GOOD-BYE, DANDEUFF.

A Clean Scalp for Everyone Who Wants One.

Parisian Sage will kill all dandruff germs and banish dandruff in two weeks, or nothing to pay.

It will stop falling hair or itching scalp in two weeks, or money back. It will stimulate the clogged up hair roots, will cause the hair to grow, will prevent the hair from turning gray, and the danger of becoming bald will vanish.

Parisian Sage is a daintily perfumed hair tonic, that is not sticky or greasy.

Parisian Sage is sold by druggists everywhere, and by Gibson Drug Store on the money back plan. Try a 50 cent bottle today and learn for yourself what a delightful tonic it is. The girl with the Auburn hair is on every package.

Any Woman Can Have Beautiful Hair.

Many women do not realize the attractions they possess because they do not give proper attention to the hair.

The women of Paris are famed for their beauty, not because their facial features are superior to those of other women, but because they know how to keep young by supplying vigor, luster and strength to the hair.

Three years ago Parisian Sage could hardly be obtained in America. But now this delightful hair tonic and dressing can be had in every town in America. Gibson Drug Store sell it for 50 cents a large bottle, and they guarantee it to grow beautiful, luxuriant hair; to turn dull, lifeless hair into lustrous hair; to stop falling hair; to stop itching of the scalp. Ask for Parisian Sage.

Horne for Legislature.

Charlotte Chronicle. The Chronicle understands that the Democrats of Johnston county are arranging to send Ashley Horne to the Legislature, the only difficulty in the way being the securing of his consent. It is to be hoped that Mr. Horne will give in. As a member of the legislature he could do his State valuable service. It has been noted that there is a disposition on the part of the people of the State, this year, to send men of ability and influence to the Legislature. In Carr, Boyden and Horne, the State would have a mighty triumvirate. We would account the sending of Mr. Horne to the Legislature a fortunate circumstance. We hope they will get him in the notion of going. He lives so close to Raleigh that he could serve in the Legislature and sleep at home and it would not be the hardship upon him that it is upon the others.
