SATURDAY'S BALL GAME.

The Cincoos Defeat the Kannapolis Team by a Score of 9 to 5.

The Cincoos continued their winning streak Saturday afternoon when they defeated Kannapolis Y. M. C. A. by the score of 9 runs to 5. Cline and Cashion opposed each other on the twirling peak and from the start it looked as if the fans would be treated to a pitchers battle, but Cashion's battery partner could not handle his delivery in acceptable style and the Cincoos were quick to take the advantage. Cline pitched shut out ball with the exception of two innings when a combination of hits and errors by the visitors managed to put their men over. The hitting of Cline, O. Sappenfield and Dusenbery and Patterson's catching featured for the Cincoos and the fielding of Hollywood and Irby and the latter's two timely smashes to the centerfield fence played an important part in the contest.

Concord started the run taking in the third. O. Sappenfield singled and completed the circuit on three successive wild throws. L. Sappenfield singled and swiped second. Patterson walked and the two worked the double steal. Dusenbery's rap to short was tossed away and both runners came across, Dusenbery taking second on the throw in. Wood fell a victim to Cashion but Norman singled and Dusenbery came across. Norman went to third on wild and Wadsworth walked and stole. Cline swatted a double to the fence and two more runs resulted. O. Sappenfield singled for the second time in the inning and promptly stole second, but Grier fanned, ending the run around.

The Cincoos added two more in the fourth. L. Sappenfield lined to Overcash; Patterson singled and stole second. Dusenbery was there with a timely wallop and Pat scored. Wood singled, scoring Dusenbery. Norman hit to pitcher and Wood was caught at third. Wadsworth fanned.

The Cincoos increased their score in the fifth when Childers let Cline's solid bingle get through his legs for three bases, followed by Grier's hit to short.

Kannapolis started the fifth with the proper run producing system. Corn singled and swiped second. Sloop fanned. Hollywood was safe on Wood's error. Irby rapped one to the centerfield fence and both runners scored with ease.

Kannapolis came back strong in the seventh. Broom singled. Overcash hit to Grier, forcing Broom at second. Cashion fanned. Sloop and Anderson singled, filling the bases. Irby was there as the clean up kid with a terrific double to center, increasing Kannapolis' total to five.

The two teams line up as follows: Cincoos: O. Sappenfield, 3; Grier, 1; L. Sappenfield, 2; Patterson, c; Dusenbery, left; Wood, short; Norman, right; Wadsworth, center; Cline, p. Y. M. C. A.: Sloop, 3; Hollywood, short; Irby, 2; Billings, 1; Childers, right; Broom, c; Overcash, left; Cashion, p; Corn, center.

Reciprocity Bill not to be Tampered With.

Washington, July 8.—The defeat in the senate today of the first of Senator Cummins' amendments to the Canadian reciprocity bill, made clear that the measure is scheduled to emerge from the senate without any change from its original form.

By a vote of 32 to 14 the senate refused to attach to the bill Senator Cummins' proposal to give Canadian fresh meats and meat products free access to the American markets.

The fate of the first of the Cummins amendments is expected to be that of all others, which are to be voted upon Monday along with amendments by Senator Simmons, of North Carolina, somewhat similar in scope. Three Democrats, Senators Bailey, Simmons and Thornton; and two regular Republicans, Senators Clark, of Wyoming, and Sutherland, voted for the amendment. No reciprocal change in the vote is expected on the other amendments of the like nature.

To Keep Liquor Out of Dry Territory.

Washington, July 8.—Two bills aimed at the traffic in intoxicants into "dry" states from other states were introduced today by Representative Roddenberry, of Georgia. One of them would prohibit the use of the "mail" for the purpose of advertising, soliciting or offering for sale intoxicating liquors in communities where state or local laws forbid the sale of such liquors.

The other bill would make it unlawful "to collect or receipt for a special tax for carrying on wholesale or retail liquor business in states where the laws forbid the sale of intoxicants."

HEAT WAVE ROLLS ON.

Many Driven Insane and Some Die in Big Cities.

