JOHN M. OGLESBY, City Editor.

CONCORD, N. C., Oct. 6, 1910

The overshadowing issue in the State campaign this year is the purpose of the Republican leaders, headed by Marion Butler, to get control of the legislature to force the people to pay the bonds the State has declared again and again that it will not pay.

If the New York bond syndicate should succeed in forcing North Carolina to pay their claim of \$27,000,000, for bonds issued and stolen by the negroes and sealaws in 1868-69, it would be about \$13 each for every man, woman and child in the State to pay.

It looks very much like it is time for Tom Watson, the erratic Georgia editor and statesman, to crawl into his hole, and pull it in behind him.

Race Suicide Stops Schools.

Race suicide is so marked in Kansas that schools in many country districts have been abandoned. In other localities the number of children is so limited that the consolidation of schools has become an important question.

This condition is most prevalent in the principal agricultural counties of the State, and notably Jewell, the leading county in corn, alfalfa and hogs.

A MISSISSIPPI ENTHUSIAST

Mrs. Lena Gresham, of Clinton, Miss., has a few facts to Tell Our Readers About Cardui.

Clinton, Miss.—'Thanks to Cardui,' writes Mrs. Lena Gresham, of this place, 'I have been greatly relieved.'

'I suffered for three years from female inflammation, and had taken medicine from four different physicians without much benefit.

'I have received more benefit from seven bottles of Cardui, than from all the physicians.'

Just try Cardui. That's all we ask. It speaks for itself. It has helped so many thousands, it must be able to help you.

Trying Cardui won't hurt you. It is safe, harmless, gentle in action, and purely vegetable.

If you are weak, tired, down and out, try Cardui.

If you are sick, miserable, and suffer from womanly pains, like headache, backache, dragging feelings; pains in side, arms, legs, etc.—try Cardui.

It is the medicine for all women. It is the tonic for you.
