Quick as State Firemen Reached Town All Liquor Was Consumed.

Fayetteville, July 23.—A bomb was thrown into the gala week festivities attended on the firemen's state convention and interstate tournament this afternoon, when Sheriff H. M. McGeachy on seizure warrants arrested every "no tax" dealer in the city on the charge of retailing intoxicating liquors and beer and having more of the same in their possession than allowed by the law.

Eight "no tax" saloons were raided, their owners taken before Magistrate C. P. Overby and placed under bonds ranging from \$100 to \$500.

Hundreds of barrels of beer were seized and its being stored in a building in market square, which was cleared out apparently for the purpose about a week ago. It is estimated that 500 to 600 barrels have been seized.

The warrants were signed by E. J. Kennedy, who is represented by Shaw and McLean and Newton, Herring and Oates as counsel.

Among the dealers arrested are T. O. Martin, G. L. Haywood, E. L. Oldham, E. B. Hall (formerly a member of the police force), R. S. Lewis, J. L. Robinson. These "no tax" saloons have been licensed with a tax of \$50 per month, and it was generally supposed under the "open system" of municipal government which has obtained here for some time that this tax gave them the right to sell most anything they pleased.

Lorimer Won't Try Again.

Chicago, July 23.—Declaring that he would take no part in the national campaign this fall and that he never again expected to become a candidate for public office, William Lorimer, whose election to the United States Senate was recently declared invalid, addressed several thousand friends at Orchestra Hall tonight who had gathered publicly to welcome him home. It was his first public appearance since his return from Washington.

Mr. Lorimer in his address reviewed the history of the fight which recently resulted in his being unseated United States Senator.

"Not one Senator, outside of the investigating committee, ever read the record in my case," said Mr. Lorimer. "I am not a candidate for public office and never expect to be. Election to office is not the sort of vindication I demand. I shall not speak during the coming national campaign. I do not want it said that I tried to injure either Mr. Taft or Mr. Roosevelt. But when this election is over, when the heat of the campaign has died down, I shall appeal directly to the people of this State and country in an effort to get the truth before every man, woman and child. There shall be no peace. I will tell the truth to the people."

CINCO WON FOURTH STRAIGHT GAME

Graham's Clever Twirling the Big Factor in the Victory—West Parks the Pill—Game Today and Tomorrow.

In the presence of the largest crowd that ever witnessed a ball game at Cinco park Concord won its fourth straight victory, defeating High Point 5 to 2. Graham and Fesperman were the opposing twirlers and the lion's share of the honors went to the pitcher of the Lockites. He was steady at every stage and made a whirlwind finish of the affair, fanning the side in the ninth as a climax to an afternoon of steady work. Fesperman pitched a better game than the score indicates. The speedy finger from Catawba fell a victim to the jinx that has always followed him at Cinco Park and lost yesterday by the same score as on his previous visit here. He was the victim of a series of weird flings that started the furniture makers on an aerial expedition in the fourth, which, coupled with a double by Pearson resulted in three runs. Graham fanned twelve and Fesperman seven, while the former allowed eight wild-pitches to his rival's seven.

The fielding of Moore and Hauser and the stick work of Johnson, West, Pearson and Bowden featured.

High Point scored in the first. With two down Hauser hit through Patterson and Sappenfeld and took second on the trace of errors. Bowden doubled down the first base line, sending Hauser across. The Cincoes evaded up when Manager West, the first Concedor to face Fesperman, parked the pill. The smash being a line drive over the fence and across the road, being possibly the longest drive ever made at the park.

The fourth, the inning in which the bugs went wild, opened with one of Fesperman's fast ones connecting with Johnson's leg. West ran for the second saucer. Winston bunted, a la Keeler, down the first base line, and when Groom tossed the ball away the big catcher was safe. West taking third, from whence he scored a moment later on a passed ball. Patterson walked and together with Winston pulled the double steal, the latter scoring. Pearson, the new third baseman, doubled to center, scoring Patterson. High Point added one in the sixth on doubles by Bowden and Loman.

The Cincoes made the final tally in the seventh. Morris singled, Johnson hit a terrific liner against the right field fence, sending Morris to third. The runners worked the double steal, Morris counting.

The two teams play here today and tomorrow. The game today will be called at 4:30 instead of 4 o'clock.

Fire in Troy.

Troy, July 23.—Fire the largest and most destructive that has ever occurred in this town, originated last night about midnight in the plant of the Guilford Lumber Manufacturing Company, completely destroying the plant and a large portion of the lumber yard. Thousands of feet of rough lumber were stacked on the yards and the sheds were filled with finished lumber ready for shipment.

The loss can not be stated accurately but at a conservative estimate it will be from \$25,000 to \$50,000, partially covered with insurance.

The fire had its origin in the roof of the boiler room, the explosion of a lantern used by the night watchman being the cause. When the lantern exploded fire was scattered among the timbers of the building, which were covered with dry sawdust, and so fast did it spread that before the watchman could give the alarm the building was in a mass of flames.

Carrier Boy Bitten By Bull Dog.

Yesterday afternoon while Basil Hodson, a Tribune carrier, was on his regular delivery, he was bitten by a bull dog on North Union street. Young Hodson was riding a bicycle in front of Mr. M. L. Cannon's residence when the dog sprang at him and bit him before Hodson realized it. The bite brought blood oozing from the young man's leg, and this being "dog days" some apprehension is felt, for fear that the bite will prove disastrous.

For a while some of the bull dogs in town were muzzled, this being the law, but young Hodson says this dog was not muzzled, of course not, at the time he was bitten. Dr. Young made an examination of the sore caused by the bite and said he did not think there was any danger. The dog belongs to Mr. M. L. Cannon.
