

Foley's Kidney Pills Have Cured Me.

The above is a quotation from a letter written by H. M. Walker, Evansville, Ind. "I contracted a severe case of kidney trouble. My back gave out and pained me. I seemed to have lost all strength and ambition; was bothered with dizzy spells, my head would swim and speak fast before my eyes. I took Foley's Kidney Pills regularly like a new man. Woman of Advanced Age Under Arrest.

Charlotte Observer. The unusual spectacle of a white woman 57 years of age under arrest on a charge of drunkenness was presented Friday in Charlotte when a Salisbury woman by the name of Laura Morgan was arrested at the Southern Railway station when she came in on the train. Her hair is silvered with white. She did not realize where she was or what had happened to her several hours after her arrest, even so late as midnight. She admitted drinking, but said she did it to drown her troubles. She said she lived only a few blocks away on the corner of Lee and Fisher streets, but as it happened that corner was just 44 miles further away than she thought.

Must Be Above Suspicion.

Kidney and bladder ailments are so serious in their consequences, and if unchecked so often fatal that any remedy offered for their cure must be above suspicion. Foley's Kidney Pills contain no harmful drugs, and have successfully stood a long and thorough test. Cabarrus Drug Co.

State Collected \$9,446 from the Automobileists.

During the operation of the new North Carolina automobile act for the first year just closed, there were registered 1,880 machines with the payment of the \$5 registration and license tax. In addition to this there were 252 transfer certificates at \$1 each. Now with the beginning of the second year there have been 1,294 renewals at \$1 each. So that the revenue from this act practically within the period of the first year of its operation has been \$9,446. There are 175 automobile licenses that have not been renewed. Some of these have, of course, passed out of the State, but quite a number are doubtless liable and the secretary of State is renewing these as of June 30 for a short period to save the holders the necessity of paying \$5 for new license. It costs about \$600 per year to administer this automobile act.

Texas Crops Good.

The Texas State Agricultural Department has issued its report of crop conditions on July 1. It shows that the cotton condition is good all over the State with the exception of a few localities in Texas, where the boll weevil is doing damage.

The crop is in 25 per cent to 75 per cent better condition than at this time last year.

The corn crop conditions declined from 10 per cent to 25 per cent since June 1 in Central and Northwestern Texas and improved 15 per cent to 50 per cent in other parts of the State. The fruit crop is from 50 per cent to 100 per cent better than in 1909 all over the State.

Had Two Appendices.

Wilkesboro Chronicle. Walter Vannoy, who was operated on last week at the Wilkes hospital for appendicitis, is improving. In making the operation Dr. White tells us they made the remarkable discovery that Mr. Vannoy had two appendices. The doctor books give rare instances of the kind, but this is the first time the doctors here have seen anything of the kind.

Is Life Worth Living?

Mrs. Mollie McRaney, Prentiss, Miss., writes that she had a severe case of kidney and bladder trouble, and that four bottles of Foley's Kidney Remedy cured her sound and well. She closes her letter by saying: "I heartily recommend Foley's Kidney to any sufferer of kidney disease. It saved my life." Cabarrus Drug Co.

Receipt That Cures Weak Men--Free

Send Name and Address Today—You Can Have It Free and Be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, falling memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together. I think I owe it to my fellow man to send them a copy in confidence so that any man anywhere who is weak and discouraged with repeated failures may stop dragging himself with harmful patent medicines, secure what I believe is the quickest-acting restorative, up-building, SPOT-TOUCHING remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson 4812, Lock Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge.