So far as records and memory run no such heat records have ever been known as the present one which has gripped the country for the past several weeks. Relief has come in some cities, while new hot waves strike others.

Driven insane by the intense heat of the past week, fifty persons, twenty of them women, are being held in the Washington asylum hospital for observation.

In Baltimore last week 31 persons died from the heat and there were 100 prostrations.

Twenty-one additional victims were claimed by the heat in Philadelphia Saturday, bringing the total number of death during the present hot spell to 89.

With the mortality in Boston for the last few days higher than ever before, a list of 169 death having appeared in the local papers Saturday, Boston faces an unprecedented situation in being handicapped in the matter of hearses and carriages for mourners. Extreme measures have been adopted in order to get the dead, in some cases, buried on time.

Twentyseven more deaths attributed to the excessively hot weather that prevailed for five days in Chicago, were reported Saturday. The mortality totals 85, which sets a new and startling mark for fatalities coming 24 and 18 hours, respectively, after the heat period had broken.

The predicted cool wave arrived in New York Saturday, and for the first time in nearly a week a night's comfortable sleep was possible. The temperature shot down with gratifying abruptness 10 degrees within an hour that afternoon. The day, however, was prolific in fatalities. Twenty-nine deaths were recorded from the effects of the heat in the metropolitan territory, bringing the aggregate for the six days to a total of well over 150.

According to the local weather bureau, the temperature at Richmond at 2 o'clock Saturday afternoon stood at 99 degrees, while the kiosk in Capital Square marked a temperature of 110 degrees. These figures break all records for more than 13 years.

At St. John's Next Sunday.

There will be special services at St. John's Lutheran church next Sunday, morning and afternoon. Sunday school will be held promptly at 10 o'clock, and at 11 o'clock there will be the usual sermon by the pastor. An intermission of an hour and a half will follow and dinner will be served on the grounds. At 2 o'clock children's missionary services will be held, to be followed by an address on Missions by Rev. Chas. P. MacLaughlin, of Concord. The public is cordially invited to these exercises.

Death of Mr. Joseph Eagle.

A telephone message received this morning from Gold Hill announces the death near that place last night at 11 o'clock of Mr. Joseph Eagle, one of the most prominent citizens of that neighborhood. Mr. Eagle's death was caused by cancer of the stomach, from which he had been a sufferer for a long time. He was a faithful church worker, being a member of Liberty Methodist church. He was 73 years of age and leaves his wife, four sons and five daughters. Mr. Eagle was in all respects a good citizen, and his death is a loss to the community. The burial took place this afternoon at 4 o'clock at Liberty grave yard.

Another Effort to Recover War Taxes.

Washington, July 8.—The repayment to the southern states of more than \$68,000,000 collected by the government between 1862 and 1868 as a tax on raw cotton, is provided for in a bill introduced today by Representative Clayton, of Alabama. Similar efforts to recover this tax have been made many times by other representatives of southern states.

Brander Mill Starts up Again.

The Brander cotton mills, which has been closed down for about three months, started up the spinning department this morning and expects to start up the weaving department tomorrow. About fifty operatives are employed in this mill, and this will be good news not only to them but to all our people.

Assaulted by Negro Woman.

Salisbury Post, 8th.

The community of Mrs. R. R. Davis, in Locke township, was thrown into considerable excitement about 10:30 o'clock yesterday morning. Etta Pettus, colored, went to the farm of Mrs. Davis and was picking blackberries when Mrs. Davis requested her to leave the premises. The colored dame flew into a passion and seizing a stick struck Mrs. Davis a number of blows on the head, face and shoulders, knocking her senseless, and injuring her seriously. Officer Holshouser, of China Grove, was notified and arrested the woman. In turn Sheriff McKenzie was notified by officer Holshouser, and Deputy Krider was sent down to China Grove for the woman, returning with her last night. The negro woman is now in jail and will have a preliminary trial as soon as Mrs. Davis is able to appear in court. The case will be heard in the Rowan county court.

Bernhardt-Snyder.

