SHOP EARLY IN THE WEEK.
Town Folks Should Do This and Not Wait Until Saturday, When Stores Are Crowded With Rural Residents and Others.
 Statesville Landmark.
 Just now when advertising and newspaper writers are urging the folks to do their Christmas shopping early, something might also be said about shopping early in the week. It is noticeable in Statesville that the town folks who are on the streets all during the week will almost invariably put off most of their shopping until the last of the week, especially Saturday afternoon, at the time when the country people and the factory employes who make it a rule to give only one afternoon a week to shopping are making their purchases and giving the clerks all they can do. While the merchants are of course glad to serve their city customers at any time, it would be so much better for both purchaser and seller if the town people who can do so would do their shopping on some other day beside Saturday, when the country people come in for that purpose. The wise shopper does not care to visit a store at a time when every clerk is busy and customers waiting; neither does the man the man who wants a real good hair cut wait until Saturday to visit the barber shop. This putting off until the last minute matters that could be attended to just as well if not better on an earlier date is an inexcusable habit of many people with which the newspaper folks must contend possibly more than others, and they know how to sympathize with the merchants who are annoyed by the city shoppers who have to wait a little while on Saturdays while the shoppers from the rural districts are at the counters.

STOMACH TIED IN KNOTS.
Awful Suffering of New Jersey Woman—Lasted Five Years.
 When you don't want your breakfast your stomach is out of order. Stomach trouble is either caused by weakened rundown system, or will certainly be followed by that condition.
 Mrs. L. D. Cook, Vineland, N. J., says: "I was sick five years with indigestion. My stomach seemed to have a heavy load in it and at other times it seemed to be tied in knots. Nobody knows how I suffered. I tried a great many doctors and a great many kinds of medicine but nothing did any good until I took Vinol. It has helped me wonderfully. I am improving fast, feel better and am getting my flesh back again. Vinol has done me a world of good."
 We know the great power of Vinol in curing chronic stomach trouble and building up all weakened rundown persons, and that is why we guarantee it as we do. Gibson Drug Store.

An Alarm at Night
 That strikes terror to the entire household is the loud, hoarse and metallic cough of croup. No mistaking it and fortunate then the lucky parents who keep Foley's Honey and Tar Compound on hand. H. W. Casselman, Canton, N. Y., says: "It is worth its weight in gold. Our little children are troubled with croup and hoarseness, and all we give them is Foley's Honey and Tar Compound. I always have a bottle of it in the house." Sold by M. L. Marsh, Druggist.

PARAGRAPHS.
 That story about the mother of the Emperor of China eloping with an actor may be all a campaign lie.
 The dispatch about Mr. Morgan's unfortunate accident in church does not say he recovered the money. No doubt the reporter thought it would be superfluous to mention it.
 Having tried the habeas corpus and failed, perhaps the Chicago packers will now try to prove an alibi.
 The Norfolk Southern.
 Raleigh Times.

We believe it is practically assured that Norfolk Southern trains will be running into Charlotte within two years. Ex-Governor Aycock, for the road, has promised that if Charlotte will do her part. That Charlotte will measure up to this opportunity no one doubts. She will do the right thing by the road. A committee has already been appointed to secure the right of way and depot site.
 Of course the usual difficulties will be encountered. There will be some landholders who will think more of the immediate dollar they may make than of possible development or the future growth of the city.

Southern Corn Show Opens.

During the week there will be addresses by well known agricultural experts and daily demonstrations on practical methods of corn growing, including preparation of the soil, selection of seed, fertilizing planting and harvesting.

CAUSE FOR ALARM.
Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded.
 Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's health.
 It is not what you eat, but what you digest and assimilate that does you good. Some of the strongest, healthiest, and healthiest persons are moderate eaters.
 There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.
 We urge all in Concord who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.
 We urge you to try a 25c box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 50c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store, Gibson Drug Store.

20 More Arrests Pending in the Dynamite Case.
 New York, Dec. 4.—"There are between 20 and 30 union men over the country who will be arrested for complicity in the plot to destroy the Los Angeles Times building and other structures. I know the names of the men and they know that I know their names. There will be no further arrests until the Federal grand jury meets in Indianapolis."
 This statement was given out today by Walter Drew, secretary of the National Erectors' Association.

