## CABARRUS COUNTY NEEDS A CREAMERY

IN ORDER TO TAKE CARE OF ITS PRODUCTS.

A Well Known Business Man Declared Yesterday That It Was a Question of the Farmers of Cabarrus Taking Care of and Realizing From What They Produce or Allowing Some Other Community to Do It.—Estimated That the Cost Will Be \$6,000.—Steady Stream From Milk Routes Going Out of County Daily.

From time to time this newspaper has printed articles showing the advantages and value of a creamery. Individuals interested in the establishment of a creamery for the farmers of Cabarrus have also advocated the proposition. A number of business men have also become interested and the outlook now for a creamery is encouraging.

A well known business man of the city declared yesterday that a creamery was a necessity if the people here wanted to take care of their own products. "It is a question of the people of Cabarrus taking care of and realizing from what they produce or allowing some other community to do it."

"As far as securing funds to establish the creamery I think this can be easily done. The farmers of the county will take an interest in the matter and subscribe for stock and I know they will receive the co-operation of the business men of the town. It will take about \$6,000 to start the creamery and I think this amount can be easily secured."

The necessity of a creamery in order to take care of the products of this county is evidenced by the fact that already routes have been established in various townships for collecting cream to be sent to creameries away from here. There is a steady stream that goes out daily from this county that adds to the wealth and prosperity of other communities, when, of a creamery was established here, it would add to the wealth of this county.

A number of farmers have expressed themselves as strongly in favor of establishing a creamery in Cabarrus and state that they are willing to aid in the establishment of one. The business men of the city are also strongly in favor of the proposition and the indications are that a movement in this direction will soon be launched.

### Celebration at Charlotte.

Charlotte, N. C., May 20.—A three-day celebration in honor of the 139th anniversary of the Mecklenburg declaration of independence, which was promulgated May 20, 1775, nearly a year in advance of the declaration of the thirteen colonies at Philadelphia, was opened here this afternoon with a programme of exercises which had as its principal feature an oration by Vice President Thomas R. Marshall. The exercises were held in Vance Park, where a crowd that included hundreds of visitors to the city assembled to listen to the addresses.

Gastonia Gazette: At the home of Mrs. D. A. Garrison, on York street, Friday afternoon the Gastonia chapter of the Alumnae Association of the Greensboro College for Women held its annual meeting, there being present twelve members. Officers for the ensuing year were chosen as follows: Mrs. B. T. Morris, president; Mrs. W. L. Balthis, secretary and treasurer. Mrs. D. B. Coltrane, of Concord, was made a member of the Gastonia organization inasmuch as there is no branch at Concord.

### Col. Roosevelt Returns From Long Stay in the Jungle.

New York, May 19.—Theodore Roosevelt today returned home from his visit of many months of South America. Accompanied by the two naturalists of his party, George K. Cherry and Leo E. Miller, he arrived from Para at Quarantine shortly before 4 o'clock on board the Booth line Aidan.

### QUIET AT VERA CRUZ.

Says Van Walter.—No Prospects of a Fight and Picture Reels Are Gone, Making Things Lonely.

In a letter to his brother, Mr. O. B. Walter, Mr. Van Walter, who is a member of the gun crew on the Prairie at Vera Cruz, states that everything is exceedingly quiet there. "The boys are waiting," he says, "for something to turn up." He also complains of the lack of amusement for the sailors, declaring that all the moving picture reels have been "run out" and there is no prospect of new ones any time soon.

Speaking of the probability of a battle he says that the report is started daily that General Maas will make an effort to recapture Vera Cruz. "If he should," the writer adds, "our guns from the ships would make him retreat in short order."

### GRADUATING CLASS AT TRINITY NUMBERS 73

Largest Class in the History of the Methodist Institution.

Trinity College, May 19.—One of the most successful collegiate years in the history of Trinity College is now coming to a close. This is the last week of recitation work for the year, and examinations start Monday. The senior examinations are held a few days in advance of the other examinations and will begin tomorrow.

The Trinity commencement, which starts Sunday, June 7, and lasts until Wednesday, June 10, is expected to be one of the largest and most successful that the college has yet held. The graduating class this year in the academic department is the largest in the history of the institution, there being 67 students who will receive diplomas; while from the school of law will be six to graduate.

Atlanta Wants the Elks, Too. Atlanta, May 20.—Following the conclusion of the Shriner convention, the biggest in the history of the world, comes the announcement that Atlanta is going to make an effort to get the 1916 national convention of Elks.

