

FOURTEEN FRAMES; SCORE STOOD 3 TO 2

BEST GAME OF SEASON AT CINCO PARK.

Dusenbery's Mighty Wallop Ties the Score in Ninth, But High Pointers Win at Last.—Season's Greatest Game.

Dusenbery set a grandstand full of fans to yelling wildly and madly in the last half of the ninth inning when he met one of Fesperman's shoots and sent it sailing over the center field fence. The wallop tied the score in the greatest ball game that has been played at Cinco Park. The battle then continued for fourteen innings. In the fourteenth Pearson made a mess of Peace's tap and he was safe. Loman then connected for a double and the fans went to supper. Graham and Fesperman both pitched great ball. The odds, however, were with the Catawba College boys. He fanned fourteen and allowed 9 hits, while the Lockeite made 11 gash the atmosphere and gave up 12 safeties.

First Inning.—Loman fanned. Sensenback (sneeze it, please), was hit by pitched ball. Bowden out. Pearson to Patterson. Yount, recently released by Anderson, hit over the left field palings for the circuit. Welsh whiffed.

Second Inning.—Jones and Pease were easy on infield taps. Fesperman was safe on West's error and advanced on wild pitch. Honeycutt aviated out to Roberts.

Third Inning.—Sensenback bunted. Loman caught at second. Bowden forced the man the stands called "Fatback." Yount treated Bowden in the same manner.

Fourth Inning.—Roberts fanned, but Honeycutt missed the ball. The runner was caught at first and in effort to catch Moose (running for

til the fourteenth. Both teams fought hard all the way, the opposing moundsmen bending to their task with all the energy they possessed. It was Loman, the clever fielder but glass-armed shortstop, who broke it up, sending Pease romping home with a vicious double down the right field line.

Five Tickets in Missouri Primary.

Jefferson City, Mo., August 2.—A State wide primary will be held in Missouri next Tuesday to determine whom the respective parties will put upon the November ballots for State, judicial, congressional and county offices. Five parties have filed nominations for the primary ball.

The Democrats and Republicans have full tickets, but the Socialists, Socialist Laborites and Prohibitionists have same vacancies. Contrary to the situation existing in many states this year, national politics is not expected to play a very important part in the state campaign in Missouri. Some attempt has been made to inject the Clark-Wilson contest into the fight for the Democratic gubernatorial nomination, but without much success. On the Republican side, the rivalry between the Taft and Roosevelt followers is manifesting itself in a fight for control of the State organization, but the indications are that the rank and file of the party will pay little attention to the presidential contest in making up the State ticket. The Roosevelt people are focusing their efforts on the election of county chairman with a view of capturing control of the State committee and the State organization later on.

The Death of Mr. G. L. Bernhardt.

Lenoir, August 1.—For more than a week the people of the town and county have inquired daily about G. L. Bernhardt. Early this morning he died after a lingering illness from paralysis, at his home here. He was the senior member of the Bernhardt-Seagle Hardware and Furniture Company who are well known throughout this section of the State.

Mr. Bernhardt was born a few miles east of Lenoir in the year 1859, and spent the greater part of his life in this county. He was a business man of rare qualities. By his death is removed one of the most influential and highly honored men of the county, whose place will be hard to fill in the hearts of the people, whose confidence he enjoyed, because he was never known to take a selfish view of any question that arose for the good of his fellow man.

Railroad Employee Struck By Fast Train.

Spencer, July 31.—Lee Harrison, of Spencer, a fireman on the Southern Railway between this place and Greenville, was dangerously injured near Gastonia last night. It is stated that when his train stopped for some length of time for orders sat down on the main line to rest and a fast train speeding by struck him a terrific blow. The extent of his injuries have not been learned in Spencer, though his condition is said to be critical. He was engaged to be married to a young lady in Spencer in about two weeks. He is a son of a well known citizen in Rowan.

Girl Was Too Young.

Salisbury, Aug. 1.—Yesterday J. G. Childress, of the Landis neighborhood applied to Register of Deeds Miller for license to marry a Miss Harvey whose age was given as 18. Mr. Miller is a student of human nature and although the young man was very positive as to the girl's age he refused to issue the necessary papers for their wedding. Later in the day a letter from the girl's father came to the register's office warning him not to issue license as his daughter was only 15 years old.

Passenger Train Wrecked.

Baltimore, Aug. 2.—Blue Mountain Express on the Western Maryland Railroad was wrecked in a head-on collision today with a fast freight at Choptank, Md. Five passengers and several members of the crew were injured, but none fatally.