THIS IS CERTAIN
The Proof That Concord Readers Cannot Deny.
 What could furnish stronger evidence of the efficiency of any remedy than the test of time? Thousands of people testify that Doan's Kidney Pills cure permanently.
 Home endorsement should prove undoubtedly the merit of this remedy. Years ago your friends and neighbors testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say time has completed the test.
 Mrs. W. M. Fisher, 95 N. Georgia avenue, Concord, N. C., says: "Since I publicly endorsed Doan's Kidney Pills three years ago, nothing has happened to check my faith in this excellent remedy. I gladly confirm my former testimonial." (Statement given February 27, 1911.)
 The endorsement referred to by Mrs. Fisher was given on January 11, 1908, and was in substance as follows: "I was annoyed by sharp, shooting pains across the small of my back and I hardly knew what caused the trouble. I was also bothered by soreness through my kidneys and finally I decided to try a kidney medicine. I got a box of Doan's Kidney Pills at Gibson's Drug Store and half the contents cured me."
 For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

ST. STEPHENS.
 Lots of the farmers of this community are not done sowing wheat yet. The recent cold and wet weather having delayed them still more.
 Mr. George J. Lantz, of Craven, Rowan county, was a visitor in No. Saturday and Sunday.
 Say boys, those of you who are ten miles from home at the hour of midnight, be careful that you don't molest the good old rooster, even if he does warn you that another day is coming.
 Yes, that would be a capital idea for all the critics to meet together and have a public debate. We would be pleased to attend, should we receive an invitation.
 Quite a number of our people are expecting to attend the annual missionary sale at Lenoir Saturday, December 2nd.
 All those who missed hearing Rev. G. H. S. Lingle on Thanksgiving day, missed a rare treat indeed. He preached a strong and forcible sermon, his theme being, St. Luke 12:21, "So is he that layeth up treasure for himself, and is not rich toward God." He held the congregation almost spellbound for nearly an hour, while he portrayed most beautiful why we should be thankful.
 Mr. James Leonard, of Gold Hill, had a corn sticking Wednesday night.
 Mrs. G. F. Wagoner has gone to Salisbury for treatment. We wish her a speedy restoration to good health.
 Brother C. if this scribe has in any way ever criticized or offended you or your writings we offer you a full apology, for the No. 5 items are among the first that we look for when we receive our paper. We are always pleased to read them, and only wish you would write oftener. But if the "St. Stephens items" do not meet with your approval we shall offer no retaliation.
 The Newsman school closed Wednesday evening to observe Thanksgiving. School duties will be resumed again Monday morning. Mr. Green went to his home in Mount Pleasant to spend Thanksgiving.
 Cupid is still doing business in this vicinity; think we shall be able to give a synopsis of his work again soon.

 D. H. Corl, of Salisbury, was at home Thursday.
 A number of school boys and girls who are attending school at Crescent, spent Thanksgiving at their respective homes.

 Mr. G. E. C. Best will move down in Cabarrus this fall, where he has purchased a farm.
 News is scarce at this writing. We don't mean to say that there is nothing going on, but it is scarce with us, personally, owing to the fact that we are not in position to get hold of every turn that is made that we would like to. If there is any one that has anything that would look good in print hand it over to us. Our phone number is 38-9-J.
 There is yet some wheat to be sown in this vicinity.

TRIED IT FOR THREE WINTERS
AND T. D. DOWNS CONSIDERS IT THE BEST MADE.
Fox Bear's Emulsion Builds Up System And Keeps Off Severe Coughs.
 Dr. John D. Bear, Elkhon, Va.,
 Dear Sir: I have taken Bear's Emulsion each winter for three different winters, and I have found it the best thing I ever took to build up my system, improve the appetite and protect me from the winter coughs, which I have been subjected to for the last ten years. And Bear's Emulsion of Petroleum is the only thing I have ever gotten that would break up the cough and strengthen me. I recommend Bear's Emulsion not only as the best cough remedy but, one of the best tonics I ever took.
 Yours truly,
 T. D. Downs.
 Do you need a tonic, a tissue builder, and something that will stop that annoying cough? Well, then, there is nothing that will do this for you just as Bear's Emulsion will. One bottle will stop that cough that you have had for years, build up your rundown system.

SAGE TEA WILL DARKEN THE HAIR
Restore Faded and Gray Hair to Natural Color—Dandruff Quickly Removed.
 There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance they made a brew of sage leaves and applied it to their hair, with wonderfully beneficial effect. Nowadays we don't have to resort to old-time, tiresome methods of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy.
 The manufacturers of this remedy authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented. Don't neglect your hair. Get a bottle of Wyeth's Sage and Sulphur today, and notice the difference after a few days' use.
 This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.