The city of Denver, where the Elks meet in 1914 has already pledged its support to help Atlanta get the 1916 convention. The 1915 convention has been practically conceded to Seattle. The national convention of the Elks is second in size only to the Shrine, and if Atlanta should win it would bring almost as many visitors to Atlanta as during the week just closed.

### Minister Excommunicated.

Atlanta, May 20.—The Presbyterian Church has put the ban of excommunication upon a former Georgia minister, the Rev. Lloyd B. Field, as the result of a charge that the minister alienated the affection of a wife from her husband, an Atlanta man, and afterward married the woman himself after she had obtained a divorce which the Presbyterian Church does not recognize.

Mr. Field, who is now in Arkansas, has given notice of his intention to appeal the action of the church to the Arkansas Presbytery.

### Another Killing in Charlotte.

Charlotte, May 19.—Will Sims, a negro, shot and mortally wounded his father-in-law, Bob White, tonight at 10 o'clock at his home in Fairview, a negro settlement. Sims was whipping his wife, White's daughter. White interferred and Sims fired two shots at White, one entering the eye and passing through the head, and the other lodging in the right side of the head. White is in a dying condition. He was janitor the Southern station. Sims escaped.

This was the fourth shooting since Saturday night at 12 o'clock.

### Eagles From Eight States.

Charlotte, N. C., May 19.—A great band of eagles, nearly 3,000 in number, flocked to Charlotte today and will continue to make this city their roosting place until next Friday. The occasion of the gathering is the annual southeastern district convention of the Fraternal Order of Eagles.

Represented at the convention are the lodges of the order throughout Virginia, Tennessee, Alabama, Mississippi, Florida, Georgia and the Carolinas.

Spring is too much in earnest to be come discouraged.

### MANY IN CHARLOTTE.

Concord Sent Over Enough Citizens to Celebrate the "Evening Property."

Hundreds of people from Concord and Cabarrus are in Charlotte today attending the Twentieth of May Celebration. The mills and banks are closed, and throughs left last night and this morning for Mecklenburg's capital to join in the celebration.

The streets here bear eloquent testimony of the departure of the throngs, as travel is practically at a standstill, reminding one of the calm and quiet of a Sunday afternoon.

Many of those who did not go to Charlotte are scattered along the banks of Cold Water and Rocky river watching for a sucker to bite. Concord is taking a holiday without a celebration.

### DANIELS HURRIES TO CAPITAL.

Secretary of Navy Receives Dispatch From Washington.

Charleston, S. C., May 19.—Secretary Daniels left here tonight for Washington after he had received a message from the National Capital. The nature of the communication was not made known.

The secretary delivered the commencement address tonight to the graduating class of the College of Charleston and departed shortly afterward. He originally planned to remain here over tomorrow and inspect the navy yard.

### To Solve Mexico's Land Problem.

President Wilson declared that the settlement of the Mexican problem in a definite form was a prerequisite to the withdrawal of the American forces from Vera Cruz.

Peace in Mexico seems to him to be conditioned on the elimination of the Huerta administration and the establishment in its place of a strong provisional government, which would conduct a fair election, and guarantee a solution of the agrarian problem.

The President emphasized that the duty of the United States was unselfishly to seek to assist Mexico to set up a constitutional government which could be accorded recognition by the world.

One feature of the plan the mediators will recommend prescribes a division of lands in a way that will be satisfactory to the masses.

Huerta authorized the Mexican mediation delegates to submit his resignation in case such a course is found necessary to a settlement in peace negotiations.

It was declared that the Huerta delegates never would agree to the selection for provisional president of any of the constitutionalists military men.

Constitutionalists asserted that their plans contemplated not only the elimination of Huerta but also of his party, and that the resignation of Huerta would not compose the situation.

Who will come after Huerta—whether an individual or a provisional commission—is still an open question.

### Recall Perdicaris Kidnapping.

Washington, D. C., May 20.—Officials and clerks in the Navy Department have not had much idle time on their hands of late, but some of the veteran attaches of the department in a spare moment today recalled the fact that a little "war scare" was in the air just ten years ago on this date. It was on May 20, 1904, that the country was set a-flutter by an order sending the whole South Atlantic squadron to Tangier on account of the kidnapping of Perdicaris, an American citizen, by Arabs. Happily the captive was released by the kidnapers and the American vessels returned home without being put to the necessity of firing a shot.

