

SENATE PASSES BILL TO INCREASE JUDGES' SALARIES

Supreme Court Judges \$4,000 and Superior Court \$3,250 and \$750 Additional for Expenses.

Raleigh, N. C., February 23.—The Senate passed on final reading the judges' salary bill, making salaries for Supreme Court judges \$4,000 and Superior Court judges \$3,250 with \$750 added for expenses.

It also discussed the Boyden general pension bill, and passed it on second reading.

In the House a great avalanche of new bills were placed on the calendar, without referring to any committee, nearly all local and most of them will never be heard from again.

The House, again in committee of the whole, devoted most of its time again today to the revenue bill.

It is freely predicted today that the session will have a recess and last a week beyond the limit, with pay, in order to dispose of most of the important bills now pending.

Will South Carolina be Abandoned by Interurban Company?

Charlotte News.

Not only is there a possibility, but a very strong probability, that the promoters of the interurban railway will abandon the building of any lines in South Carolina.

This, on the part of the promoters of the company—a company that has taken the public in its confidence and told them of plans to connect all principal cities in the two Carolinas by interurban electric lines—follows a resentment to the veto power exercised by Governor Cole L. Blease, of the Palmetto state in defeating legislative action which sought to allow the Piedmont and Northern Railway Company to operate a charter, the fixed capital of which is \$5,000,000.

South Carolina's chief executive, a man who began his gubernatorial career by doing various and sundry things heretofore unknown to be done by any governor, vetoed the bill that was passed by a two-thirds majority of the general assembly. The House and Senate had adjourned when the veto axe fell and therefore the law could not be placed upon the statute books.

Immediately upon being informed of the drastic action of Governor Blease, promoters of the interurban lines, rushed to South Carolina. Captain E. A. Smith and Mr. Lewis A. Parker, perhaps the wealthiest men in South Carolina, were advised of a meeting and today are conferring in Greenville with officials from Charlotte with a view of positively determining what action will be taken.

It can be stated here, however, upon the best of authority, that the promoters of the company are angry because of the veto and feel disposed to eliminate South Carolina entirely.

In this event the interurban would be alone in North Carolina, until it afterwards, perhaps, extended into Virginia.

House Bill to Prohibit the Sale or Handling of Liquors in Clubs

The following is a copy of House bill No. 1073, by Latham, of Beaufort, to prohibit the sale or handling of liquors in clubs or associations, reported favorably and now on the House calendar for enactment:

The General Assembly of North Carolina do enact:

Section 1.—That any corporation, club, association or person who shall directly or indirectly or keep or maintain by itself, or himself or by association with others or who shall in any manner aid or assist or abet in keeping or maintaining a club-room or other place where intoxicating liquors are received or kept to be drunk, or for barter or sale or distribution, or for division or use among members of any club or association by any means whatever, or where the members are allowed to keep intoxicating liquors in locker, or storage devices of any kind, shall be guilty of a misdemeanor: Provided that nothing in this act shall be construed to prohibit hospitals and asylums from keeping intoxicating liquors for medical purposes.

The indications are that the home to be erected at the Jackson Training School in memory of Bill Nye, will materialize earlier than its promoter, the North Carolina Press Association, had anticipated. The building will cost \$15,000 and quite a good sum has been collected by the newspapers. Much interest has been aroused in the Bill Nye public school day, Wednesday. On that day, contributions will be taken in every public school in the State and the sum total of these small collections will no doubt swell the fund considerably.—Charlotte Chronicle.

Pythians will note "something doing" Friday night. Look it up.

Lorimer in His Own Defense.

Special to Greensboro News.

Washington, Feb. 22.—They always endeavor to celebrate the anniversary of Washington's birthday in a quiet dignified sort of way in the Senate, but the program seldom works. Tillman and McLaughlin tried to uproot one another on February 22, and other interesting things have happened. Now comes Senator Lorimer, Chicago's Blonde Boss, and helps to make the day famous. For four hours Lorimer spoke, as great crowds hung on his every word, and his most severe critics have been compelled to admit that he made good. Very few doubt now that Lorimer will hold his seat, because something like half the Democrats in the senate are going to vote for him. A number of papers put North Carolina senators down in the opposition column today, but it is not at all unlikely that this forecast will have to be revised.

