Governor Woodrow Wilson seems to be in the lead for the Democratic nomination for President. His candidacy seems to have met with much greater favor among the people than that of any other candidate. The New York World has just completed a poll of the Democratic Senators and Representatives in Congress as to a choice for President, and of the 153 who were seen and who expressed a choice, 45 were in favor of Wilson, 35 were for Harmon, 26 for Clark, 17 for Underwood, 14 each for Folk and Marshall and 2 for Foss. Geographically the poll indicates no sectional preferences except, perhaps, in the case of Underwood, whose adherents are, almost without exception, from the South. Wilson and Harmon have champions in every section of the country. Marshall and Folk are "native son" candidates, and their followers are held together by convention or primary pledges. Underwood, as a second choice, shows a total of 20, which, added to his 17 1/35 were for Harmon, 26 for Clark, and next to Wilson.

The Raleigh News and Observer publishes a letter written by Hon. W. T. Dortch, of Goldsboro, to Mr. Ed. S. Abell, of Smithfield, in which he says that the report that ex-Governor Aycock will withdraw from the Senatorial race is "wholly and absolutely false." Mr. Dortch adds: "I have recently spent several days in company with Governor Aycock, and I assure you without reservation that he is not only in the race to stay but from assurances received from all sections of the State, he fully expects to receive the nomination." No doubt Mr. Dortch is right in regard to Gov. Aycock's candidacy, but when he states that "he fully expects to receive the nomination"—well, that's another matter.

The weather bureau made a prediction Sunday evening which has proved wide of the mark. The prediction stated that cool weather would continue through the week. Yesterday was probably the hottest day of the year, and today is but little cooler.

PARAGRAPHS.

Still, not every aviator can carry around a hay stack to fall on. President Simon of Haiti may prove to be the original Simple Simon. It is taking Haiti a long time to learn the first principles of self-government. Mr. Aldrich seems also to have joined that horrible conspiracy against Lorimer. Mimic war can be at best but a poor imitation of the real article. It is not run by the war correspondents. The question is not "Who fathered the trusts?" It is "Who feeds them?"

Administrator of Arthur Klutz Will Sue Railroad. Salisbury, Aug. 7.—Attorney E. C. Gregory and Hayden Clement have gone to Pennsylvania with Mr. August Klutz, administrator of his brother, Arthur Klutz, who was killed by the falling of a span of bridge on the Baltimore & Ohio railroad, on which he and a number of others were working, several weeks ago. Mr. Klutz was an expert engineer. It is understood that suit will be instituted against the railroad and the bridge construction company to the amount of \$40,000. The remains of the unfortunate man were brought to his home in Litaker township, this county, and buried.

Do not allow your kidney and bladder troubles to develop beyond the reach of medicine. Take Foley Kidney Pills. They give quick relief and stop irregularities with surprising promptness. For sale by M. L. Marsh, druggist. Square dealing means to many making all others fit to their angles.

A Lamb of Satan Indeed. Monroe Enquirer. Samuel Thompson, a colored man living on Mr. James Latham's farm in Buford township, put a tub, a bucket and a watering trough at a lasting spring by the side of the road near his home. There is plenty of shade at the spring and nearly all who passed by the spring stopped for a drink, watered the stock and thanked the thoughtful colored man for his kindness in providing means for his kindling man and beast. But a few days ago there passed by that spring a thing in man's image but with the heart of a hyena for he knocked the bucket, the tub and the watering trough to pieces and left the staves, hoops and plank scattered around the spring as a testimony that a strong limb of satan had passed that way. The baseness of any man, who when the watering places are nearly all drying up and for miles no place to water stock can be found along the highways, would destroy the vessels provided for the watering of the thirsty horses and mules, is beyond expression, and if we were to attempt to tell what kind and brand of scoundrel the fellow who destroyed those vessels is this paper would not be allowed to go through the United States mail.

Mr. Chadwick's Experience While Grazing a Cow. Winston Sentinel. Mr. Howard Chadwick, of Bethania, had a thrilling experience some days ago while out in the grass minding his father's milk cow. Mr. Chadwick was holding the cow by a chain, leading the animal graze out to the length of the chain in a circle. The afternoon being rather warm and the shade of the tree under which Mr. Chadwick was reclining somewhat comfortable, the insects humming in the air proved conducive to sleep, and ere long Mr. Chadwick was deep in slumber. Some time later a hornet came along that way and flew into Mr. Chadwick's open mouth. Mr. Chadwick immediately awoke and began trying to emit that peppery taste from his mouth. Having partially recovered from his shock he proceeded to lie down again, slightly turning his head to the left. A large king snake was standing up about two feet in the air looking at the man about three feet distant. Mr. Chadwick looked at the reptile. The reptile looked at Mr. Chadwick. The latter didn't like the looks of the newcomer and lost no time in starting on a long sprint for home, a distance of about a mile. The last heard from Bethania is to the effect that the king snake is still minding the cow.

ALL MY PIMPLES GONE. Girl Tells How a Blotchy Skin Was Cleansed By a Simple Wash. "I was ashamed of my face," writes Miss Minnie Pickard of Altamahaw, N. C. "It was all full of pimples and scars, but after using D. D. D. Prescription I can say that now there is no sign of that Eczema, and that was three years ago." D. D. D. has become so famous as a cure and instant relief in Eczema and all other serious skin diseases, that its value is sometimes overlooked in clearing up rash, pimples, blackheads, and all other minor forms of skin impurities. The fact is, that while D. D. D. is so penetrating that it strikes to the very root of Eczema or any other serious trouble, the soothing Oil of Wintergreen, Thymol and other ingredients are so carefully compounded there is no wash for the skin made that can compare with this great household remedy for every kind of skin trouble. D. D. D. is pleasant to use, perfectly harmless to the most delicate skin, and absolutely reliable. A 25-cent bottle will give you positive proof of the wonderful effectiveness of this great remedy. Gibson Drug Store, Concord, N. C.

Loaves Blood and Thunder. account of the "Boxer Troubles." G. K. Chesterton on Novel Reading. "My taste is for the sensational novel, the detective story, the story about death, robbery and secret societies, a taste which I share in common with the bulk of the male population of the world."

Those Sudden Pains in the Back are Twinges That Tell You of Hidden, Dangerous Kidney Troubles. When the kidneys are sick, sharp darting pains strike you in the back, loins or sides—pains that almost take your breath away, and often make you cry out in agony. It is almost impossible to mistake these kidney pains, for they seem to center about the small of the back, where the kidneys are located. Still there are many persons who think backache is merely a muscular trouble—something that is expected to pass away with a little rest, aided by a plaster or by rubbing with liniment. Sick kidneys cannot get well alone. They need quick help; if it is not given, the useful work of the kidneys stops. The filtering of the blood is suspended. Poisons circulate freely with the blood—attack muscles, brain, nerves and vital organs. The kidneys swell and throb and that is what makes those sudden stabs of pain in the back. You won't be rid of the trouble until the kidneys are cured. There is no other remedy for sick kidneys quite equal to Bloodline Blood and Kidney Tablets. This simple vegetable formula has been used for 100 years and has never been excelled by.
