfect innocence on his stupid face.

### Scared into Sound Health.

Mr. B. F. Kelley, Springfield, Ill., writes: "A year ago I began to be troubled with my kidneys and bladder which grew worse until I became alarmed at my condition. I suffered also with dull heavy headaches and the action of my bladder was annoying and painful. I read of Foley's Kidney Pills and after taking them a few weeks the headaches left me, the action of my bladder was again normal, and I was free from all distress." Cabarrus Drug Co.

### Result of Training.

Train up a girl in the way she should go, and when she grows up she will not only jerk sympathies out of the kitchen stove, but she will lay aside the tail feathers of the turkey at Thanksgiving, save the wire from the baled hay, buy 19 cents' worth of ribbon and construct a bonnet that will make a forty dollar monstrosity look just a little bit like 30 cents.—Houston Post.

### Glad to Recommend Them.

Mr. E. Weakley, Kokomo, Ind., says: "After taking Foley's Kidney Pills, the severe backache left me, my kidneys became stronger, the secretions natural and my bladder no longer pained me. I am glad to recommend Foley's Kidney Pills." In a yellow package. Cabarrus Drug Co.

An American tourist on the summit of Vesuvius was appalled at the grandeur of the sight. "Great snakes!" he exclaimed. "It reminds me of hades."

"Gad, how you Americans do travel!" replied his English friend, who stood near by.—Ladies' Home Journal.

Foley's Kidney Remedy may be given to children with admirable results. It does away with bed wetting, and is also recommended for use after measles and scarlet fever. Cabarrus Drug Co.

### GROWTH OF BOYS' CORN CLUBS

Speaking of the boys' corn club work of the State Department of Agriculture (Capt. T. S. Parker, who is in charge of this work says it is having a most remarkable growth and is proving probably the most popular that the Department of Agriculture has ever inaugurated, and this, too, within eighteen months of its inception. There are now over 1,500 boys in 74 counties registered for these corn growing contests this season. Letters from these boys, Captain Parker says, give the gratifying evidence of their purpose to stick to the farm. For premiums in this work the State Department has appropriated \$500. J. R. Smith, of Richmond, Va., has donated \$200; a fertilizer company has donated another \$100; another has given five tons of fertilizer; the Norfolk & Southern Railroad Company has offered a silver cup as a trophy, the name of the boy that wins it each year to be engraved on it, the cup to be ultimately placed in the State Museum. The Progressive Farmer has offered \$1,000 in prizes; a number of other newspapers in various parts of the State have offered prizes in their respective localities and these are supplemented by contributions from bankers, merchants, manufacturers and other enterprising citizens making a great number of attractive prizes for boys who may not win one of the prizes of the board of agriculture. Mr. Parker says this corn growing contest among farmer boys is sweeping the State and will surely bring to the front a harvest of the most promising corn growers the State has ever had.

### The Conservation of Nature's Resources.

Applies as well to our physical state as to material things. C. J. Budlong, Washington, R. I. realized his condition, and took warning before it was too late. He says: "I suffered severely from kidney trouble, the disease being hereditary in our family. I have taken four bottles of Foley's Kidney Remedy, and now consider myself thoroughly cured. This should be a warning to all not to neglect taking Foley's Kidney Remedy until it is too late." Cabarrus Drug Co., Concord.