Late Committee Reports on Important Measures.

Raleigh, Feb. 22.—The senate committee on finance by a vote of six to four decides in favor of creating a state tax commission, and Chairman Brown, who first proposed the idea at this session, appointed Senators Hartsell, Pharr and Starbuck as a sub-committee to draft a bill.

The finance committee reports Senator Sikes' bill to increase the state school tax from 18 cents to 25 cents favorably with amendment that increased tax be 20 cents instead of 25 cents. The Hogwood bill to avoid double taxes in assessing corporations and on which another has paid tax gets favorable report.

The bill to increase the salary of the justices of the Supreme court to \$4,500 gets a favorable report from the house finance committee.

Death of Mrs. Ephraim Eudy.

Mr. W. L. Widenhouse this morning received a message announcing the death of his mother-in-law, Mrs. Ephraim Eudy, which occurred at Millington last night at 9:30 o'clock, of pneumonia, after a few days' illness. Mrs. Widenhouse was at her mother's bedside at the time of her death, and Mr. Widenhouse left this afternoon to attend the funeral, which will be held at Salem church tomorrow morning at 10 o'clock. Mrs. Eudy had been for many years a consistent member of the Methodist church.

KANNAPOLIS NEWS.

Y. M. C. A. Banquet—More Marriage by Pastor Talbirt—Other News Items.

The banquet Monday night at the Y. M. C. A. for the members of the various working committees, was a decided success. The table was spread in the auditorium and plates were prepared for forty persons and while the party was enjoying the abundant supply of good things the Kanopolis string band played some choice selections of music. Mr. E. F. Carter, president of the board of directors acted as toastmaster and the chairman of each committee gave a report of the work accomplished by his committee and Dr. Foster, general secretary of the Y. M. C. A., in Columbia, S. C., delivered a very able address on the physical work of the association. Mr. G. C. Huntington, State secretary, spoke about the religious work. Both these speeches were instructive and calculated to do good. Messrs. E. F. Carter, Lee Woodall, E. E. Clapp and G. D. McIntosh sang "Coming Thro' the Eye" which brought a round of applause from the audience. Mr. Owen is an ideal host and was assisted by a number of the ladies to whom a rising vote of thanks was given after which prayer was offered and the benediction pronounced by Rev. W. B. Shinn and all departed for their homes feeling the bonds of fellowship more than before and resolved to work together for the good of the association, which is growing and has received about fifty new members since New Year.

Rev. Dr. J. A. Baldwin was the speaker in the Y. M. C. A. auditorium Sunday evening, addressing men only and had a large and appreciative audience. His subject was "Heaven." Dr. Baldwin is president of the Piedmont Industrial School, of Charlotte.

Mr. J. H. Hunnysett and Miss Lillie Moore were married Thursday evening of last week at the home of the bride's father, Mr. J. P. Moore, on First street, Rev. W. T. Talbirt, performing the ceremony. Both the bride and groom are popular with a large circle of friends here with whom we join in congratulations and good wishes.

Messrs. T. L. Laney and John Coley, of Newton, returned home last week, after spending a few days with their brother, Mr. R. L. Coley, and family.

Mr. T. L. Saunders, Jr., spent a few days last week at the bedside of his father, Mr. T. L. Saunders, Sr., who is critically ill with paralysis at his home in Forest City.

Mrs. G. D. McIntosh is visiting relatives at Providence, R. I.

Although the weather was inclement Sunday night it did not keep the congregation from going out to hear Rev. W. B. Shinn's sermon on the judgment which was listened to with much interest. It was not a sermon picturing the torments of perdition but was logical and was preached with reason and without excitement or terror. We hear many favorable comments upon it.

Mr. S. L. Craig, of Charlotte, and Miss Vernie Penninger, of this place, were married last night at the home of the bride's father Mr. Ben Penninger, on Poplar street. Rev. W. B. Shinn performed the ceremony. Mr. Craig is a clerk in the Southern Railway's freight department in Charlotte. The bride is very popular here and has a large number of friends, many of whom were assembled to see her married. Mr. Hurley Talbirt, of New London, and Miss Maude Richardson and Mr. O. Z. Price, were attendants. We extend our hearty congratulations to Mr. and Mrs. Craig who will leave today for Mr. Craig's home in Charlotte.