### Democratic Convention at Columbia.

Columbia, S. C., May 20.—The State Democratic convention of South Carolina met in this city today and was called to order in the hall of representatives at the State house. The work of the convention will be confined practically to the making of rules and other arrangements for the primary election next August when a United States Senator and State and county officers are to be nominated. The discussions on the subject of primary reform and the election officers are expected to provoke some bitter contests between the supporters of Senator Ellison D. Smith and Governor Cole Blease, who are the opposing candidate for the Senatorship.

### Death of Mrs. Aaron Quarry.

Mrs. Aaron Quarry died Tuesday morning about 1 o'clock at her home at Harrisburg, after an illness of several days. Mrs. Quarry was a daughter of Mr. Stafford, of Harrisburg, and was about 46 years of age. She is survived by her husband and three children, one child being only a few days of age.

The funeral was held Tuesday afternoon at 4 o'clock and was conducted by Rev. James Lapsley, pastor of the Harrisburg Presbyterian Church, of which the deceased was a member.

## FIERCE FIGHTING ON AT SALTILLO

THE CITY IS ENTIRELY SURROUNDED BY REBEL TROOPS.

The Interest Here in the Mexican Situation Centered Today on the Fate of Consul Silliman.—Villa is Expected to Take Saltillo in 48 Hours.—The Worst in Silliman's Case is Feared.—It is Believed That He Has Been Slain.

Washington, May 20.—With desperate fighting on progress at Saltillo and the city entirely surrounded by Villa's troops, interest in the Mexican situation centered today on the fate of Consul Silliman. The State Department expects Villa to take the city within 48 hours. Consular Representative Carrothers, who is with Villa, has already been ordered to determine immediately what happened to the vice consul, though high officials here, friendly to Silliman, fear the worst. They declared that the promises of his safe delivery had been disregarded so often, they believe he may be slain. But so far as the administration is concerned everything is halted to await the outcome of mediation.

### MEDIATION DELEGATES REACH NIAGARA FALLS

General Plan of Procedure May Be Discussed This Afternoon.

Niagara Falls, Ont., May 20.—The Mexican mediation delegates and party, numbering twenty-two persons, arrived here early today. The early delegates refused to discuss conditions in any way. The American delegates stopped at a hotel on the American side. A joint conference may be held at 3 o'clock this afternoon, when a general plan of procedure will be discussed.

Mr. Joseph H. Young, the new president of the Norfolk Southern Railroad, will arrive in the city this morning. He spent last night at Beaufort. Local representatives of the Norfolk Southern were not certain whether Mr. Young would come over the Norfolk Southern route from New Bern here, or whether he would use the Southern for the part of the trip between Goldsboro and Raleigh. But they said his special train was scheduled to arrive here at 10:30.

The afternoon and night will be spent here and this afternoon Mr. Young will inspect the company's property in this city. Tomorrow morning he and his party will leave for Fayetteville and Charlotte. He will be back here again Friday and will leave here Saturday morning returning to Norfolk.

On his first trip over the new road, the new president will be accompanied by the retiring president, Mr. Charles H. Hix. The others with him on the tour are: Marsden H. Perry, chairman of the Board of Directors; E. D. Kyle, Traffic manager; F. L. Nicholson, Chief Engineer; J. W. Sesser, Superintendent of Motive Power; J. M. Shea, Superintendent.

A number of honorary degrees were also conferred.

### BARNHARDT-ROGERS.

Mr. Chester Barnhardt and Miss Jennie Rogers Married Yesterday Afternoon.

Miss Jennie Rogers and Mr. Chester Barnhardt were married yesterday afternoon at 2 o'clock at Epworth parsonage, on North Kerr street. The ceremony, which was witnessed by intimate friends and relatives of the young couple, was performed by Rev. A. L. Coburn, pastor of Epworth Methodist Church.

Immediately after the ceremony Mr. and Mrs. Barnhardt drove to the home of the groom's father, Mr. Thomas Barnhardt, in No. 5 township, where a reception was held last evening.

The bride is from Richfield and was a nurse at the Concord Hospital for several months. Mr. Barnhardt is a well known young farmer of No. 5 township.

### PREACHER'S HORSE WAS KILLED NEAR LEXINGTON

Collection Was Taken in Lexington, However, and Now Rev. Mr. Elliott Has Another Horse.

Lexington, May 19.—Rev. W. F. Elliott, pastor of the Linwood circuit of the M. E. Church, south, who lives here, returning to this city from filling an appointment, lost his horse by accident. Coming down a hill on the Salisbury road a few miles south of town, part of his harness broke, frightening the horse, and he began kicking, soon breaking the shafts free from the buggy and starting to run. A short distance away he ran into a wagon belonging to the Lexington township road gang and was literally ripped open by a brake beam. As soon as news of the preacher's misfortune reached Lexington a movement was started to raise funds for a new horse and in a few hours more than \$100 had been contributed. Sheriff Shaw offered the minister the use of one of his horses for a year and Messrs. Foy and Shumwell, dealers in horses, came forward with a 6-year-old, valued at \$250. The cash raised will be used to pay off a mortgage on the dead horse.

