Young was in Washington Monday in conference with constor Overman and Representative ludger, who are doing everything cossible with the sid of the Navy department to locate the young of-

### Plight of Vital Spark Seen as Pa tient Dies

Chicago, July 17.-The "flight of the vital spark" has been witnessed, according to a statement made by Dr. S. O'Donnell, who has been fol lowing up experiments made by Dr.
W. J. Kilner, of London, England.
Some time ago, using a chemicalized film sealed between two thin strips of glass, Dr. O'Donnell gave a of the aura or "electric radiation of living bodies," four young women being used as subjects. The aura de-

experiment on a dying man. He was rapidly sinking. Suddenly the attending physician announced that the man was dead. The aura began to

one seems to know what it is. In my opinion, however, it is some sort of radio activity made visible by the use of the chemical screen. My experiments, however, seem to prove that it is the animating power, or current of life of human beings."

tend a cordial invitation to the people of this community to attend the exhibition. All county officials and road supervisors are asked to take part and the ladies will be especially

#### Dissolution of the W. R. Kindley Cotton Mills

A meeting of the stockholders of the W. R. Kindley Cotton Mills at Mt. Plessant was held last Saturday at that place to take final action on the dissolution of that corporation. The action of the directors in ordering the dissolution was ratified.

The capital stock of the company is \$45,000 and the debts amount to \$20,000. Mr. W. R. Kindley owns a large black of the stock, and he has arranged, by consent of the other stockholders, to pay all the debts and take over the property. Of course by

Horse Takes Fright at Car and Turns Buggy Over.

One of Dr. D. G. Caldwell's ho being driven by Tice Pickins, colored, became frieghtened at the street car last night and turned the buggy topay-turvey. The motorman on the car, when he saw that he horse was frightened stopped his car at once. Fortunately the negro jumped out before the buggy was turned over against a tree in front of Mr. W. G. Means. The horse also turned a summersault, but was uninjured. It appears that the street car men are not in any way to blame.

## Magazine Postage to be Probed.

New York, July 18.—The special commission authorized to look into and reprt on the merits of the postage controversy met here under the presidency of Justice Hughes, the day's session was devoted to preliminaries and to the consideration of some plan of action. Extensive hearings will be held, and it is expected that many prominentralized off.

In a resolution which will be introduced in the house of representatives of Georgia today Governor Smith will be called upon to resign as governor and proceed to Washington to assume the duties of United States senator and give Georgia her fall representation in that branch of Con-

The center of population of the United States is four and a quarter miles south of Unionville, Monroe county, Indiana, according to a censu bureau announcement Monday. Since 1900, when it was six miles southeast of Columbus, Indiana, it has moved Crust." enths of a mile northy ard.

Leaning out of the cab window of his engine J. H. Sessler, engineer on the Southern railway, struck his head against a misplaced pump pipe at Wolf Mountain, Tenn., Saturday night. The blow fractured his skull to his home in Nashville, Tenn.

A campaign on State-wide probib tion distinguished for its almo scholarly soberness and for tro brass-band methods, entered on its final week in Texas Monday, Debate and orators on both sides are sched uled for nearly every day this week at almost every polling booth in the State. On Saturday the voters will say whether the amendment prohibiting the sale and manufacture of liquor shall be written, into the new State constitution.

The name of Senator Joseph M. Terrell, of Georgia, was formerly stricken from the roll of senate Monday. This action followed a telegram from the Georgia senator to the vicepresident received that morning, in which he said that inasmuch as his successor had been elected by the Georgia legislature Lis term of office had expired with the election. This causes the Democrata to lose one vote in the Senate until Governor Hoke Smith qualifies as his successor.

President Stevens, of the Chesepeake & Ohio Railway is authority for the statement that, if pendag negotiations are concluded, the Chesapeaks & Ohio and the Seaboard Air Line will secure a 999-year lease on the Carolina, Clinchfield & Ohio Railroad. The cost of building the connecting link between the southern terminus of the Chesapeake & Ohio at Elkhorn, Ky., and the northern terminus of the Carolina, Clinchfield & Ohio at Dante, Va., is said to be the main obstacle in the way of closing the deal.

If you want to make \$5.00 easy watch for the Hidden Check page in The Tribune next Saturday.

TO DISCUSS EARTHQUAKES

Meeting Being Held in New Hampshire of Experts From all Over the World.

Manchester, July 18.—The fourth to order here today by Dr. A. Schuster, F. R. S., the president of the organization. Previous meetings of the association have been held at Strassburg in 1905, the Hague in 1907, and Zermatt in 1909. Although the associstion has been in existence but a short time, it has accomplished a great tifie data in regard to earthquakes. zen.

Many subjects having an important bearing upon seismology will be dispussed during the remaining four days. One of the most important is the suggestion of compiling two great catalogues for 1906, one of all perceptible earthquakes, the other of what may be called unfelt earthquakes, of which the only record was made by the seismographs in the va-rous observatories throughout the Light Bearer Society of that church: world. The work of the International Station at Reykjavik will be thoroughly considered and a plan discussed to establish other similar stations in va-

rious earthquake centres in various parts of the world. Among the papers to be read will be one by Prof. Attention, Veterans. All who expect to attend the State

please hand in their names not later than July 15th. H. B. PARKS, Com. Camp No. 212 U. C. V.