NEWS FROM KANNAPOLIS.

Death of Mr. Stokes.—Philatheas Entertains Baracas.—Pastors Given a Vacation.—Personals.

Mr. J. D. Stokes died at his home here on Maple street Friday morning about 3 o'clock, after a complicated illness for about three weeks. The deceased would have been 57 years of age had he lived another day. Eight children, three sons and five daughters, with their mother, survive him; also two brothers, Messrs E. L. Stokes, of Albemarle, and J. T. Stokes, of Mississippi, and two sisters, Mrs. Will Moore, of Greensboro and Mrs. J. W. Creighton, of Mt. Pleasant. Funeral services were held at the home, conducted by Rev. W. B. Shinn, Saturday morning, after which the remains were laid to rest in the Kannapolis cemetery. We extend sympathy to the bereaved family in their sorrow.

The Philatheas class of the Baptist Sunday school, entertained the Baraca class Monday night at Mr. E. F. Carter's, giving them a watermelon feast. All enjoyed themselves immensely. These are two very large classes. The Philatheas numbering 56 scholars, with Mr. E. F. Carter, as leader, and Mr. Baraca class numbering 113 with Mr. N. A. Gregg, as leader. These two large classes made a pretty large crowd and it took a great many watermelons for them.

The Baptist congregation voted their pastor, Rev. E. C. Andrews, a month's vacation Sunday, but as he is busy planning for the work to begin on the new church building and material coming in every few days, he will not go on his trip for a week or two yet. Mrs. Andrews leaves this morning for Oxford and Chapel Hill to visit relatives. Mr. Andrews will join her later.

Rev. and Mrs. G. W. Shipley and family left Monday on their vacation trip to Washington and Baltimore. Rev. W. B. Shinn, pastor of the Kannapolis church, is conducting a protracted service at Unity this week and is assisted by Rev. Mr. Taylor. The meeting is a success as much good has already been done.

Miss Robbie Cook, of Concord, spent a few days last week here with her sister, Mrs. T. P. Moore.

Miss Lois McDonald spent Sunday and Sunday night with Miss Sue Alexander in Concord.

Mr. H. E. Ketchie's mother, Mrs. M. M. Ketchie, died at her home in China Grove Monday night. Funeral services were held at St. Mark's church and the remains were laid to rest in Greenlaw cemetery yesterday.

Miss Maggie Efrid, and Mr. M. H. Hoyle attended the Lutheran conference in China Grove Sunday and visited friends also.

Mrs. T. L. Saunders and children returned Saturday from Stanley Creek, where they had been visiting a couple of weeks.

Miss Lois McDonald, the popular stenographer for the Cannon Manufacturing Company, left on her summer vacation yesterday and will visit homefolks and relatives near Juneau, Miss Butler, of Charlotte, is manipulating the typewriter in Miss McDonald's absence.

Mr. Hurley Talbirt, of New London, was here last week visiting friends.

The moving picture show at the Y. M. C. A. Saturday night was largely attended as it was something extra. The reel showing the rescue of Dorothy Gibson from the Titanic attracted the crowd, who enjoyed it. The band gave a concert in connection with the pictures.

The Boy Scouts are looking forward to a hike pretty soon with bright anticipations.

Everything at the Y. M. C. A. is living up, and the motto still holds good—"Something doing all the time."

Editor DePriest Apologizes to Senator Simmons By Wire.

The Washington correspondent of the Greensboro News sends the following to that paper today: "Senator Simmons today received a telegram from Editor DePriest, of the Shely Highlander, published at Shely, apologizing for an article which appeared in that paper recently severely criticizing the senator. Mr. DePriest assures the senator that had he been at his office the article never would have appeared. His telegram is as follows: 'Objectional article appeared while I was at Morehead. We apologize for and denounce article today. Crept in through local editor's inadvertence. Highlander not for Kitchin. Independent, but favors you. Columns closed to no one. More contributions favor Kitchin, more voters Simmons.' 'Corn Cracker' has apologized in letter we publish today."

Senator Simmons did not say whether he would drop suit for libel or not. In fact he refused to make any comment further than to give his consent that the telegram be published.

Kill 82 Swallows With But Two Shots.

Dunn, July 31.—Dr. Highsmith and C. J. Bell, of Dunn, claim the State championship for killing swallows at a single shot each. Monday night they shot into a drove on the grounds of the local sanatorium and declare they got eighty-two birds. Thousands of swallows had been roosting in the shade trees on the grounds, and had become a nuisance to the patients.

