

OAK RIDGE DEFEATS THE INSTYTOTE TEAM.

Score is 10 to 0—The Dutchmen Completely Buffaloe.

The redoubtable Earle Holt and his classy aggregation of horsehide swatters from Oak Ridge Institute journeyed down to Mt. Pleasant yesterday afternoon and defeated the Collegiate Institute diamond artists by a score of 10 to 0, before a fairly good sized crowd, many of whom drove down from this city.

Richmond Reed umpired and the two teams lined up as follows:

Oak Ridge—Clapp, 2nd; Dunning, 1st; Graham, rf; Mayberry, 1st; Holt, c; Britton, 3rd; Lutterloh, cf; Moore, ss; Davis, p.

Mount Pleasant—Flowe, rf; Welsh, 2nd; Moore, cf; Richardson, c; Murray, ss; Cauble, 3rd; Patterson, 1st; Dry, lf; Ritchie, p.

Davis, a clever right-hander, was on the slab for the boys from Guilford and unceremoniously unhittable compound of speed, corkarrows and benders that had the Dutchmen completely buffaloe. Ritchie, the big southpaw, did the hurling for the home boys. He received indifferent support by his teammates and in the sixth frame the clever offense work of Oak Ridge came near doing for him what the aldermen did for spirits of frummenti in the drug stores—knocking him out.

First Inning.

Flowe lined to pitcher; Welsh out to Davis to Mayberry; Moore singled; Richardson whiffed.

Clapp out to Ritchie to first; Dunning fanned; Graham out to Patterson unassisted.

Second Inning.

Murray safe on Britton's error. Holt made a pretty catch of Richardson's foul; Patterson flew out to left; Dry fanned.

Mayberry safe on Flowe's error; Holt singled; Britton out on classy catch by Richardson; Lutterloh died at the initial sack; Moore poked an easy one to first.

Third Inning.

Ritchie aviated to center; Flowe doubled; Welsh out second to first; Flowe swiped third; Moore fanned.

Davis tapped an easy one to first; Clapp singled and Dunning was safe on Murray's error; Mayberry beat out an infield hit; Holt came up with bases full but died a victim to Ritchie's shoots amid the shouts of the local enthusiasts.

Fourth Inning.

Richardson out second to first; Clapp made a classy catch of Murray's swat; Cauble ballooned to center and was safe at the initial bag while Lutterloh, Graham and Clapp did the Alphonso and Gaston act; Cauble was tagged out in an attempt to steal.

Britton safe on an error, stole second and scored on a wild throw; Lutterloh fanned; Moore safe on error; Clapp and Dunning singled, scoring Moore; Graham out at first.

Fifth Inning.

Patterson out short to Mayberry; Dry failed to connect; Ritchie out Dunning to first.

Mayberry singled; Holt lined out to center; Britton sacrificed; Lutterloh flew to left and on Dry's error Mayberry scored; Moore safe on error; Davis singled; Moore out stealing third.

Sixth Inning.

Flowe flew out to left; Welsh out third to first; Moore whiffed the ozone three times.

Clapp singled; Dunning beat out a beauty bunt and Graham duplicated the feat, filling the bases; Mayberry was given free transportation, forcing in Clapp; Holt fouled to third; Britton singled, Dunning and Graham registered; Moore lined to Ritchie; Davis out short to first.

Seventh Inning.

Richardson flew out to center; Murray fanned and Cauble followed suit.

Clapp fanned; Dunning singled but was caught in an attempt to purloin second; Graham fanned.

Eighth Inning.

Patterson went out; Dry struck out; Ritchie singled and was caught stealing.

Mayberry safe on Patterson's error; Holt sacrificed; Britton singled, counting Mayberry; Lutterloh singled; Moore rapped out a double; Britton and Lutterloh crossing the platter; Davis flew out to Moore and Clapp to first.

Ninth Inning.

Flowe hit by pitched ball; Welsh singled; Moore hit to short, forcing Flowe at third; Britton fired the ball to Mayberry for a double and by a quick return Welsh was caught at third; Ritchie couldn't connect with Davis' slants and was the last man out in the ninth.

The Morris high school ball team played the first team of Cold Water Thursday on the latter's grounds. The score resulted in a score of 6-2 in favor of the former.

PRESBYTERY ADJOURNS.

Report of Yesterday's Proceedings—Mr. Galloway Ross Candidate for Ministry.

At the meeting of the Concord Presbytery yesterday afternoon the work consisted mainly of routine work and discussion on the reports of the various committees.

Rev. H. F. Hollingsworth offered his resignation as pastor of the Morganton church to become head of the Glade High School.

Rev. T. B. Anderson offered his resignation as pastor of Bethpage church.

In reference to Sunderland Hall school the committee reported that they were greatly pleased with the highly unselfish work done by training young women in Christian education at this institution by the Northern Presbyterian church, and expressed a desire that it continue under the present management.

Mr. R. Galloway Ross, of this city, was received under the care of the Presbytery as a candidate for the ministry.

Candidate J. W. Rowe was transferred to the Lexington Presbytery.

At the session last night Rev. J. W. Hollingsworth preached on Foreign Missions.

Rev. Dr. J. A. Scott and Rev. R. A. Lapsley, Jr., were elected commissioners and Rev. C. D. Raynal, Rev. J. J. Garland and Messrs. J. P. Allison and J. H. Reed alternates to the General Assembly, which meets in Louisville in May.

Glilwood church was selected as the place for the next meeting of the Presbytery, September 5th.