TRAIN ROBBERY CAUGHT.

Bandits Who Held up Southern's No. 36 Arrested in Georgia.

Special to Charlotte Observer.

Gainesville, Ga., Feb. 22.—Three men have been arrested and more than \$2,000 in money and jewelry has been recovered as a result of three days' search for the gang of bandits who held up and robbed the Southern Railway fast mail train, No. 36, at White Sulphur Springs, last Saturday morning. It is the belief of the officers of the express and railway companies that the entire gang has been rounded up, but the identity of the suspects still is unknown.

Following the capture of one of the robbers about four miles from Dahlonega early yesterday, two other members of the gang were arrested this morning by a posse headed by Sheriff Edwards, of Lumpkin county. The men were surprised on a public road about fourteen miles from Dahlonega and offered no resistance. They were placed in jail at Hallonoga tonight and will be brought to Gainesville tomorrow.

Nearly one thousand dollars in cash and jewelry valued at between \$500 and \$600 was found on the two robbers. They refused to give any names, but their talk indicated that they were Westerners. While they kept their own identity secret, they stated that the man arrested earlier near Dahlonega was one of the ring-leaders of the gang and was known as John I. Anderson.

He is said to be an old hand at the game. When handcuffed the robbers broke down and admitted their participation in the express car hold-up. They refused, however, to give any details further than to implicate the man who was arrested near Dahlonega.

Some Nice Gold Specimens.

Dr. Joe Reed showed us today a number of fine specimens of gold recently taken from what is known as the Garmon mine, which adjoins the old Reed mine near Georgeville. The property is owned by the Joel Reed family and is being worked by Mr. A. M. Cox, of Mt. Pleasant. Mr. Cox has about a half bushel of these specimens in the quartz and they are very pretty. The vein is being worked at a depth of about 35 feet through ground that has not been worked heretofore. The vein is very promising at present and enlarges as it is followed. Topographically this property is really a part of the old Reed mine where the large nuggets were found some years ago, a history of which is generally known in our county.

THE MISSIONARY INSTITUTE.

Much Interest Aroused in an Already Strong Missionary Church.

Rev. Dr. E. H. Rawlings and Rev. H. K. Boyer conducted a missionary institute yesterday afternoon and night at Central Methodist church. The meeting yesterday afternoon was attended mostly by ladies who compose the missionary society of Central church, the banner society of the Western North Carolina Conference. Dr. Rawlings is chairman of the mission board of the M. E. church, South, and Mr. Boyer is missionary Secretary of the North Carolina Conference, and both of them are numbered among the church's strongest men and leaders in this particular branch of church work. At the afternoon session Dr. Rawlings addressed the ladies on the mission work and Mr. Boyer also made a short talk. At the evening meeting, at 7:30 o'clock, Dr. Rawlings made a great address on missions and his earnest appeal for aid in the great work of evangelizing the world went straight to the hearts of his hearers and the strong business-like manner of presenting this cause to the laymen resulted in attracting their interest and attention. He is a speaker of wonderful directness and power. Dr. Boyer explained the great plan the churches have adopted through their laymen's movement to accomplish the evangelization of the world in this generation, after which a number of laymen were called upon to express their views as to the work, and the following responded by heartily endorsing the course as suggested by Messrs. Rawlings and Boyer. Messrs. R. S. Wheeler, A. F. Hartsell, who was recently elected lay leader, W. C. Houston, D. B. Coltrane, W. R. Odell, W. A. Stone, Rev. P. T. Durham, Rev. W. L. Hutcheson and J. Cold Wave Has Not Damaged Eastern Carolina Truck Yet.

Rocky Mount, Feb. 22.—The cold wave here has not damaged truck yet. Neither radish, peas nor lettuce are showing any bad effects. The strawberry crop will be held back from two weeks to twenty days owing to a cold wave which is considered a God-send to hold back premature budding and blooming. The run of shad has just begun, but will not be plentiful until the river becomes warmer. Then large shipments will go forward. It is thought that all peaches, plums and pears now in full bloom will be killed, also huckleberries. This will enable berry growers to get better prices.
