HOW TO CURE RHEUMATISM.

It Is An Internal Disease And Requires An Internal Remedy.

The cause of rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. Rubbing with oils and liniments will not cure, affords only temporary relief at best, causes you to delay the proper treatment, and allows the malady to get a firmer hold on you. Liniments may ease pain, but they will no more cure Rheumatism than paint will change the fiber of rotten wood.

Science has at last discovered a perfect and complete cure, which is called "Rheumacide." Tested in hundreds of cases, it has affected the most marvelous cures; we believe it will cure you. Rheumacide "gets at the joints from the inside," sweeps the poisons out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide "strikes the root of the disease and removes its cause." This splendid remedy is sold by druggists and dealers generally at 50c and \$1 a bottle. In tablet form at 25c and 50c a package. Get a bottle today. Booklet free if you write to Bobbitt Chemical Co., Baltimore, Md.

Calcutta Talks Fifty-seven Ways.

Calcutta is one of the most polyglot capitals in the world. The last census shows fifty-seven languages are spoken in it. Not many of these, of course, are spoken by large sections of its million inhabitants, but English, Bengali, Urdu, Hindoo and Urdu are the media through which its trade and commerce are mainly carried on. As regards the schools, Sanskrit, Persian and Arabic fill a more important place than Greek and Latin. French, German or Italian do in England. Bengali is the most numerous spoken of the vernaculars. It has a mellow, pleasant cadence, not unlike Italian, and although it is a comparatively modern language it has a great wealth of literature, journalistic and other. Half a dozen Bengali newspapers are published daily, while of weekly vernacular papers the name is legion.—Pall Mall Magazine.