A resolution extended a cordial vote of thanks to the members of the First Presbyterian church and the citizens of Concord for their kindness to the members of the Presbytery during its session was unanimously adopted, after which the Presbytery adjourned.

Synopsis of Sermon.

The following is the synopsis of the sermon of Rev. R. E. Steele, of Spencer, preached before Presbytery on Wednesday morning, April 19th. Subject "The Essential Unity of the Christian Church." Text Ephesians 4:3-6.

Having read from the 17th chapter of St. John's Gospel, our Lord's Prayer for the unity of His followers, Mr. Steele said that Jesus could not make a prayer which His Father would not answer, because His will and that of His Father were always in accord. The necessary inference from the prayer was that unity of an essential character had always existed and would always exist among true followers of the Lord Jesus, no matter how apparently they might be divided by denominational differences.

He emphasized the fact that the Apostles creed was a statement of Christian Doctrine common to most of the denominations of the Christian church, and that it was only by stepping off this broad platform of truth

"THE SHADOW OF THE CROSS."

Mystery Cross Appears When Lights Are Dim—Unseen in a Bright Light—The Phenomenon is Unexplained. Even by the Artist—All Who Have Seen the Strange Effect are Mystified.

New York Herald, February 19, 1911.

A mysterious painting is now being exhibited at the Dore Galleries. At first sight it appears to be a by no means impressive painting of the Christ. But when the lights are turned off the background of the picture glows with a light entirely of its own and the Saviour's figure appears against it, with a shadowy cross above one of the shoulders. Many explanations have been offered as to the cause of the "phenomenon." The artist himself can offer none. It has been suggested that he must have mixed his pigments with something known only to himself to create the effect, but he denies having any knowledge of the cause. There it is, that is all. Artists and everyone who have seen the picture are baffled. No explanation yet given has been considered satisfactory.

The world famous painting will be exhibited in Concord for a limited period of six days in the room formerly occupied by The Tribune, in the Morris building, under the auspices of the Library Association, beginning tonight at 7:30 o'clock.

Carnival Inundated.

Monroe Inquirer.

Simpson's Greater Shows, which were to appear here during the week of April 17th and extensively advertised for that date, were obliged to postpone their coming to a week later—the 24th. Mr. Daly, general director, who was here Friday states that the entire shows were completely submerged in four feet of water in Anderson, S. C., and that even with good weather conditions it would be utterly impossible for them to move from their present location in time for them to exhibit in Monroe, Monday the 17th.

Dr. Hulten's sermon on Sunday, April 9th, on the debauchery of the ballot in the city election was as fearless as it was vigorous and candid. It was somewhat after Elijah's method, and could not possibly be misunderstood or misapplied. If it is not the business of the preacher to rebuke sin, what is his business?—Charity and Children.

Performer in Sparks' Circus Falls From Flying Trapes.

Salisbury Post, 20th.

News has reached here of an accident to one of the performers in the Sparks' circus during the afternoon performance in Mocksville yesterday. One of the lady trapeze performers fell from a flying trapeze to the ground, the accident occurring during a heavy downpour of rain. The actress was changing her hold from the swing to a rope loop when it is thought a drop of water falling through the canvas struck her in the eye, blinding her and causing her to miss the rope. She struck the ground with terrific force and was carried to the dressing room in an unconscious condition. A physician was immediately summoned and an examination showed that her injuries were not considered necessarily serious. Later she regained consciousness and was suffering from nothing other than severe bruises.

Female Barbers for Salisbury.

Salisbury Post, 20th.

Messrs. R. R. Nunnally and J. T. Morgan leave tonight on 38 for New York to secure several white lady barbers to serve the patrons of their shop, 121 East Council street. Only first class artists will be employed and this shop will be run just as all first-class shops of this kind in the large cities. No pains or expense, it is said, will be spared to make this one of the most fashionable tonsorial parlors in the country at Salisbury prices.

Uncle Sam's Three Days' March.

Galveston, Texas, April 20.—Increasing activity along the Mexican border is carefully noted by officers commanding the 4,000 United States troops here. The entire brigade of land troops broke camp early today, and started on the first general move of the full command. Extended maneuvers similar to those during actual war will be undertaken during the three-days' marching.

Charleston, through its board of trade, and more particularly through the secretary of that organization, Mr. A. W. McKeand, has inaugurated a movement to build a highway of three hundred miles from that point to Asheville, through Greenville and Spartanburg, to be known as the Carolina highway. Charlotte through its board of trade, will make a strong bid to have the highway pass through that city.

PERSONAL MENTION.

Some of the People Here and Elsewhere Who Come and Go.

Miss Elizabeth Withers, of Charlotte, is visiting Miss Nell Herring.

Mrs. J. W. B. Long and little daughter, Lenora, are spending the day in Salisbury.

Mr. Paul Means has returned to the University of North Carolina, after visiting his parents, Mr. and Mrs. G. W. Means, for several days.

Using Dynamite in Effort to Recover Body of Dr. DuBose.

Morganton, April 20.—There are as yet no developments in the search for the body of Rev. McNeely DuBose, who was drowned in the Catawba river here last Saturday morning. A great number of citizens and friends are untiring in their efforts to recover the body but so far all efforts have been in vain. Dynamite is being used in the river today by which it is hoped the body will be located. There is a reward of \$150 offered for the body.

The annual commencement of the Greensboro Female college will be held Sunday, Monday, Tuesday and Wednesday, May 14, 15, 16 and 17, and the faculty and the senior class have just issued invitations, with programmes for the occasion.