Gatlin, chief architect of the Southern Railway, stating that he would like to meet the city council and go over plans for the proposed passenger station for Concord. Mayor Waggoner telegraphed Mr. Gatlin that the board would meet him at any time. Yesterday the Mayor received another message from Mr. Gatlin, stating that he would be here tonight. The board will meet with him and go over the situation.

MANY TIGERS ARE INDICTED.

New Hanover Grand Jury Charges 267 With Violating Law.

Wilmington, August 1.—Following closely in the wake of a wholesale indictment for violation of the State prohibition law here last week, as the result of operations of Detective W. M. Pinson, and assistants, of Shreveport, La., under the direction of the local Good Government League the grand jury at the present term of State Superior Court today returned its 267th indictment for the term, the last batch today including forty-two charges of retailing, nuisance, owning and operating and frequenting places of alleged disrepute. The grand jury will continue its work in what is popularly known as a "cleaning up campaign," its investigations today having included Wrightsville beach, the seaside resort 10 miles east of here.

Mr. Henry Probst, of Lexington, is a Concord, visitor today.

THE BLOW HAS FELL.

This Office Has Been Mistaken For Everything, But the Limit Was Reached This Morning.

At last the blow has fell. This office has been mistaken for most every mentionable thing but the limit was reached this morning. One poor, misguided, thirsty citizen wandered in just as the day's work was started and took it for a club, a social club with all the wet accessories, which really are in these days of numberless clubs about the only things to one.

Being up stairs, along with the other offices and enterprises caused the confusion. There are steps leading up stairs all along the street to various places, clubs, physicians and dentists offices, newspaper offices, printing clubs, photograph galleries, etc. Turning up the wrong steps caused the mistake.

Our good friend and neighbor, Dr. W. C. Houston, is next door. We are frequently called upon to pull a tooth for the genial doctor. In return the Doctor says that his place of business is frequently taken for a newspaper office.

Only yesterday a lady called here and asked a reporter of this paper how long it would take him to make a "bridge." The reporter was of the opinion that it would take him quite a while, but told her that Dr. Houston would likely do the job in much shorter time. We are frequently called upon to make photographs, press clothes, talk insurance, etc.

But, coming back to the morning's incident. Who would have thought our foreman, R. P. Benson, a teetotaler, a regular choir-leading prohibitionist, would ever have been mistaken for the general manager and dispenser-in-chief of a club? But it happened. The force saw it happen. The weary citizen with the Budweiser appetite, came wandering in through the press room. He passed the editor by and took a shot at "Bob."

"Say, Mister," he said, "I want a drink. I am all right and they told me to tell you to let me have it and it would be all O. K."

"What kind of a drink do you want," replied the foreman.

"Ah, come on, you know this thing is on the level, the boys told me I could get it here."

"That was too much. The shop was next by this time. Even Marlin Brimley, the hustling little pressman, took a hand in the affair. But Marlin's actions did not satisfy fact thirsty visitor by reason of the fact that he offered him ice water. Ice water for a man hunting a drink! Think of it! Well, you should say not. With the sight of Marlin's ice water the follower of Baehus "beat" it down the back steps, no doubt entertaining ideas of the injustice of things when one man can get a drink at a club and the other can't.

Poor, misguided sinner. He knows not the extent of his ignorance. For, as Ed Walter vouchsafed, if there was a drink up here does he think we would be "slaving" away trying to get out this newspaper?

Gibbons in Favor of Liquor License.

Loonardtown, Md., Aug. 2.—A bitter campaign closed in St. Mary's county today, preparatory to the holding of a special election tomorrow to decide whether the liquor license rate shall be raised to \$200. The high license advocates are confident they will win the election. Their cause has been considerably strengthened by the active support of Cardinal Gibbons and the local clergy.

Price of Beef Breaks World's Record.

Chicago, Aug. 2.—Beef sold today on the local stock yards at the highest prices ever attained, establishing a new world's record. The scarcity of cattle is given as the reason, beefs are selling at \$8.85 per hundred. The prediction is for ten dollar cattle next week.

ROSS IS STAR WITNESS.

Condemned Negro Says That Gladden Killed Mrs. Dixon.