### Want to Make Frank Case Issue in Campaign.

Atlanta, May 20.—A state-wide protest is being made against a movement which is under way in Atlanta to put Hugh Dorsey in the gubernatorial race and make the Mary Phagan murder case a political issue in the coming primary.

Strong political voices are also raised against it here in Mr. Dorsey's home community, and present indications are that in the fact of this feeling Mr. Dorsey's proposed candidacy may not materialize.

The point is made that if Mr. Dorsey runs at all, he would have to run on the Frank case as a platform, since he has never taken any part in the public or political life of the State and is known to the public at large purely and solely through his connection with this single case as solicitor general and prosecuting attorney.

Your Spare Time is all That Will Be Required.—Start Today So That You Will Have Every Advantage And All of the Time Possible.

Have you entered your name on the list of contestants in The Times-Tribune great Circulation Campaign? If not, then what are your reasons for not having done so? Surely it is not because there is not a prize on the list that does not appeal to you. And since some of the prizes are bound to appeal to you and since you would like to be the owner of one of them, then why not get busy at once and get that one which you desire?

Just stop and consider a moment. The Times-Tribune is going to award on July 11th ten beautiful and useful prizes and are also going to award a cash commission to those who work and do not win one of the prizes. Now, any one can enter this contest. There are no strings attached to the prizes, and there is no cost to the contestant. The very least that anyone can get is the commission which will well repay them for the time and the trouble which they have put forth during the campaign. Now is there any good reason why you should not enter?

And, remember, this is not anything that will take your whole time or detract in any way from the work that you are at present occupied with. Your spare time during the next few weeks will be all that is necessary to make you the owner of a valuable prize.

Send in your name at once so that you will be among the first to enter, and so that you will get every advantage possible. Come to the Times-Tribune office and ask to see the campaign manager. Talk it over with him and let him explain to you any part that is not quite clear. Get a receipt book and start out to gather the subscriptions. The first thing for a person to do is to fill in the nomination blank with their own name or that of a friend. This counts for 5,000 votes for the person nominated. After a candidate is once credited with these 5,000 votes, there are just two resources from which they can secure more votes. One is by clipping the ten vote coupons from each issue of The Times and Tribune and the other by securing paid-in-advance subscriptions. The latter source is by far the more important as is shown in the schedule published in another part of this paper.

Enter your name today. Do not delay. If you do not care to enter the race yourself, send in the name of a friend whom you would like to see share in the distribution of the prizes.

### JOHN D. ROCKEFELLER GROWS VERY CAUTIOUS

In Addition to Doubling His Guards He Has Had Installed System of Electric Lights.

New York, May 19.—In addition to doubling his guards from four to eight John D. Rockefeller has had installed about the grounds of his Pocantico Hills estate a system of electric lights, which he can flash by pressing a button at the head of his bed.

Before the demonstration of the Industrial Workers of the World at the downtown offices of the Standard Oil Company and the threats that they would visit his estate, Mr. Rockefeller was content with four guards.

These he called to from an open window when he wanted to feel assured that they were on duty. With the new system in operation the flashing of the lights is answered by the guards, who press buttons and sound buzzers above their employer's bed.

A similar system is being installed at the home of John D. Rockefeller, Jr.

### Strong Fight Expected at Conference on Vanderbilt.

Oklahoma City, Okla., May 19.—Unless an eleventh-hour agreement is reached, which tonight seems improbable, two committee reports with regard to Vanderbilt University will be presented when the general conference of the Methodist Episcopal Church, South, resumes its sessions here tomorrow with the prospect of a vigorous contest on the floor of the convention before either report is adopted.

Bishop E. E. Hoss, who directed the legal contest of the church for control of the university, decided adversely by the Supreme Court of Tennessee, tonight issued a statement urging that no further contest be made, leaving the trustees in quiet possession and control.

Today the conference refused to grant laity rights to women.

Several committee reports were read. Commendations of the committee on episcopacy included the retirement of Bishop A. W. Wilson, of Baltimore, the senior bishop of the church, on account of age, and that leave of absence for a year be granted Bishop Hoss because of ill health.

A resolution providing for the adjournment of the conference next Monday was adopted.
