### The Conservation of Nature's Resources.

Applies as well to our physical state as to material things. C. J. Budlong, Washington, R. I. realized his condition, and took warning before it was too late. He says: "I suffered severely from kidney trouble, the disease being hereditary in our family. I have taken four bottles of Foley's Kidney Remedy, and now consider myself thoroughly cured. This should be a warning to all not to neglect taking Foley's Kidney Remedy until it is too late." Cabarrus Drug Co. Concord.

"What do you think of dividing the day into twenty-four hours?" "I think it would be better if we could arrange to have nine or ten evenings to the week," replied the young man who was beginning to call steadily on one girl.—Louisville Courier-Journal.

### Scared into Sound Health.

Mr. B. F. Kelley, Springfield, Ill., writes: "A year ago I began to be troubled with my kidneys and bladder which grew worse until I became alarmed at my condition. I suffered also with dull heavy headaches and the action of my bladder was annoying and painful. I read of Foley's Kidney Pills and after taking them a few weeks the headaches left me, the action of my bladder was again normal, and I was free from all distress." Cabarrus Drug Co.

### The Telepost Coming.

Charlotte Chronicle. The Telepost Automatic Telegraph Company has a very busy press agent, as the newspaper people of the country may know. He is not only continually pressing news notes on them, but is giving them an occasional last opportunity to buy stock. However, that, his latest letter tells of plans to extend the Telepost system to all parts of North Carolina. The cities and towns, he says, under consideration for connection with the automatic system are: Raleigh, Goldsboro, Newbern, Winston-Salem, Salisbury, Charlotte, Concord, Wilmington, Elizabeth City, Durham, Greensboro, Asheville. We are sure that for one, The Chronicle will welcome the Telepost to the field in this State. The Telepost system has had a practical demonstration. Edison had a hand in its invention. Its introduction promises considerable saving of expense to newspaper men. Let the Telepost come along and make good, if it can.

"After all, this is a very wicked world," said the ready made philosopher.

"I gather from that remark," rejoined the precise person, "that you have not been compelled to figure much on railway or steamship fares."—Washington Star.

Don't Marry in a Hurry. Matrimony is a serious matter and has its sorrows as well as joys. If you are well, happiness will be yours; if you are sick your days will be sorrowful. Pure blood is the index to health. For rheumatism and all blood diseases take Rheumicide. Rheumicide is a powerful blood purifier. It sweeps all poisons out of the system and makes you feel well all over. Put up in mail, 25c. Bobbitt Chemical Co., Baltimore, Md.

Church—Did that detective you engaged discover anything? Gotham—Yes, that I had money.—Yonkers Statesman.

What Everybody Ought to Know. That Foley Kidney Pills contain just the ingredients necessary to tone, strengthen and regulate the action of the kidneys. Cabarrus Drug Co.

### City Pressing Club

D. B. FOWLKES, Manager.

As the world goes around and around, You hear the iron ring of its sound, Long Pants made short, square coats made round, Remember that Paul is still in town. After the needle and the machine, Then the clothes are sponged and cleaned, Coats pressed nicely and pants in a crease, Think of the presser last but not least.

Gratefully, DAN & PAUL.