Shelby, August 1.—John Ross, the self-confessed murderer of John Dixon and principal witness against Frank Gladden, the white man whom he implicated in his confession, was the first State's witness this afternoon and was on the stand three hours. His evidence was practically the same as given at the special term of court in January, when Gladden was acquitted of the charge of murdering Mrs. Dixon. He testified that Gladden threatened his life at the point of a pistol, if he did not hit Dixon with the axe after Gladden lured the deceased out of the house. Ross said he struck the fatal blow while the white man was attracting his attention; that Gladden then went into the house while he stood at the wood pile and heard Mrs. Dixon say: "Oh, Lord, don't do that," after which Gladden said to Ross after he came from the house, "I had to kill that woman."

Warden Sale, of the State prison, testified that Ross struck the same story as told at the special court when he saw the negro in the death cell 20 minutes before the hour of execution, when the reprieve was brought by Deputy Crockett, February 16th.

Dr. Jordan, State prison physician, testified that Ross told him the same story that Ross told on the stand today.

Deadlock on Repeal of Canadian Reciprocity.

Washington, Aug. 2.—The proposed repeal of the Canadian reciprocity treaty caused a deadlock today when the House and Senate conferees met to consider the steel bill. The conference ended a disagreement. Another meeting may be called.

BETTING 2 TO 1 ON MRS. GRACE'S ACQUITTAL

CASE WILL GO TO THE JURY LATE THIS AFTERNOON.

It is Predicted That the Jurors Will Not Take Long to Reach a Conclusion.—Mrs. Grace Appeared Ten Years Older Today.—New Witness Who Will Corroborate Her Statement.

Atlanta, Aug. 2.—When Mrs. Grace entered the court room today, fifteen minutes before court convened, she was compelled to fight her way through the corridors, which were filled with spectators. She appeared wan and haggard. Her pallor showed plainly that the strain of the ordeal is wearing upon her nerves, and she is looking ten years older. The defense claims to have discovered a new witness, who it is said could corroborate Mrs. Grace's statement.

Betting 2 to 1 That Mrs. Grace Will Be Acquitted.

Atlanta, Ga., Aug. 2.—The Grace case is expected to go to the jury late this afternoon. It is predicted that the jurors will not take long to reach a decision. The betting is two to one that Mrs. Daisy Opie Grace will be acquitted.

Atlanta, Ga., Aug. 2.—In fiery oratory today, Mrs. Grace's counsel made dramatic charges of persecution of his client by the State, and alleged that there was a "theatrical plot" to railroad the defendant to prison on trumped up charges of attempted murder of her husband. Attorney J. W. Moore, for Mrs. Grace, played up on the sympathies of the jury and several were moved to tears, as he dwelt pathetically on the wife's plight. Grace was not present. He suffered a relapse from excitement, due to being barred from testifying against his wife.

There Was Joy When Dusenbery Sent the Sphere Over the Palings.

Graham) at second Yount hit him with the ball and the Mount Pleasant boy completed the circuit. West went out third to first. Johnson and Winston both singled, but Patterson popped to Loman.

Fourth Inning.—Welsh popped to Graham. Jones bingled. Pease fanned. Jones purloined. second. West dropping the throw. Fesperman expired, Johnson to Patterson.

Pearson failed to connect. Bowden smothered Moose's tap. Dusenbery succumbed, Welsh to Yount.

Fifth Inning.—Honeycutt connected for a one base swat. Loman bunted into "Pat's" waiting paws and the foxy little receiver was doubled on the play. Sensenback fanned.

Graham singled. Roberts bunted a high ball to pitcher. West fanned. Johnson went out to Bowden.

Sixth Inning.—Bowden and Yount fell victims to Graham's twisters. Welsh singled. Jones lined to Dusenbery.

Winston, Patterson and Pearson were counted out on infield taps.

Seventh Inning.—Pease singled. Fesperman bunted. Pease caught at Bill Johnson's station. Honeycutt doubled against the fence. Loman was out second to first and Johnson clung to Sensenback's rap.

Moose was safe on Fesperman's error. Dusenbery gashed the ozone three times. Graham fanned and Roberts lapped to Yount.

Eighth Inning.—Bowden opened with a single. Yount forced the second sacker. Pearson and Moose took care of Welsh's and Jones' efforts.

Concord lost a glorious opportunity to see the game up for keeps right here. West walked. Johnson rolled a clever sacrifice toward first. Patterson walked. Pearson popped weakly to Bowden. Winston walked. Moose was out second to first.

Ninth Inning.—Pease skied to Pearson. Fesperman whaled a single. Honeycutt fanned. Loman was hit by pitched ball. Moose gathered Sensenback's fly.

Dusenbery opened the frame with a mighty wallop over the fence. Graham flew to left. Roberts doubled. West expired, third to first and Johnson aviated to Jones.