A marriage that will be of interest to their numerous friends in this city was consummated in Newton Saturday afternoon when Miss Sadie Snyder and Mr. Clarence Bernhardt, two of Salisbury's most popular young people, were married. Miss Snyder had been in Asheville, visiting friends, where she was met by Mr. Bernhardt and they decided to go to Newton and be married. The young people had been sweethearts for a long time but there were objections to the match on the part of the bride's parents and this accounts for the runaway marriage. Mr. and Mrs. Bernhardt left Newton for Blowing Rock, where they will spend a week before returning to their home in Salisbury.

Seriously Injured in Auto Accident.

Spartanburg, S. C., July 8.—Mr. and Mrs. J. L. Cantrell and Warren Smith of Liberty, Pickens county, sustained serious injuries when the automobile in which they were traveling struck a locomotive on a spur track of the Southern railway near Wellford in this county, today. Mr. and Mrs. Cantrell and their children, who were also in the car, but escaped without a scratch, have returned to their home in Pickens, but Mr. Smith, whose injuries may prove fatal, is unconscious at a farmhouse near the scene of the accident. A high embankment obscured the approaching engine.

Death of Aged Citizen.

Mr. George W. Barnhardt, an aged citizen of No. 5 township, died yesterday. Mr. Barnhardt was 84 years of age and a native of this county, where he was widely known. He was a veteran of both the Mexican and Civil wars and served throughout both conflicts. Mr. Barnhardt is survived by eight children, four sons and four daughters. The funeral was held this afternoon at the Catholic church in No. 5 township, of which he was a member, and was conducted by Father Leo, of Salisbury.

Arrested for Car-Breaking.

Walter Foster was arrested here Saturday night on the charge of car-breaking. Cars have been entered at the Southern yards here frequently and the officers have been on the look-out for several parties for some time. Foster has been tried on similar charges before and the officers think they have strong evidence against him now. A number of pairs of shoes were taken some time ago and it is alleged that Foster has been selling shoes of a similar make to parties near the Patterson mill. He will be given a hearing before the Recorder Wednesday morning.

Rural Carrier Force Gets Increase in Salary.

Washington, July 9.—The 40,000 odd rural free delivery carriers in the United States are to receive salary increases as a result of an order issued today by Postmaster General Hitchcock. The order provides for the disbursement during the current fiscal year of \$4,000,000, which will mean an increase of \$100 over the present salary of \$900 for all carriers on standard routes, with proportionate increases in shorter routes.

After he had been brought all the way from Indiana to stand trial in Winston-Salem for check-fishing, Charles A. Lutz, a white man, risked his life by jumping from No. 12 at Pomona Thursday night, and made good his escape, though handcuffed at the time. The remarkable feature of the case is that Lutz's hands were held together by the handcuffs and he could do little with them in escaping from the window or maintaining his balance in jumping. So far the prisoner has not been apprehended.

ELKS AT ATLANTIC CITY.

Silver Jubilee or Twenty-Fifth Annual Reunion Now in Session.

Atlantic City, N. J., July 10.—The Elks convention opened auspiciously today in Atlantic City. It is the silver jubilee or twenty-fifth annual reunion of the order and by an interesting coincidence the meeting place is the same where many years ago the two rival factions into which the organization had been split met in conference and settled their differences.

While thousands of Elks arrived Saturday and Sunday, the real inflow did not begin until this morning. At the grand lodge headquarters it is reported that the registration promises to eclipse all records. The hotels, the boardwalk, the beach and other public places are jammed with enthusiastic crowds. The familiar "Hello, Bill," is heard everywhere.

An address of welcome by Governor Woodrow Wilson of New Jersey and a response by August Hormann, Grand Exalted Ruler of the order, are the chief features on the program for the formal openings of the grand lodge sessions tonight. The sessions are to be held in Marine Hall, at the ocean and of the famous steel pier.

The political side of the convention is looming up strong today. New Yorkers are boosting hard for Arthur C. Moreland for Grand Exalted Ruler. Colonel John P. Sullivan of New Orleans is supported by many of the Southern and Western delegates while others are booming Charles B. Rasbury of Texas. Portland, Ore., appears so far to have the field pretty much to itself as the place for the next convention.
